ABCmouse

Home Access Through Your library!

More than 10,000 learning activities and 850 lessons.

HOW TO SET UP ABC MOUSE AT HOME:

1. Visit **abcmouse.com/blho-check-out** or scan the **QRcode** below.
2. Use the drop down menu options to select **New York** state, then follow below to select **Central Islip Public Library**.
3. Enter your library barcode number.
4. For the "Library PIN or Password" field, enter your **Livebrary password**. If you do not have your Livebrary password set, or if you need to reset your password, visit **https://search.livebrary.com/pinreset** to be sent a create/reset link to the email address in your patron record. If you do not have an email in your patron record, you will need to do so at the Library Circulation Desk.
5. Once your library information is verified, you will be ask to **create a login for ABC Mouse**. Enter a preferred email address and create a password that you will use going forward to login. (This can be the same as your Livebrary email and password if that helps make it easier to remember!)

If you need additional assistance, please speak with a librarian!
