

Central Islip Public Library Fine Free Policy

Central Islip Public Library items will no longer accrue fines regardless of who borrows them, with the exception of hotspots and museum passes.

- Central Islip Public Library cardholders can visit the Patron Services desk to have existing fines for Central Islip Public Library items waived.
- Central Islip Public Library cardholders are still responsible for fines on non-Central Islip Public Library items. Fines can accrue from items borrowed in person at other libraries. These items will accrue fines according to the policy of the owning library.
- Cardholders are still responsible for replacement costs for damaged and lost items.
- Cardholders will not be able to check out items if:
 1. They owe a replacement cost for a damaged or lost item
 2. They owe over \$25 in fines
 3. They have not yet returned an overdue item*

** Most borrowed material will auto-renew if eligible. If borrowed items have run out of renewals or if there are patron holds to fulfill, these items will not auto-renew and should be returned as soon as possible.*

Adopted by The Central Islip Board of Trustees 12/2021
