Mr. James Christian

Dedication

To Mr. James "Doc" Christian, We, The Class of 1957, fondly dedicates its 1957 "C.I. Treasures", with the remembrance of the understanding and friendship he afforded us during four of the most important years of our lives.

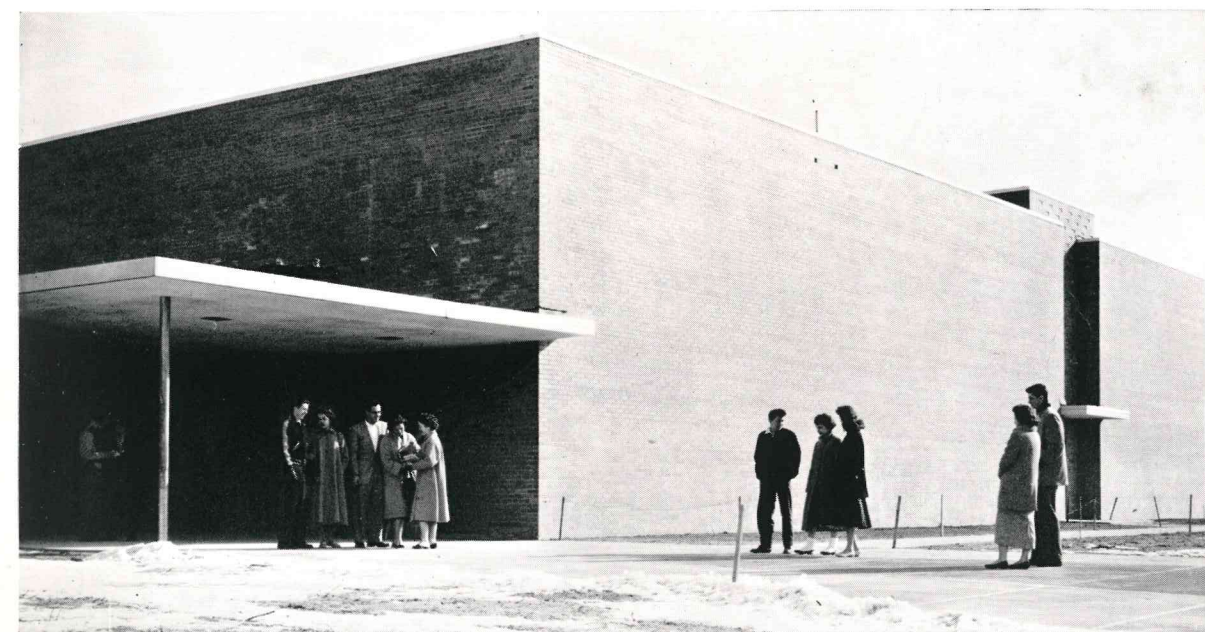

Introduction:

Our yearbook for 1957 has turned out to be a good piece of work. We have worked hard to put all the pertinent facts and stories into our book. As the pages open to unfold our history, we hope you will enjoy reliving the good times you had as students of Central Islip High School.

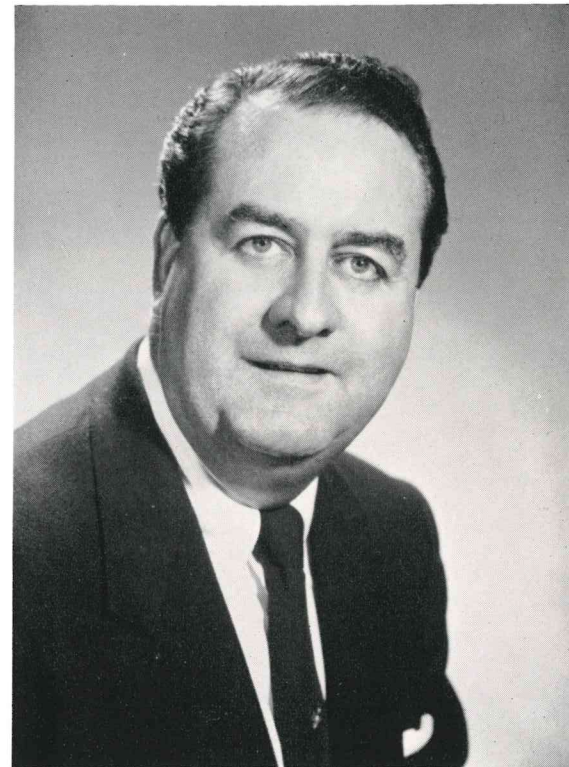

We thank our advisors for all the help they gave us and the patience that they had to have in working with us. As Seniors, we thank the administrators, teachers and especially our class advisors for the memorable hours they provided us in our last year.

As we arrive at International Airlines on July 1, 1962 we see Al Bonne checking baggage for flight 1:11 departing for Europe.

The gates open and we see Lois Marhoun, Dotty Galbraith, Barbara Lewis, Pat Brennan, Susan Orgass, Maryann Papa, Cruz Robles, John Buckley, and Ed Close boarding the plane. As the platform is about to be removed we see a slim figure running towards the plane — who else but Elaine Ackert. Lynn Arany and Betty Kelly, the stewardesses, are informing the passengers to fasten their seat belts for take off. Arthur Adasse, pilot and Bob Sheppard, co-pilot, assure the passengers of a pleasant journey.

After a few hours in the air, the plane roars

into Shannon Airport, Ireland.

The passengers find quarters at the Shamrock Hotel, where the international favorite Grace Vecchi is appearing.

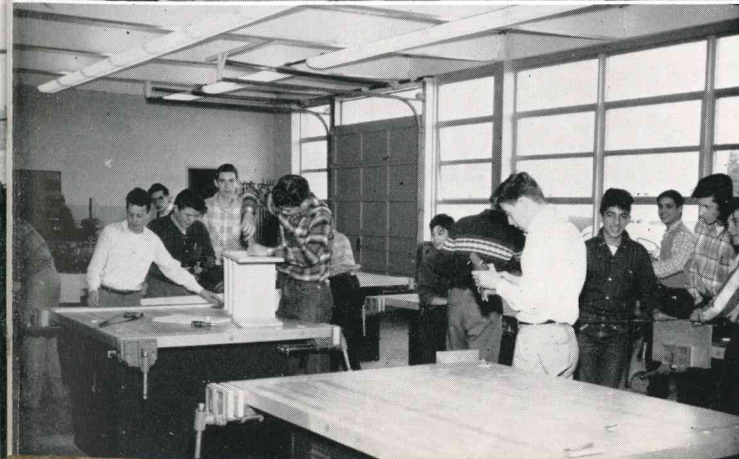

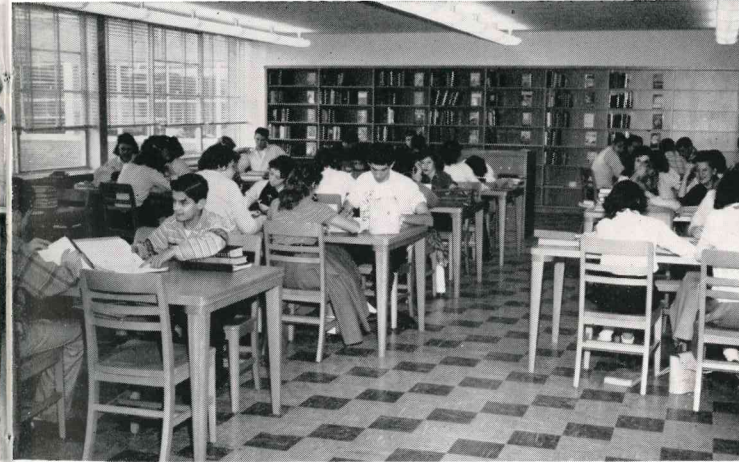

Several days later we find ourselves in France. At the Fountain Bleau (Burlesque Palace) we see Barbara Bergosh making her comeback as a bubble dancer. Sitting in the audience we see the roving eyes of Carl Maltese, Bobby Martinez, Ray Romaine, Jim Trombly, and Tom MacDonald. The next day at the Auto Races we find Ken Dow, Joe Happle, and Phil Noschese representing Ireland, Sweden, and Italy respectively. To our surprise the winner is Carolyn Olsen of Norway.

Upon arriving in Italy, we stop to eat at Dumphy's Italian Restaurant. Suddenly we hear a big ruckus, Dan Devine, John Menechino, Vic Milligan, John O'Kane, Dewey Ashby, and Dick Parisi of the U. S. Navy, are followed by LT. Loretta Tovo. Featured at this restaurant is Irene Libasci singing the old, old melody, "True Love". Walking through the streets of Italy we sight a Slenderella Salon run by Signora Daly who is conversing with Colette Montayne, Joan Grant, and Jean Grieshaber, three of her best customers.

On the boat to Spain we meet Eleanor Steckerider, Jean Rhodes, Margaret Lenz, Joan Knobl, Joan McManus, and Gloria Lindgren anxiously

waiting to see their husbands who are stationed in Madrid. Upon docking we are met by Fay Papson and Harvey Snyder, representing the press, with Sarah DiNicola, cub reporter. While in Spain we enjoyed the hospitality of Brenda Conning at her spacious hacienda. Among her distinguished guests are Marjorie Davison and Terry Nunez. Before leaving Spain, we toured the Massimino Hospital where Carol Igneri and Patti Cox, renowned ambassadors to Spain, are being treated for "ulcers" by Marie Murphy, Chief Nurse.

Upon returning to the U. S., we are filled with fond memories of our trip to Europe and the renewal of old friendships.

We, the Class of 1957, look back with fond memories on our past years in Central Islip High School.

We entered our Freshman year with high hopes and expectations. Freshman initiation soon made us realize that we were growing up and would be expected to act like young adults. Much to our delight, our first attempt at a square dance was a huge success. Under the guidance and patience of our advisors we emerged from our Freshman year looking forward with anticipation to being Sophomores.

Our Sophomore year was a year of both work and pleasure. At the beginning of the year we were looking forward to the initiation of the new Freshman. We came up with some pretty funny ideas as to the clothing they would wear and the stunts they would tackle. Margaret Lenz, a fellow sophomore, made up a very cute saying which contained sixty-four dollar words and expressions, that the freshman were to memorize. This saying was to be printed on the cardboard

signs along with "Allah Sophs". All the freshman girls wore their clothes backwards, one shoe and one sneaker, and nailpolish on every other finger. On one side of their hair, they wore bows and on the other pin-curls. All the freshman boys wore one pants leg up and the other one rolled down. They had to part their hair in the middle and wear a dog biscuit around their necks. This proved to be one of the last of our joyful experiences as initiators of the new, but now, old Freshman.

The next project was to hold a raffle for a canned ham. The proceeds were to be for our Coney Island trip. Our advisors, Mr. Lukoski and Mr. Markey were very pleased by our school spirit and success. The officers of our class were now ready to tackle the job of the Coney Island trip. With the help of our advisors, we had every thing planned and were waiting for the big day. Finally, the big day arrived and we were on our way to Coney Island. We had a full bus, besides two car loads. Mr. O'Neil, offered to chaperone the full bus, while Mr. Lukoski and

Mr. Markey drove the cars. We all had a wonderful time and were tuckered out on the way home. All in all, we had a successful year where everyone had fun. However, we were looking forward to even more pleasure in the Junior year.

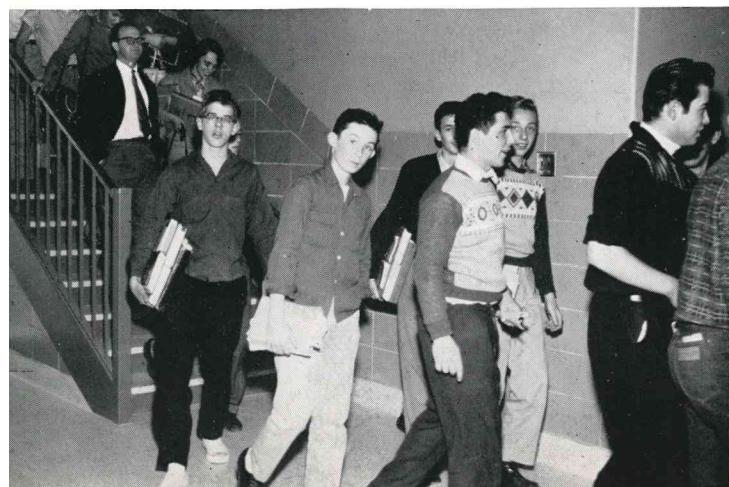

Our Junior year began with the election of our class officers. Victor Milligan was elected President, Patti Cox-Vice President, Barbara Bergosh-Secretary, and Sarah DiNicola-Treasurer. Upon electing our officers for the year, we decided to pay dues amounting to 25c per month. This year was one we could really look forward to, as we would hold the Annual Junior Prom. Mr. Miller and Mr. Sorenson were our advisors and they helped us out with all the arrangements we had to make for the Junior Prom.

At last our most important year arrived for which we had all been waiting. The Senior Year was a very big year in each Senior's life. This year meant fun, the Senior Play and graduation. Our advisors were Miss Mannix and Mr.

Markey, who made our year so much more enjoyable. We held elections and the following were elected to be officers for our last year together: Victor Milligan was chosen President, Carol Ignieri Vice President, Joseph Happle Secretary, and Dorothea Galbraith Treasurer. Our activities began with collecting ads for the school yearbook, a magazine campaign, a class trip on which we went to New York and more ads for our Journal for the Senior Play.

In January we moved down to the new school and the Seniors had the privilege to act as guides for our "School Open House" so the public could see the wonderful job the workers had done on the new school. Everyone was excited about the movement to the new school and we knew that we as Seniors would be its first graduating class. We held Class Day in May and commencement was held on Sunday, June 23.

Miss Mannix and Mr. Markey were both very pleased with our class at Graduation and we will always remember the days we had at Central Islip High School.

To the Juniors, we leave the wonderful times of our Senior year.

EXTRA-CURRICULAR

There are many extra-curricular activities in Central Islip High School. These clubs are presided over by one or more teachers and run by the students. Regular officers are elected every year by club members. Money is raised by sponsoring dances and other social functions. At the close of school some of the clubs make a trip to a near-by park or beach.

Various groups carry on correspondence with other schools and one or two times a year have a business meeting. Each club in its own way helps to better our school.

The Library Club of 1957 Supervised by Miss Rosemary Curran.

THE HONOR SOCIETY

Pres. _____ Fay Papson
V. Pres. _____ Sarah DiNicola
Sec. _____ Barbara Lewis

The Student Organization supervised by Miss Yearsley, Coach Barlin, and Mr. Ienello. Members; Barbara Bergosh, Marjorie Davison, Barbara Lewis, Sarah DiNicola, and Lydia Weiler.

The class of '57 presented the three-act comedy, "Rest Assured" by Donald Payton. The plot centered around Mr. Morlock, (played by Harvey Snyder), a nervous, grouchy old goat who likes only money, always gripes about his pains, won't let his family do anything, and won't let his daughter, Mary, (Carol Igneri), marry Joe Lanconi, (Vic Milligan) because Joe's father, Luigi, (Joe Massimino), is poor. When Luigi comes to plead his son's case, a brawl starts. Luigi has a heart attack and is helped off the stage by Joe and Mary.

Jessica, Mr. Morlock's thirteen year old daughter (Theresa Nunez) has been inspired to become a female wrestler by Luigi. After hearing this and insulting Luigi more, Mrs. Morlock (Marjie Davison) says she's going to leave her husband.

Mr. Morlock just falls asleep when Miss Akers (Patty Cox) and George

Plew, his attorney (Jim Trombley) tell him of the death of Luigi. Mr. Morlock is frantic when Luigi comes back from heaven to plead Joe's case again. He can't eat, can't sleep. Accidentally he takes too many sleeping pills and dies.

Now the two dead men see the goings on in the house. Here Luigi meets Martha, his departed wife (Grace Vecchi). Lucifer, the representative from down below, (Bob Martinez) and murderess, Mrs. Schmaltz (Gloria Lindgren) are told by Mr. Morlock that he won't go.

Mr. Morlock, after criticizing the nervous undertaker, (Bill Dunphy), and after hearing Dr. Brown, (Dan Devine), who hints at marriage with Mrs. Morlock and after looking in on Mrs. Frink (Barbara Bergosh) and Jake, (Dick Parisi), friends of Luigi's, show true friendship (which he never had with anyone), decides he was wrong. If only he had another chance.

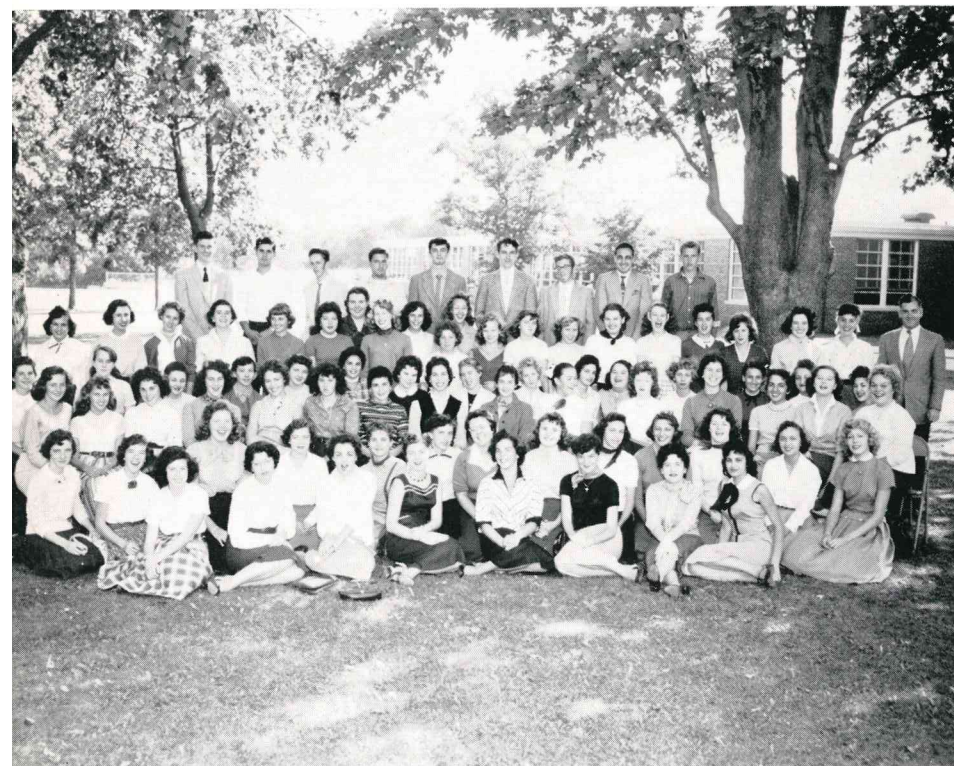

Here Mildred the maid (Marie Murphy) wakes him up. It was all a bad dream. He makes vast promises, okays the wedding and promotes peace to end this hilarious comedy, which was a roaring success. Every member in the senior class helped produce the play.

Glee Club

Under the direction of Mr. Meade.

Mr. Meade and Mr. Garneau, our music teachers, have worked long and hard to put into use the wonderful "music suite" we now have available in our Half-Mile Road School.

Before moving to the new school, our Senior Band consisted of only Freshman through Seniors. Now we have expanded greatly with

the sixth, seventh, and eighth grades joining as band members.

Our band had its first opportunity to perform before the student body at the dedication of the new gymnasium. Our music teachers are looking forward to participating in all school and community activities in the near future.

CENTRAL ISLIP HIGH SCHOOL BAND

Junior Prom

After hours of preparation and waiting the big night had finally arrived. The gym was decorated in white with a silver and blue background. As a theme for our prom, we chose "Moonlight and Roses".

As the hour grew near for the crowning of the new king and queen, the candidates took their assigned positions. Jim Harkins, Bill Dunphy, Vic Milligan, Dick Parisi, Dan Devine, and Jack Menechino were the candidates for king.

Marie Murphy, Barbara Bergosh, Carol Olsen, Petti Cox, Carol Igneri, and Margie Davidson were chosen as the candidates for queen.

Then as the hour approached, Tommy Roland and Patty Plant, last years King and Queen, crowned Vic Milligan and Carol Igneri the new King and Queen. After hours of fun and gaiety the couples filed out one by one never to forget the thrill of our Junior Prom.

The C. I. Shadows Staff consists of students from grades 9 through 12. Each person is given an assignment to turn in at the end of each month. The secretarial practice class does the actual publishing work. The paper is published monthly. Over 1200 copies have been sold during the school year of 1956-1957.

The C. I. Treasures Staff is composed of Sen-

iors. From this group a select few are chosen and put completely in charge of the book. The rest of the staff is then under their supervision. The staff is responsible for all pictures, articles, captions and every thing else added to the book. This year for the first time a special staff of Juniors have been composed so that they might receive training for their Senior Yearbook.

Basketball is a very active game which builds up strength in our bodies. Everyone looks forward to this sport as well as all the other sports we play in gym classes. We play against different schools and try our best to beat them. Many times we don't win but we never give up but only try to do better the next time. Our two teams work together and our school backs them

up. Good sportsmanship is a virtue of the teams. The teams have worked very hard and we feel that next year they will be much better. With the school backing them, our teams have the confidence they need in themselves and their coaches. Give the teams support and they will show their gratefulness by winning.

Hockey saw the team practicing outdoors at Wheeler Road School. Many girls came out and participated making the home competition keen. The first team attended Hockey Playday October 27, 1956, at Heckscher State Park, where Joan Snyder won the Hockey Outstanding Player Award.

Volley ball was 65 girls helping to make the season a profitable one. The *Seniors* stood undefeated. Playday was held at Bay Shore High School with Barbara Schmierer obtaining the Volleyball Outstanding Player Award.

Basketball was the first sport to be played in the new gym. Here we played hostess twice. During the month of February we played Sachem and Islip, being defeated by Islip, but gaining victory over Sachem. Basketball Playday was held at Northport High School. The basketball Outstanding Player Award went to Peggy Daly.

To sum up the Girls Sports Season: "the important thing is not to win but taking part. The essential thing is not conquering but fighting well."

REFERENCE USE

Farewell

by George Byron

If ever the fondest prayer
For other's weal availed on high,
Mine will not all be lost in air
But waft thy name beyond the sky
'twere vain to speak, to weep, to sigh:
Oh! more than tears of blood can tell,
When wrung from guilt's expiring eye,
Are in that word — Farewell — Farewell!
