## *“Dedication”*

To Mr. McCabe:

With deepest appreciation for your constant encouragement, confidence and unfailing friendship, we the class of '58 sincerely dedicate our yearbook.

You have greatly contributed to our education and personalities by setting an example to inspire and guide us. Your teachings, your advice, and your ready wit will be remembered through many years. You will always have a special place in our hearts.

Thanks and God Bless You,

THE SENIOR CLASS

## *Foreword*

With our school year swiftly closing we pause to catch a final glimpse of the happiness and friends we've had. In this year's "Treasures" we have transformed our school into a medieval castle, blending together the past and the future. We have tried to bring the Musketeer, our school mascot, to life. As you follow him through these pages we hope you will enjoy his encounters. We think you will agree that the 1958 "Treasures" is "one for all."

THE STAFF

## *In Appreciation!*

We, the class of 1958, would like to set aside this page to:

MISS MARGUERITE L. MULVEY, in appreciation for 35 years of unselfish, loyal service to the children of Central Islip.

Not only as a teacher and an administrator, but as a friend, Miss Mulvey has given willingly of her time and she has contributed greatly to the development of the character and personality of hundreds of boys and girls who have come under her care.

The Class of 1958 is especially proud of Miss Mulvey because many of us had her as a teacher in third grade and we will remember her as a friend.

To you, Miss Mulvey, we are happy to pay tribute and say "thank you" for being so kind.

#### OUR JANITORIAL STAFF

These men throughout the year have helped us in many ways. They have fixed lockers when they needed repair, found our books when we lost them, set up new chairs and tables in the classrooms, and mainly kept our school looking clean. They are indeed worthy of our praise.

#### SECRETARIES

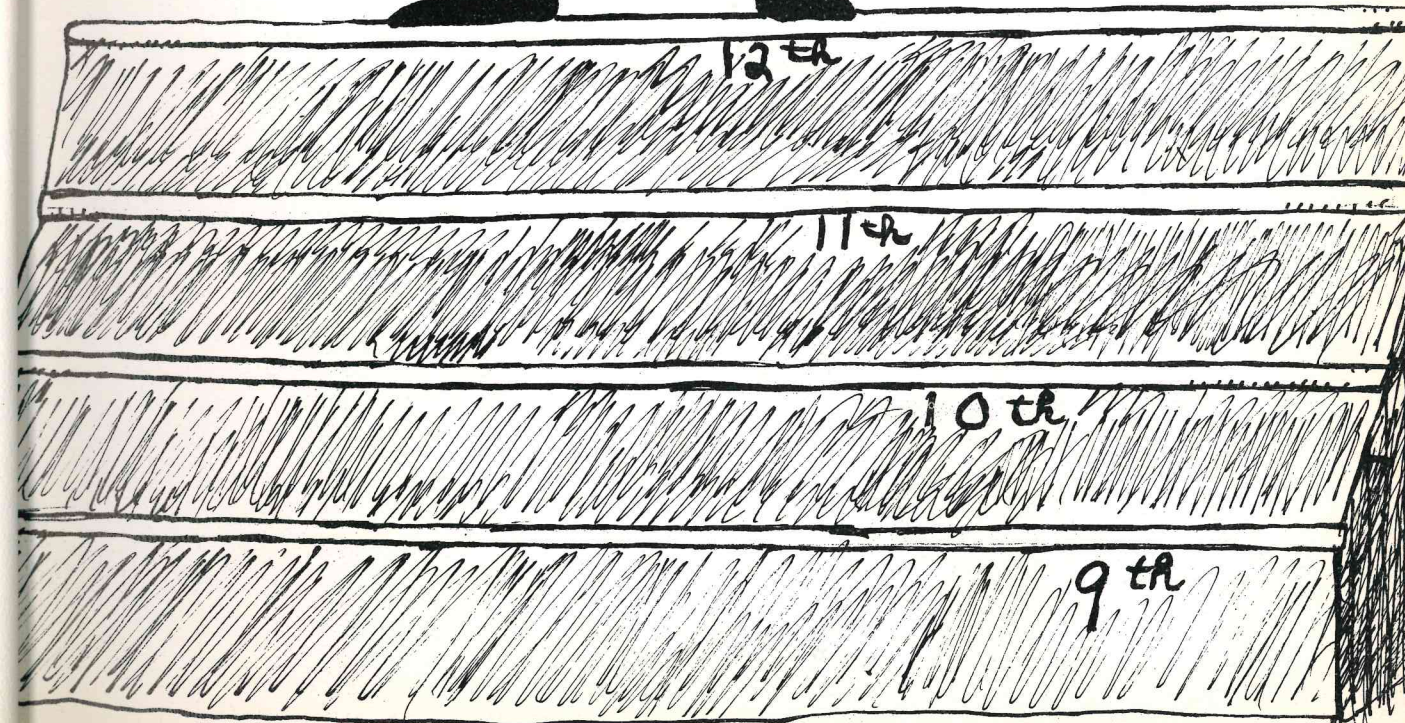

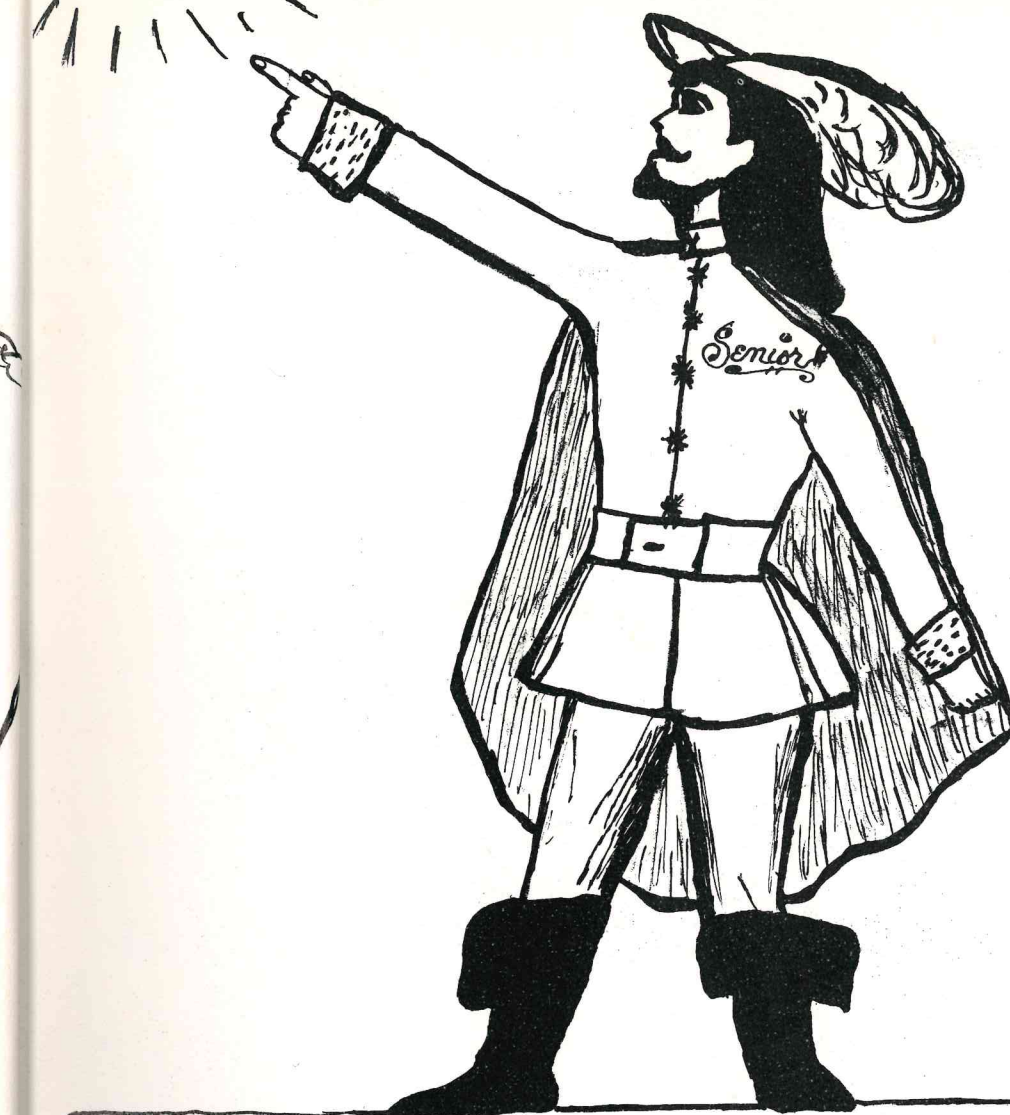

Thanks to our competent office staff, our school is run smoothly and efficiently throughout the year. They supply us with the daily announcement sheets, making the announcements over the P.A. system and many other deeds that they do without asking for credit.

#### CAFETERIA

These people serve us our meals everyday. They serve many delicious meals the favorite of course being hamburgers? They do their best to please all of us and through their efforts we are able to have a well balanced meal. No one realizes the value of water until the well runs dry.

## *Dramatic Club*

Let us look backstage. It is pretty hectic on opening night, with the characters being made up, lighting directors snatching a script for a last glance, setting staff fixing up that curtain or chair and, finally, Miss Cote and Mr. McCabe, giving their last minute instructions to everyone.

## *Home Economics Club*

The Home Economics Club has become one of the most active organizations in our school. It has served the most delicious faculty teas under the direction of Miss Rusnock.

## *The Art Club*

Our activities this year consisted of such projects as posters for school affairs, dances, basketball games, parties and many other such deeds. Under the direction of Mr. DiSantis this club has been a great success.

## Library Club

We like to train future librarians but even more we like to create selective readers. Our library club headed by Miss Rosemary Curran has endeavored to make good books more accessible to the student body.

## Honor Society

Under the direction of Mr. Kustoff, this club has been able to select those students who have certain given qualities namely: Service, Scholarship, Leadership, and Character.

## Commercial Club

This club, under the direction of Mrs. Gallagher, helps the girls to familiarize themselves with the typewriter and mimeograph machines, and the other office machinery. Since practice makes perfect, the girls do so in order to be good future stenographers. They will indeed profit from this club in the ensuing years.

## Student Organization

"Will the meeting please come to order?" asks Ken Shaw, president of the S.O. Urgent school matters are to be considered and time must not be wasted.

The S.O. meets bi-monthly to consider problems referring to all phases of the school activities.

We have had successful dances during the year for the S.O. benefit to help finance needs for the school.

## Shadows Staff

We are very proud to say that this year our newspaper staff has done a splendid job in turning out more and better issues. Under the direction of Mrs. Gallagher, Mrs. O'Pezio and Miss Cote the "Shadows" has creative ideas for the school and has been "Crammed" full of hard work intermingled with fun.

## Spanish Club

Through social activities the club arouses interest in Spanish and Latin American customs and culture. Under the direction of Mr. Philip Kustoff the students are able to hear Spanish records and enjoy Spanish movies.

## Marching Band

The band under the direction of Mr. John Meade, is a fine asset to our school. At the many parades they have attended they have proved over and over again that Central Islip is the "Best."

## The Hotrod Club

This year has seen a new club added to our list of activities. It has been extremely welcomed by our student body. It has helped us appreciate the true value and use of the automobile. We have learned about the automobile's precise mechanism and its many valuable uses.

## Dance Band

The Dance Band has proven its versatility many times. They have played at numerous sock hops, rock and roll dances, and formal affairs. All in all this band has been a great help to the school. Our hats are off to this wonderful organization of talents.

## Photography Club

Learning the mysteries of good photography has been the goal of these club members and well have they learned their task. One glance at the finished product proves that membership was not in vain.

## Glee Club

This club with the help of Mr. Meade strives to attain perfect harmony and unity among its members. Sixty voices blend into one for the gala Spring Festival. This program requires unlimited time and effort, but members agree it is well worth the sacrifice.

## Projection Club

Everyone of us in school has had the opportunity of seeing a movie in conjunction with our studies. The movie operators are masters of the many intricacies of their equipment. They familiarize themselves with parts and works of the movie machine by participating in the projection club. We do appreciate their service.

## Debate Club

This club, under the direction of Mr. Sorenson, helps the student realize what is going on in the world today and happenings of yesterday. They are able to discuss and have lectures on the world affairs. It helps the student to be able to give his beliefs and disbeliefs on certain subjects.

## Current Events

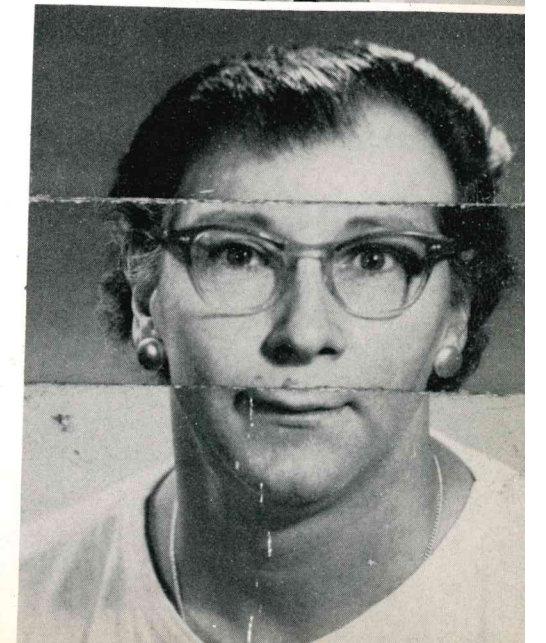

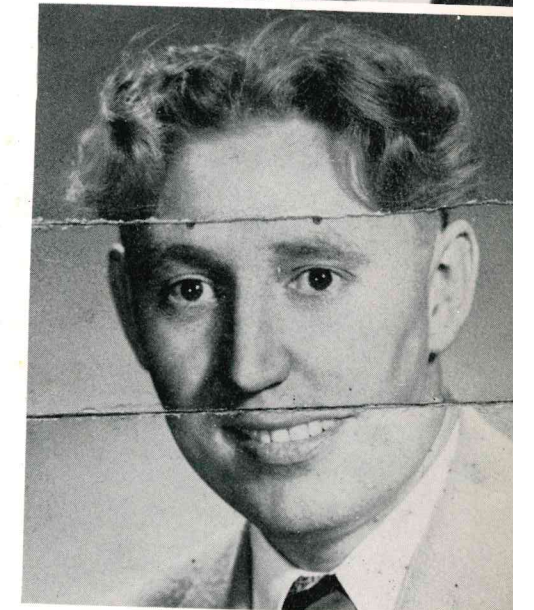

This club under the direction of Mr. Katz discusses the important up-to-date happenings in the world today. Whether your interest is centered on "Sputnik," the Dodgers moving from Brooklyn, or the Senate investigations, you will find it being discussed in the club.

## Conservation Club

Guided under the capable hands of Mr. Markey, its advisor has endeavored to show its members the importance of preserving our natural resources.

## C.I. Treasures

A yearbook is not made up of words and pictures alone; it is all the bittersweet memories of our four years of high school. It supplies a link to the past and a stepping stone to the future.

In this edition of the C.I. Treasures we, the staff and advisors, have tried to meet with your approval. With the co-operation of the student body and the faculty, we have strived to give you "the best yearbook ever." We hope that we have at least partially fulfilled this ambition.

# Girls And Boys

# Sports

"Which way is the basket?"

# B a s k e t b a l l

Perhaps we didn't do as well as the boys but this was a good year in Girls' Basketball. We practiced and laid the groundwork for a really good team next year. Memories of this year will have to include teams with names like "DIRTY SNEAKERS" and "BLUE ANGELS," the Senior's teams.

Bruised shins, smashed fingers, and shivering in the cold all characterized the 1957 hockey season. This year a large group of girls came out for the sport. Practices stressed the basic rules, with the girls spending hours dribbling, passing, and running up and down the 100-yard field. Teams were chosen to compete with other schools and they represented C.I. quite well. The Musketeers finished the year with one win, two ties, and one loss. It was a good year and the girls played well exhibiting fine teamwork.

## H o c k e y

## Volleyball

High on the list of popularity in girl's sports at C.I. is volleyball. It is always supported by a large turnout who attend practice faithfully. Cries of "Spike," "Block" and "two hands—two hits" are frequently heard from Miss Yearsley, the team coach. In competition with other schools, the team did well, winning two and losing one. This one loss was against Brentwood, our neighbor to the west and our biggest rival.

On the whole it was a successful team that represented the school.

"Watch the Birdie"

Badminton is probably the only sport in which fun is the prize. Here in C.I. it is played on an intramural level, with each class trying to beat the other and the girls playing always to win. Seniors won the trophies, and remained the leaders for another year, our last..

## B a d m i n t o n

## S o f t b a l l

The last sport of the year for girls is softball. Warm, spring weather makes them put their best efforts forward, and they get good results. Even though we don't always win, the team is still full of spirit and sportsmanship.

"Saddle Shoes  
White Socks  
Purple Skirts and  
Collar;  
Everyone from C.I.  
Stand up and  
holler"

## J. V. Cheerleaders

These girls have cheered and inspired our teams through many crucial games. They have frozen cheerfully through the football season and have worked hard to keep the morale of the teams up. The biggest attraction on the squad seems to be our new mascot, three year old Patti Igneri. We are all very proud of our skillful cheerleaders, especially the boys, who claim that they are the prettiest in the world.

## *Varsity Cheerleaders*

The soccer team, coached by Mr. Barlin, had a very successful season during the year of 1957. The team won the A-1 league championship when it defeated such powerful competitors as Bay Shore, and Brentwood.

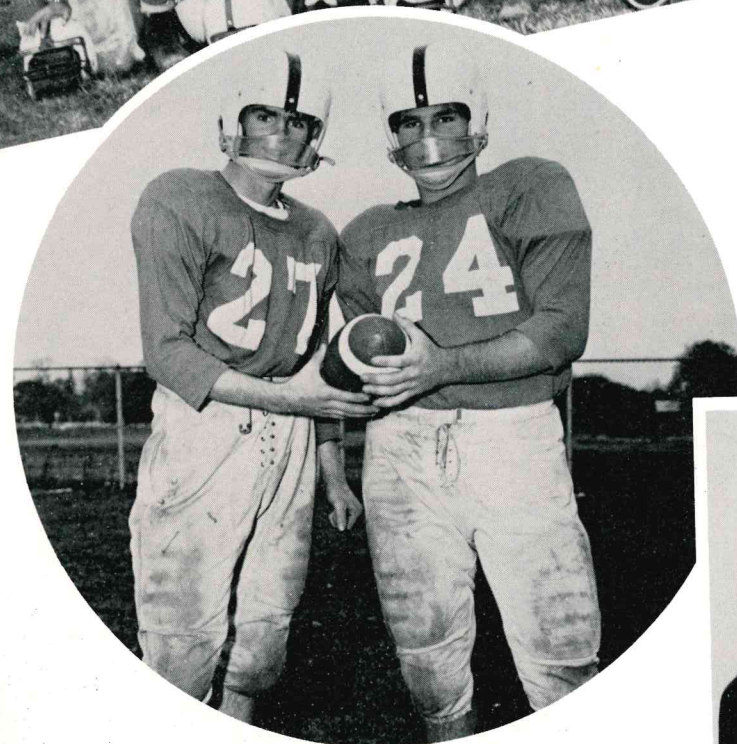

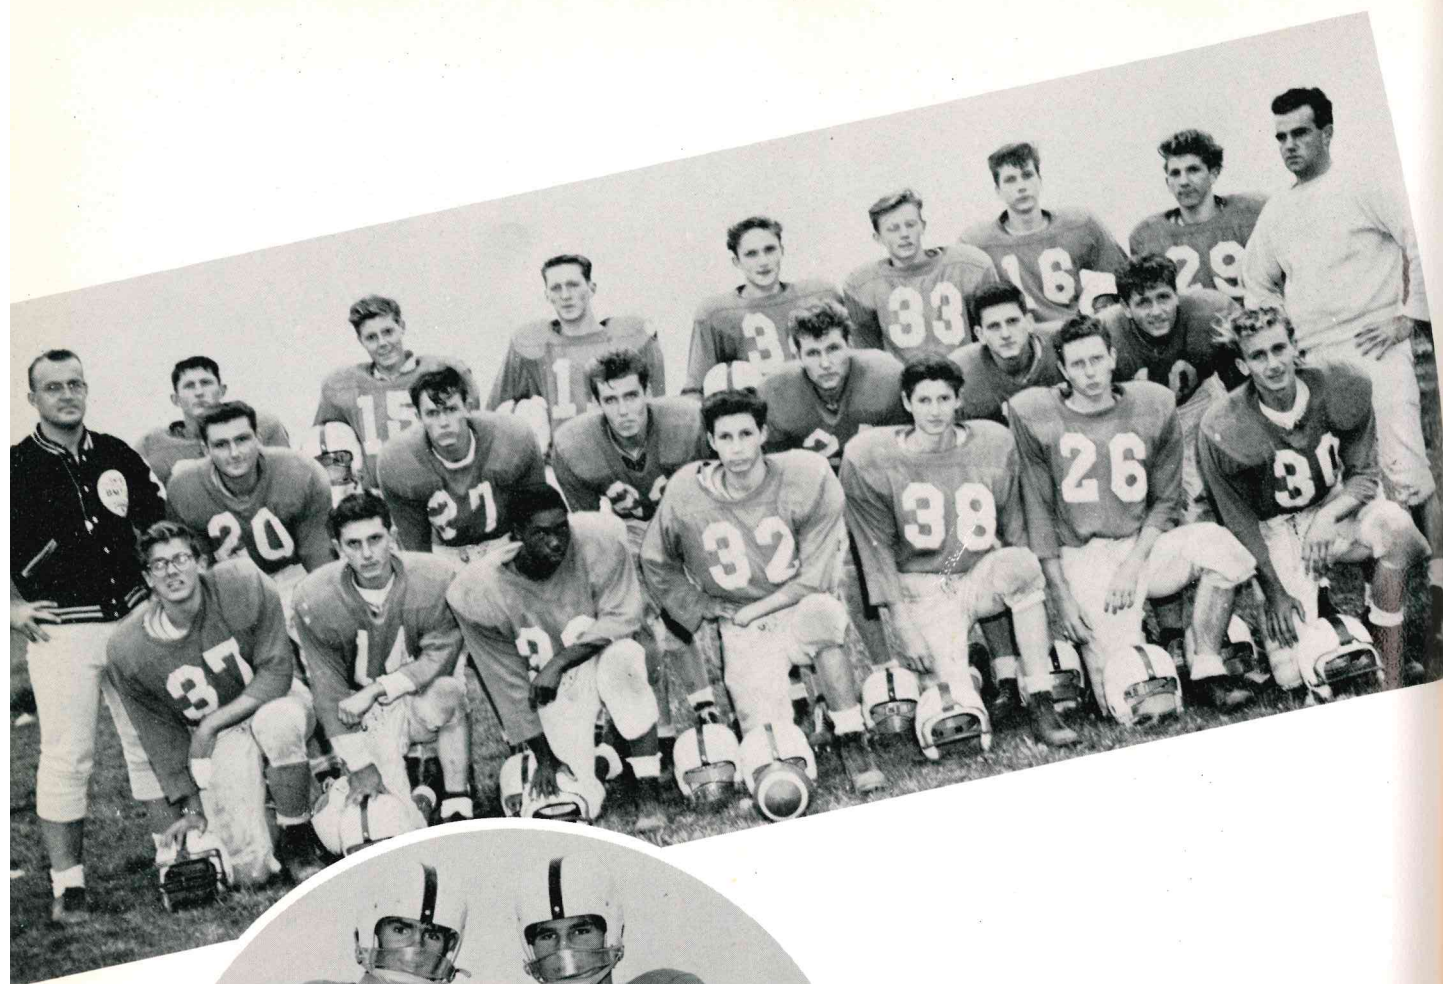

George Kuziw, Gene Barry, and Charles Schmidt, three of the team's stars, were elected to the Suffolk County All-Star team. However, these boys were not the only reason for the team's great success. Such players as Ken Shaw, Tom O'Connor, Marty McGrath, John Horan, Joe Kelly, Tom Galan and George Lindgren also made up the starting eleven. A great deal of credit must be given to the other boys on the team because without their services the team definitely would not have been able to win the championship.

Coach Barlin contributes hustling and fine team-play as two of the main reasons for the team's fine success.

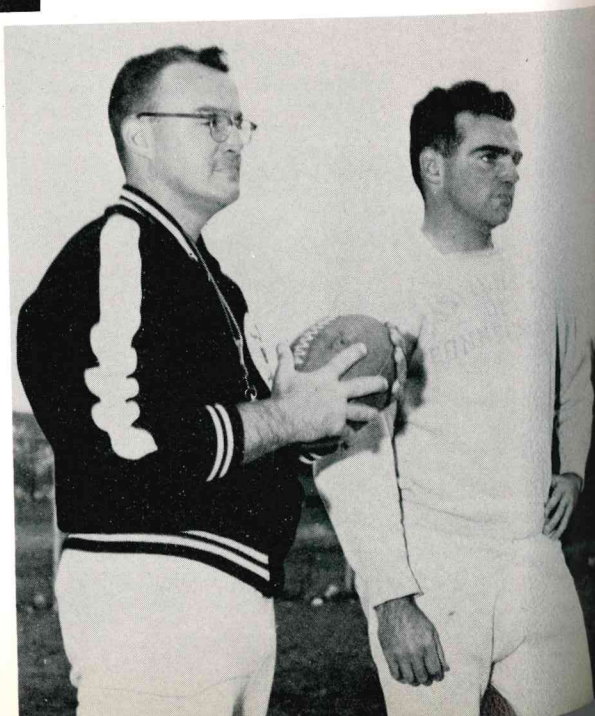

In the county championship game, which was played in Sayville, our team was defeated by Mattituck. The Central Islip boys took Mattituck into an overtime before finally being defeated—two to one. The goal for Central Islip was scored by Marty McGrath. George Kuziw, Charlie Schmidt and Ken Shaw all suffered injuries during the game which definitely may have hurt Central Islip's chances.

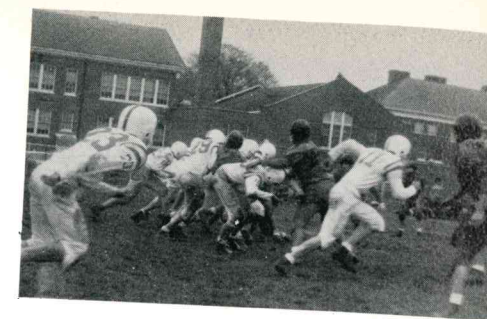

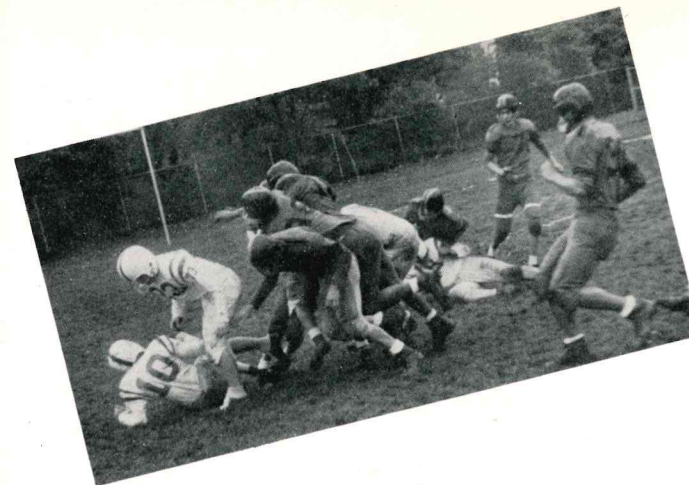

Co-Captains  
VIC PISANI and ED DALTON

Coaches  
WALT BOERI and ART McFARLENE

This year saw the arrival of Central Islip's first varsity football team. Despite the serious drawback of lack of experience, the team had a fine victorious season. A great deal of credit must be given to the coaching staff which was composed of Mr. Boeri, Mr. McFarlane, and Mr. Sullins.

The team's backfield had a great deal of depth. Vic Pisani and Ed Dalton were two hard driving and powerful backs. John Scarbeck, Leroy Smith, Wally Dee, Ronny Cushing, and Neil Ornstien were also exceptionally fine backs.

Bob Fishman and Lou Natalie were the ends, both boys being speedy and sure handed.

The line, although not exceptionally big, was composed of hard and clean blocking boys. Jungle Jim DiGangi, one of the team's future stars, is a six foot two, 220 pound tackler. Other linemen include John Behrens, and Bob Cassidy.

Next season every one of these boys will return, therefore it is quite safe to say that we may anticipate a very successful gridiron season.

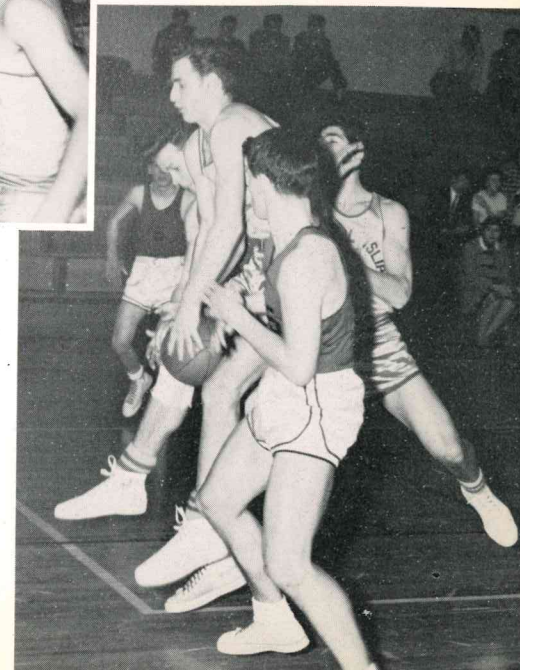

# Basketball

The Basketball team at Central Islip High this year was terrific! Basketball has always been a favorite sport with the kids and this year was no exception.

Our boys netted the A-3 league title with a tremendous 9-1 record. Outstanding players like Charles Schmidt, Ken Shaw, and Tom Galan (the three Musketeers) made life sweet for Mr. Armata, our able coach.

## Junior Varsity Basketball

Our J. V. Basketball team this year had an astounding record. The games they played were always exciting and entertaining. They met with heavy competition but their good spirits and sportsmanship kept them on top, even when they lost.

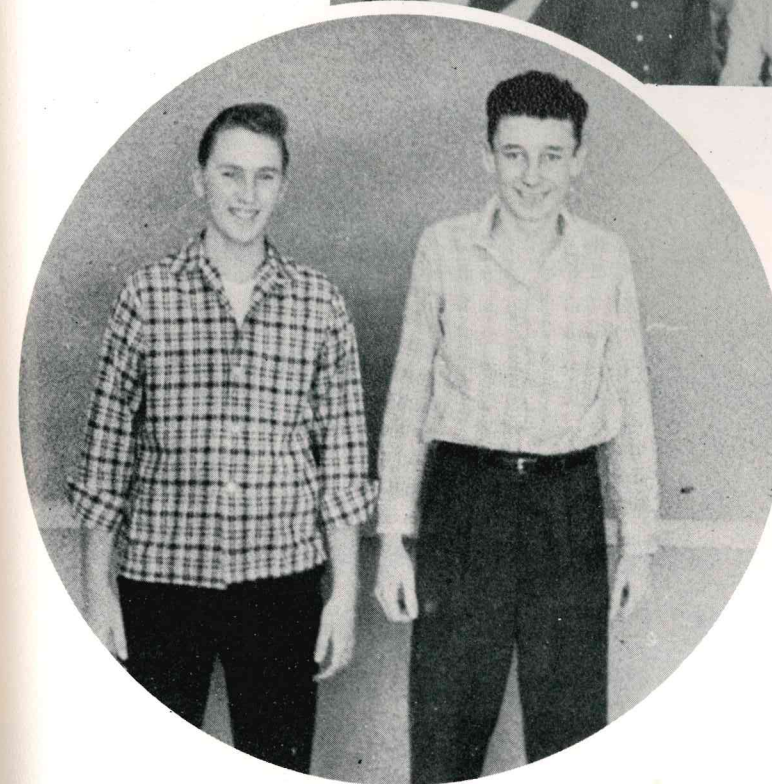

"Fight, Team, Fight!"

## Bowling League

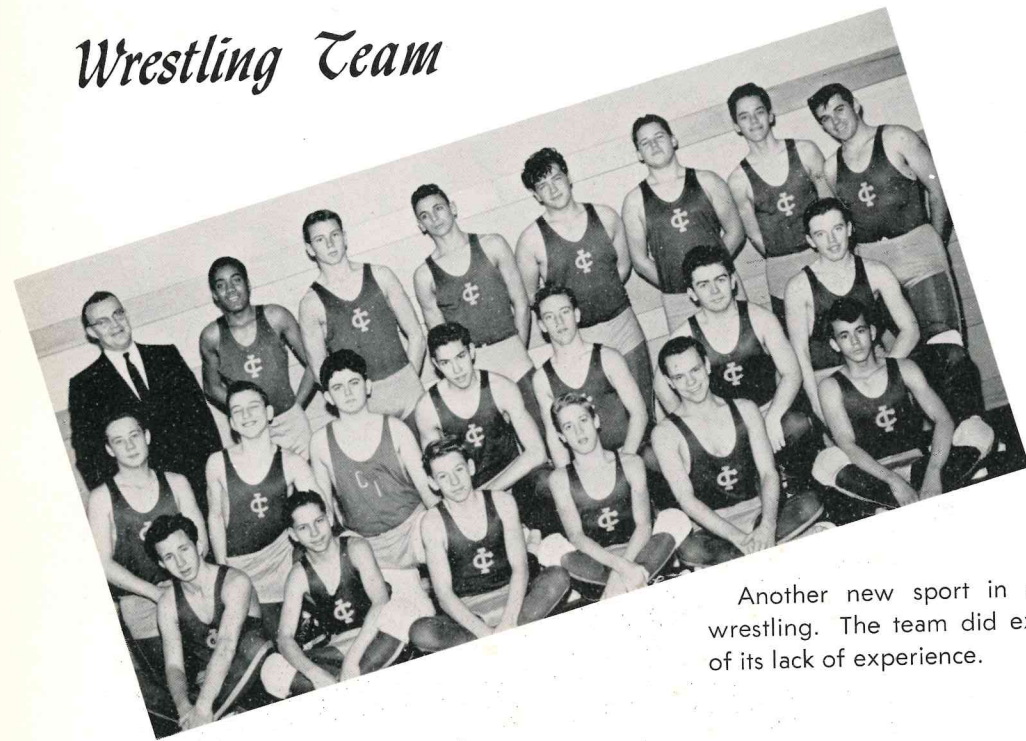

Centered at CARLETON LANES here in town, the bowling teams are made up of students from Central Islip High. Competition is keen and rivalry among bowlers produces an enjoyable time. It is sanctioned by the American Junior Bowling Congress . . . Look for future winners in this group.

High series—PAUL ZORN  
High game—PHIL HAMPTON

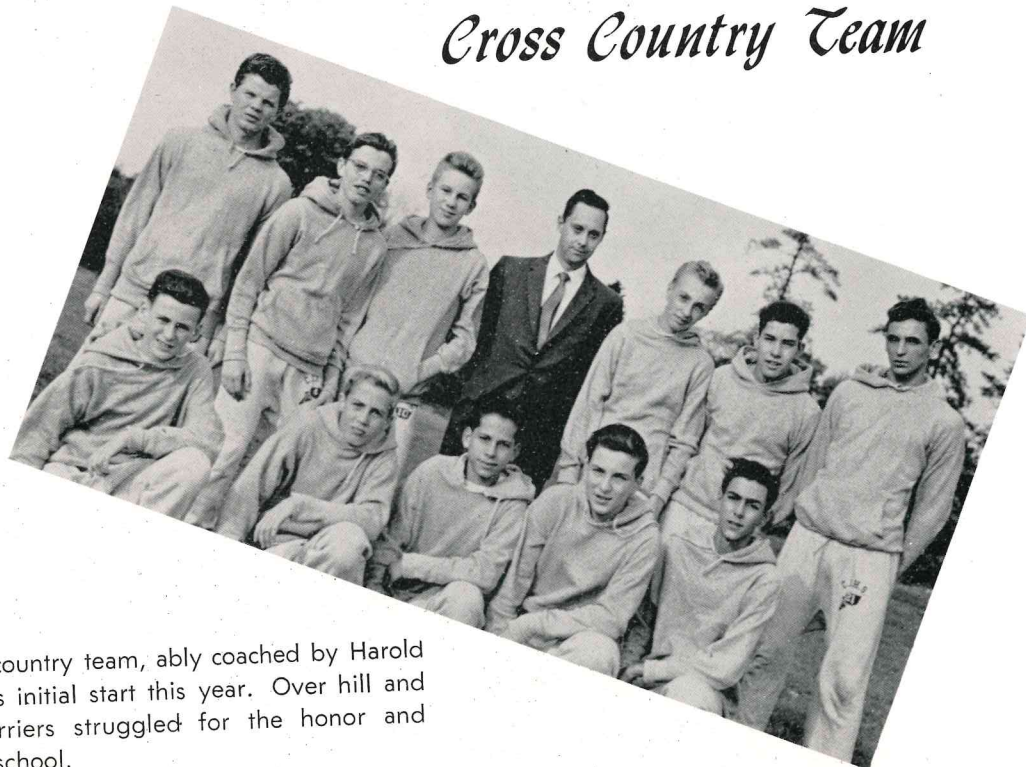

## Wrestling Team

Another new sport in school this year was wrestling. The team did extremely well in spite of its lack of experience.

## Cross Country Team

The cross-country team, ably coached by Harold Miller, got its initial start this year. Over hill and dale the harriers struggled for the honor and glory of our school.

Members of the team and the coach, Mr. Miller.

## Golf Team

For the first time Central Islip is going to compete with other schools on a varsity level in Golf. Ably coached by Mr. Miller, the boys have a promising future and should do well.

## Tennis Team

The Tennis Team got its initial start this year under the direction of Mr. Harold Sorenson. The whole school is hoping that the team has a fine, victorious season against stiff competition.

Members of the Tennis Team and the coach, Mr. Sorenson.

## Baseball Team

The Baseball team at Central Islip had a very good record last year. It was sparked by the outstanding pitching of John Scarbeck and John Horan. Vic Pisani was tremendous at bat as well as in the outfield. Seniors highlighted the games with George Kuziw in the outfield, Ed Donnelly at first, and Kip Myerhoff at third. This year Coach Armata's Musketeers move into a different league and we trust they will do as well as in previous years.

## Track Team

Central Islip's 1957 track team was a spirited and hustling one, and showed a great deal of promise.

The majority of the boys such as John Philips and John Haaga were competing in the meets for the first time. The team is sure to improve greatly with time for, as the boys gain experience, they will improve in ability and poise. Mr. Miller contemplated Guy DiRicco as being one of his future great stars.
