YOUR TREASURE CHEST

Make for yourself a treasure chest,
But not for gems and gold—
Fill it with things more rare and fine,
As full as it will hold.
Into it place your kindly thoughts,
Of friends whom you hold dear,

The classes, the teachers, the happy hours,
That fill your life with cheer.
And then if dark days come along
And your bright prospects mar,
Open your treasure chest and see
How very rich you are!

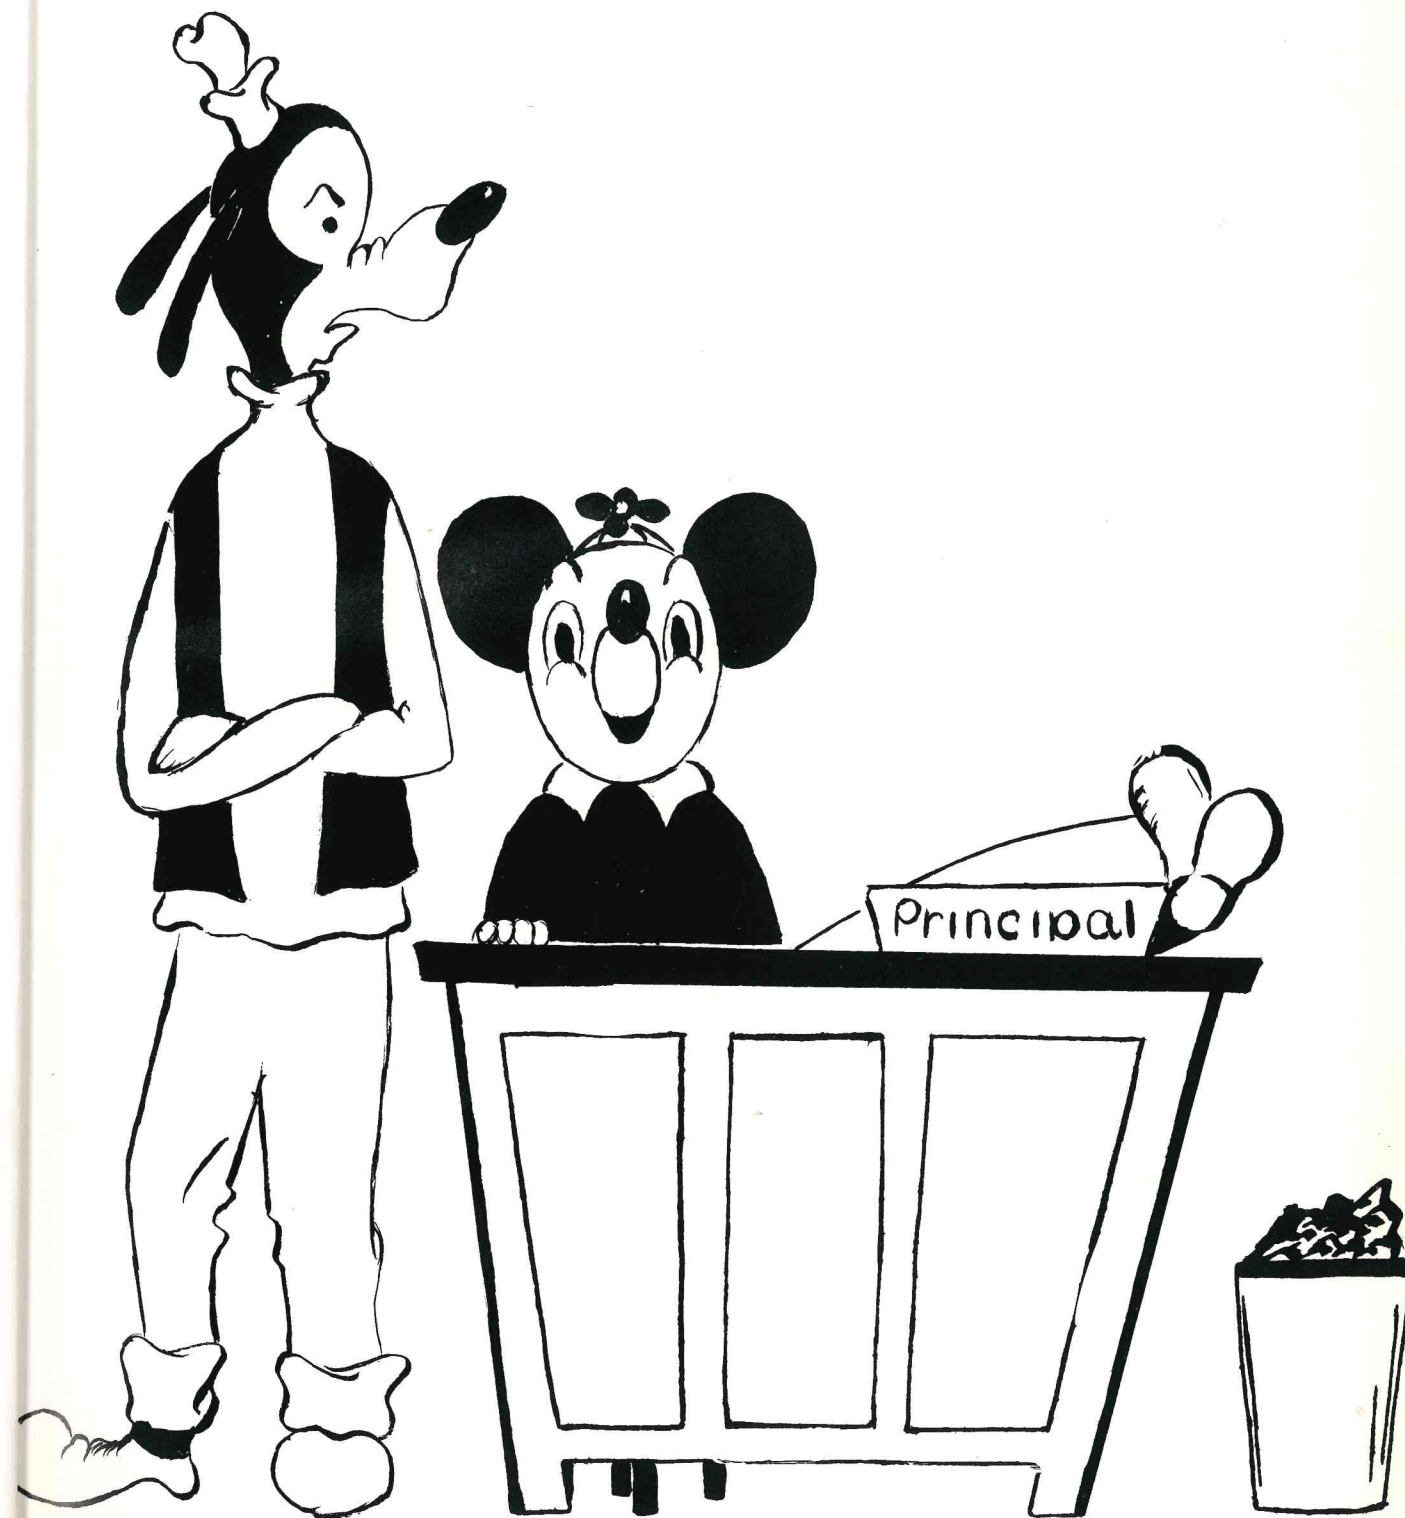

HAROLD "PA" SORENSON

We, the graduating class of 1959, extend our deepest gratitude to you for your helpful advice and sincere interest in us, our personal welfare and well-being, as well as our education.

You will always be at the top of the list of our fond memories of Central Islip High. No words can express our gratitude to you.

May I extend my heartiest congratulations to the graduating class of 1959. I am personally proud of your scholastic achievements and will continue to interest myself in your future.

The opportunities facing you are unlimited and your future will be secure if you maintain a pursuit of knowledge.

As Seniors you have undoubtedly realized the value of gaining learning here at Central Islip, and a continual quest will surely reward you with a wonderful and fruitful life.

MR. WALTER L. MIREY, JR.
Central Islip High
School Principal

Message

It has been a pleasure working with you over the last three years. I feel that many great strides have been taken with your assistance.

The general appearance of the student body has improved with the trend toward better grooming and more care taken as to dress and manners.

It is very gratifying and encouraging to have other schools with whom we participate in sports, remark about our improved behavior, appearance and sportsmanship. There is a certain amount of pride that makes one glad to be considered a "Musketeer."

Scholastically we have been able to gain recognition with a continued increase in regents diplomas being awarded and more pupils winning scholarships and being accepted into institutions of high learning.

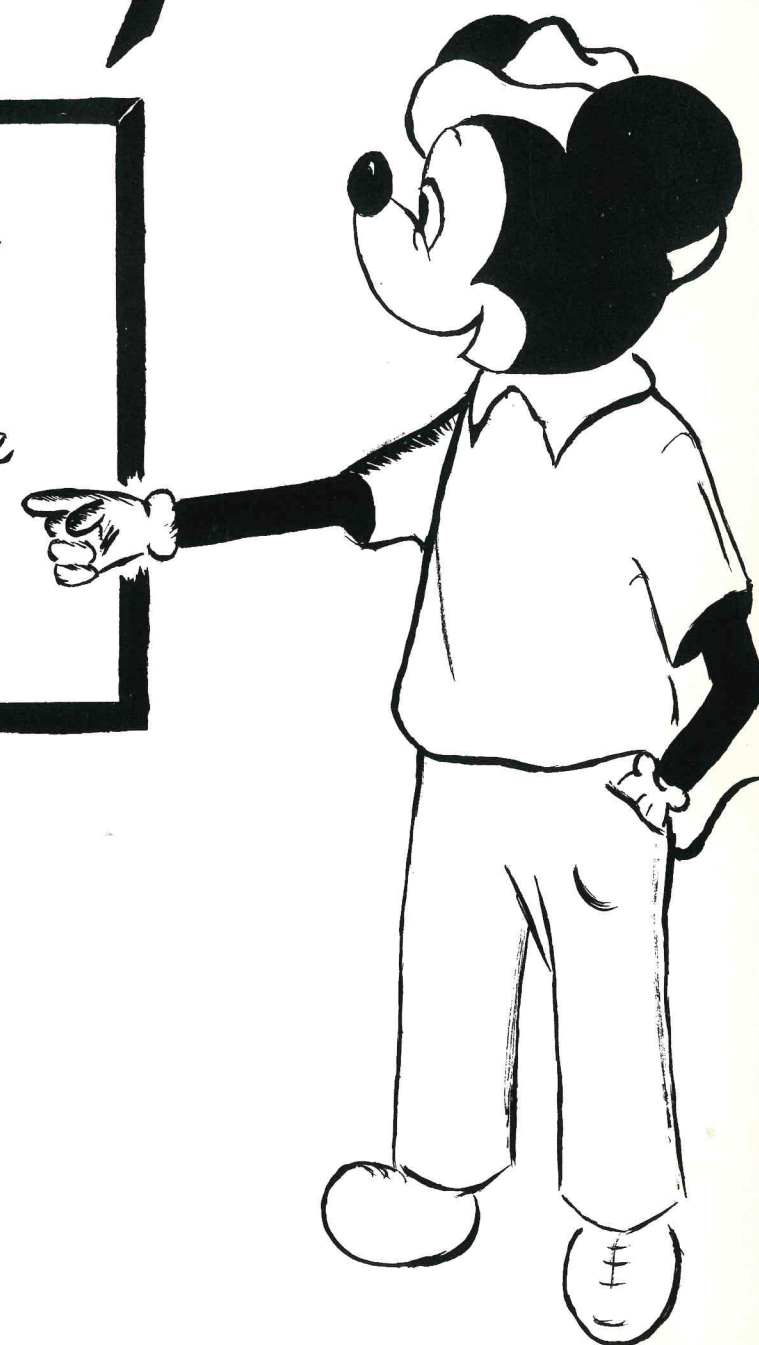

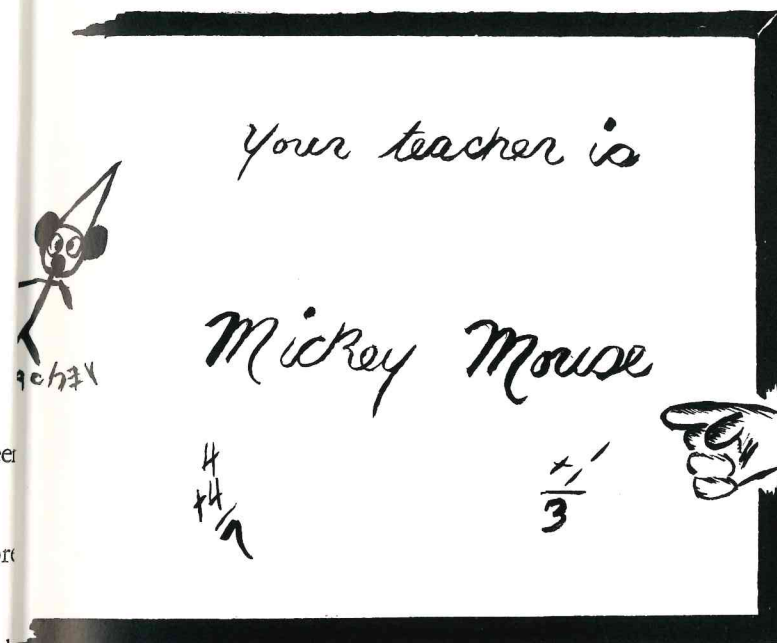

Socially the proms and dances have been well attended and conducted properly.

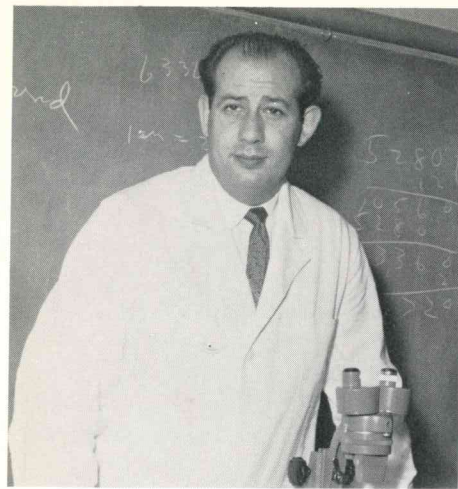

I must give this year's Senior Class a great deal of credit for the many changes that have taken place. You as individuals have played an important role in this development and I wish to thank you for your fine cooperation.

As you leave us to go out into this world to your jobs, positions, armed forces, and institutions of high learning we hope you will continue to hold your heads high and remember once a Musketeer always a Musketeer and always be proud to be one.

Sincerely yours,
Your Principal
Walter L. Mirey, Jr.

These are the cheerleaders our school is so proud of. They have cheered our teams through many crucial games. These girls have worked hard to keep team morale up.

Our volleyball team this year was among the best. Its ability was shown at volleyball playday when it played several good games.

There's nothing like a little ball and bat to have fun. Softball, along with the nice weather, created excitement and laughs.

Basketball is as popular among the girls as it is among the boys. Here we find the honor team practicing for the big day—Basketball playday.

Although more time was spent retrieving lost birdies than playing the game, badminton was a great success.

Activities

LIBRARY CLUB

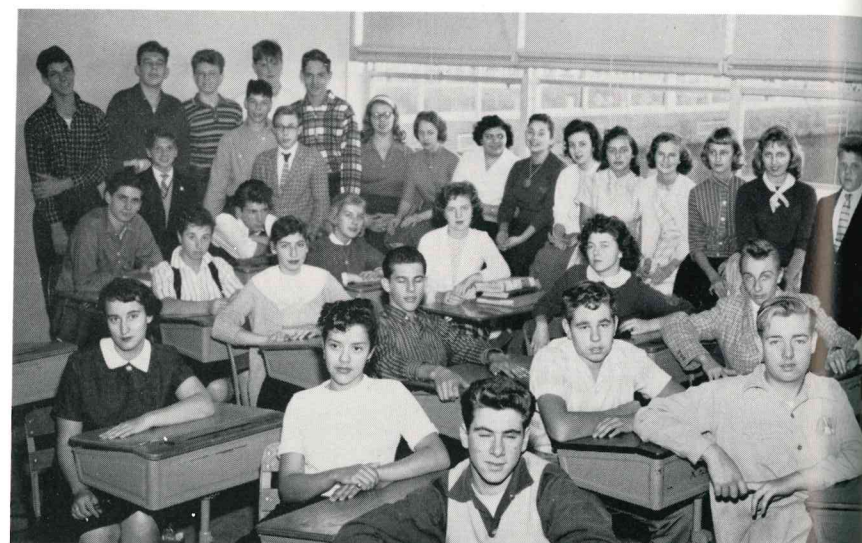

Training future librarians is partly the purpose of our library club headed by Miss Rosemary Curran. More important however, it helps to develop selective readers. This club has made many good books more accessible to the student body.

HONOR SOCIETY

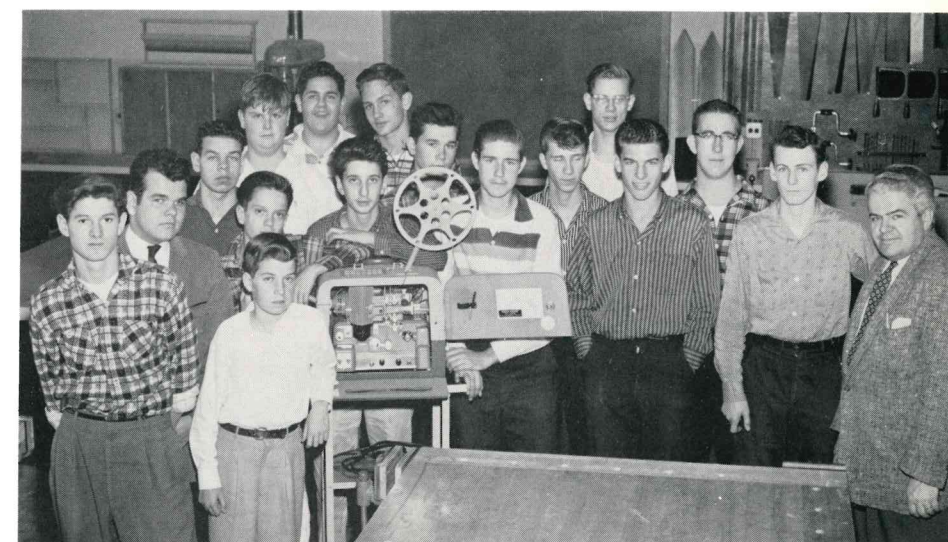

The Honor Society is composed of those students who have attained such qualities as character, service, scholarship, and leadership. Our chapter is under the guidance of Mr. Kustoff, Mr. Nicholson, and Miss Mannix.

If world events are on your mind, this club is very able to discuss them readily under Mr. Katz's guidance.

CURRENT EVENTS CLUB

The projection club makes it possible for the high school to enjoy the short movies that we see in class and the football films we all found so interesting. Mr. Christian lends a helping hand to the club.

PROJECTION CLUB

STUDENT ORGANIZATION

These are the officers and advisors of the student organization. They meet to consider problems referring to all phases of school activities. Mr. Barlow, Miss Yearsly and Mr. Mark are the helpful advisors.

SHADOWS STAFF

Under the very able direction of Miss Cote, Mrs. Gold, and Mrs. O'Pezio, this club continues to publish our ever-growing newspaper, the C.I. Shadows.

PHOTOGRAPHY CLUB

Photography, after one learns the tricks of the trade, can be very interesting. Some members also feel that knowing how to develop your own pictures can be very economical. This club is under the direction of Mr. Miller.

SCHOOL STORE

To purchase tasty goodies, the School Store is very handy. Mr. Rosenthal is the chief salesman.

Our Home Ec teacher, Miss Natus, makes this club an interesting hobby and very enjoyable for the girls who participate.

ARTS AND CRAFTS CLUB

Seniors occupy desks that are placed in the halls near the doors in case people are looking for directions.

HALL DUTY

GLEE CLUB

Here are the voices of tomorrow under the leadership of Mr. John Meade.

DANCE BAND

The dance band is composed of the very talented students of Central Islip. They have played for many of the school activities and dances.

MARCHING BAND

Our school marching band, under Mr. Meade's leadership, has attended many of our important football games. This group has helped considerably to increase the team morale.

Under the direction of Mr. Kustoff, the student members are able to learn Latin American customs, enjoy Spanish music, and see Spanish movies.
