coaches hector, o'dell, gordon

the musketeers, led by coach goldstein, opened a tough schedule against powerful mac arthur from nassau, winning by a score of 26-0. a convincing victory over deer park followed. a defeat of league-champion bay shore by a score of 25-0 was proof that c.i. was the team to beat. babylon was defeated by a score of 6-0. the next game proved disastrous as a powerful half hollow hills squad defeated c.i. 26-6. sachem fell victim to c.i.'s revenge as the musketeers romped over the opposition 32-18. at the traditional thanksgiving day game a confident pat chogue defeated c.i. 18-6. coach dave goldstein has compiled the outstanding record of 54 wins, 13 losses, and 3 ties over a ten-year-span.

the soccer team began a rebuilding year in '68. because of lack of experience and a tough league II, the team had a disappointing season. a bright spot was a 1-0 defeat over the first-place west babylon which kept that team from competing in the county playoffs. hopefully 1969 will bring a league championship to c.i.

*most valuable
player awards*

at the end of each sport the coach of the varsity team usually chooses a most valuable player—a girl who not only played her best, but who also was an asset to the team as a whole. the team coaches found it difficult to single out most valuable players this year because of the increased team effort displayed.

miss collis, who has taught in central islip for a number of years, was president of the association last year. miss mcintyre and mrs. garofalo are new to our teaching staff this year.

s.c.g.a.a.

the suffolk county girls athletic association has a membership of 35 high schools. because of its growth in the past few years, the association is divided into five leagues. central islip along with six other schools make up league II. its purpose is to provide a unifying organization for intramural and interscholastic programs and to promote the ideals and aims of physical education.

gold key awards

each girl is accredited with points for each sport in which she has participated. a maximum of 55 points is given for each of these sports. a gold key is the coveted award given when a total of from 200-600 points is acquired according to the pro-rated scale. thus, anyone is eligible regardless of when she began attending c.i.h.s.

bowling beginning in november and lasting for ten weeks. bowling is solely an after school sport. teams are formed and compete against each other. each girl bowls three games a week. bowling intramurals are held at the kozy ten lanes.

gymnastics as well as being performed in class, gymnastics are held after school for all who wish to join this intramural sport. c.i. did not participate in any gymnastic interscholastic competition this year.

this year's hockey team was the best in a long time. the team's record stood as one win, three losses, and one tie. for the five games played, the team scored eleven goals and allowed fifteen goals to be scored against it.

there will be only one member not returning next year, therefore the team won't have to be rebuilt. the c.i. girls' hockey team hasn't won a banner since 1959. maybe next year they will.
