Dedication

Peace is found singular:

You find it yourself.

But only when it is shared

between two people,

Can we call it brotherhood.

And only when brotherhood

is shared between

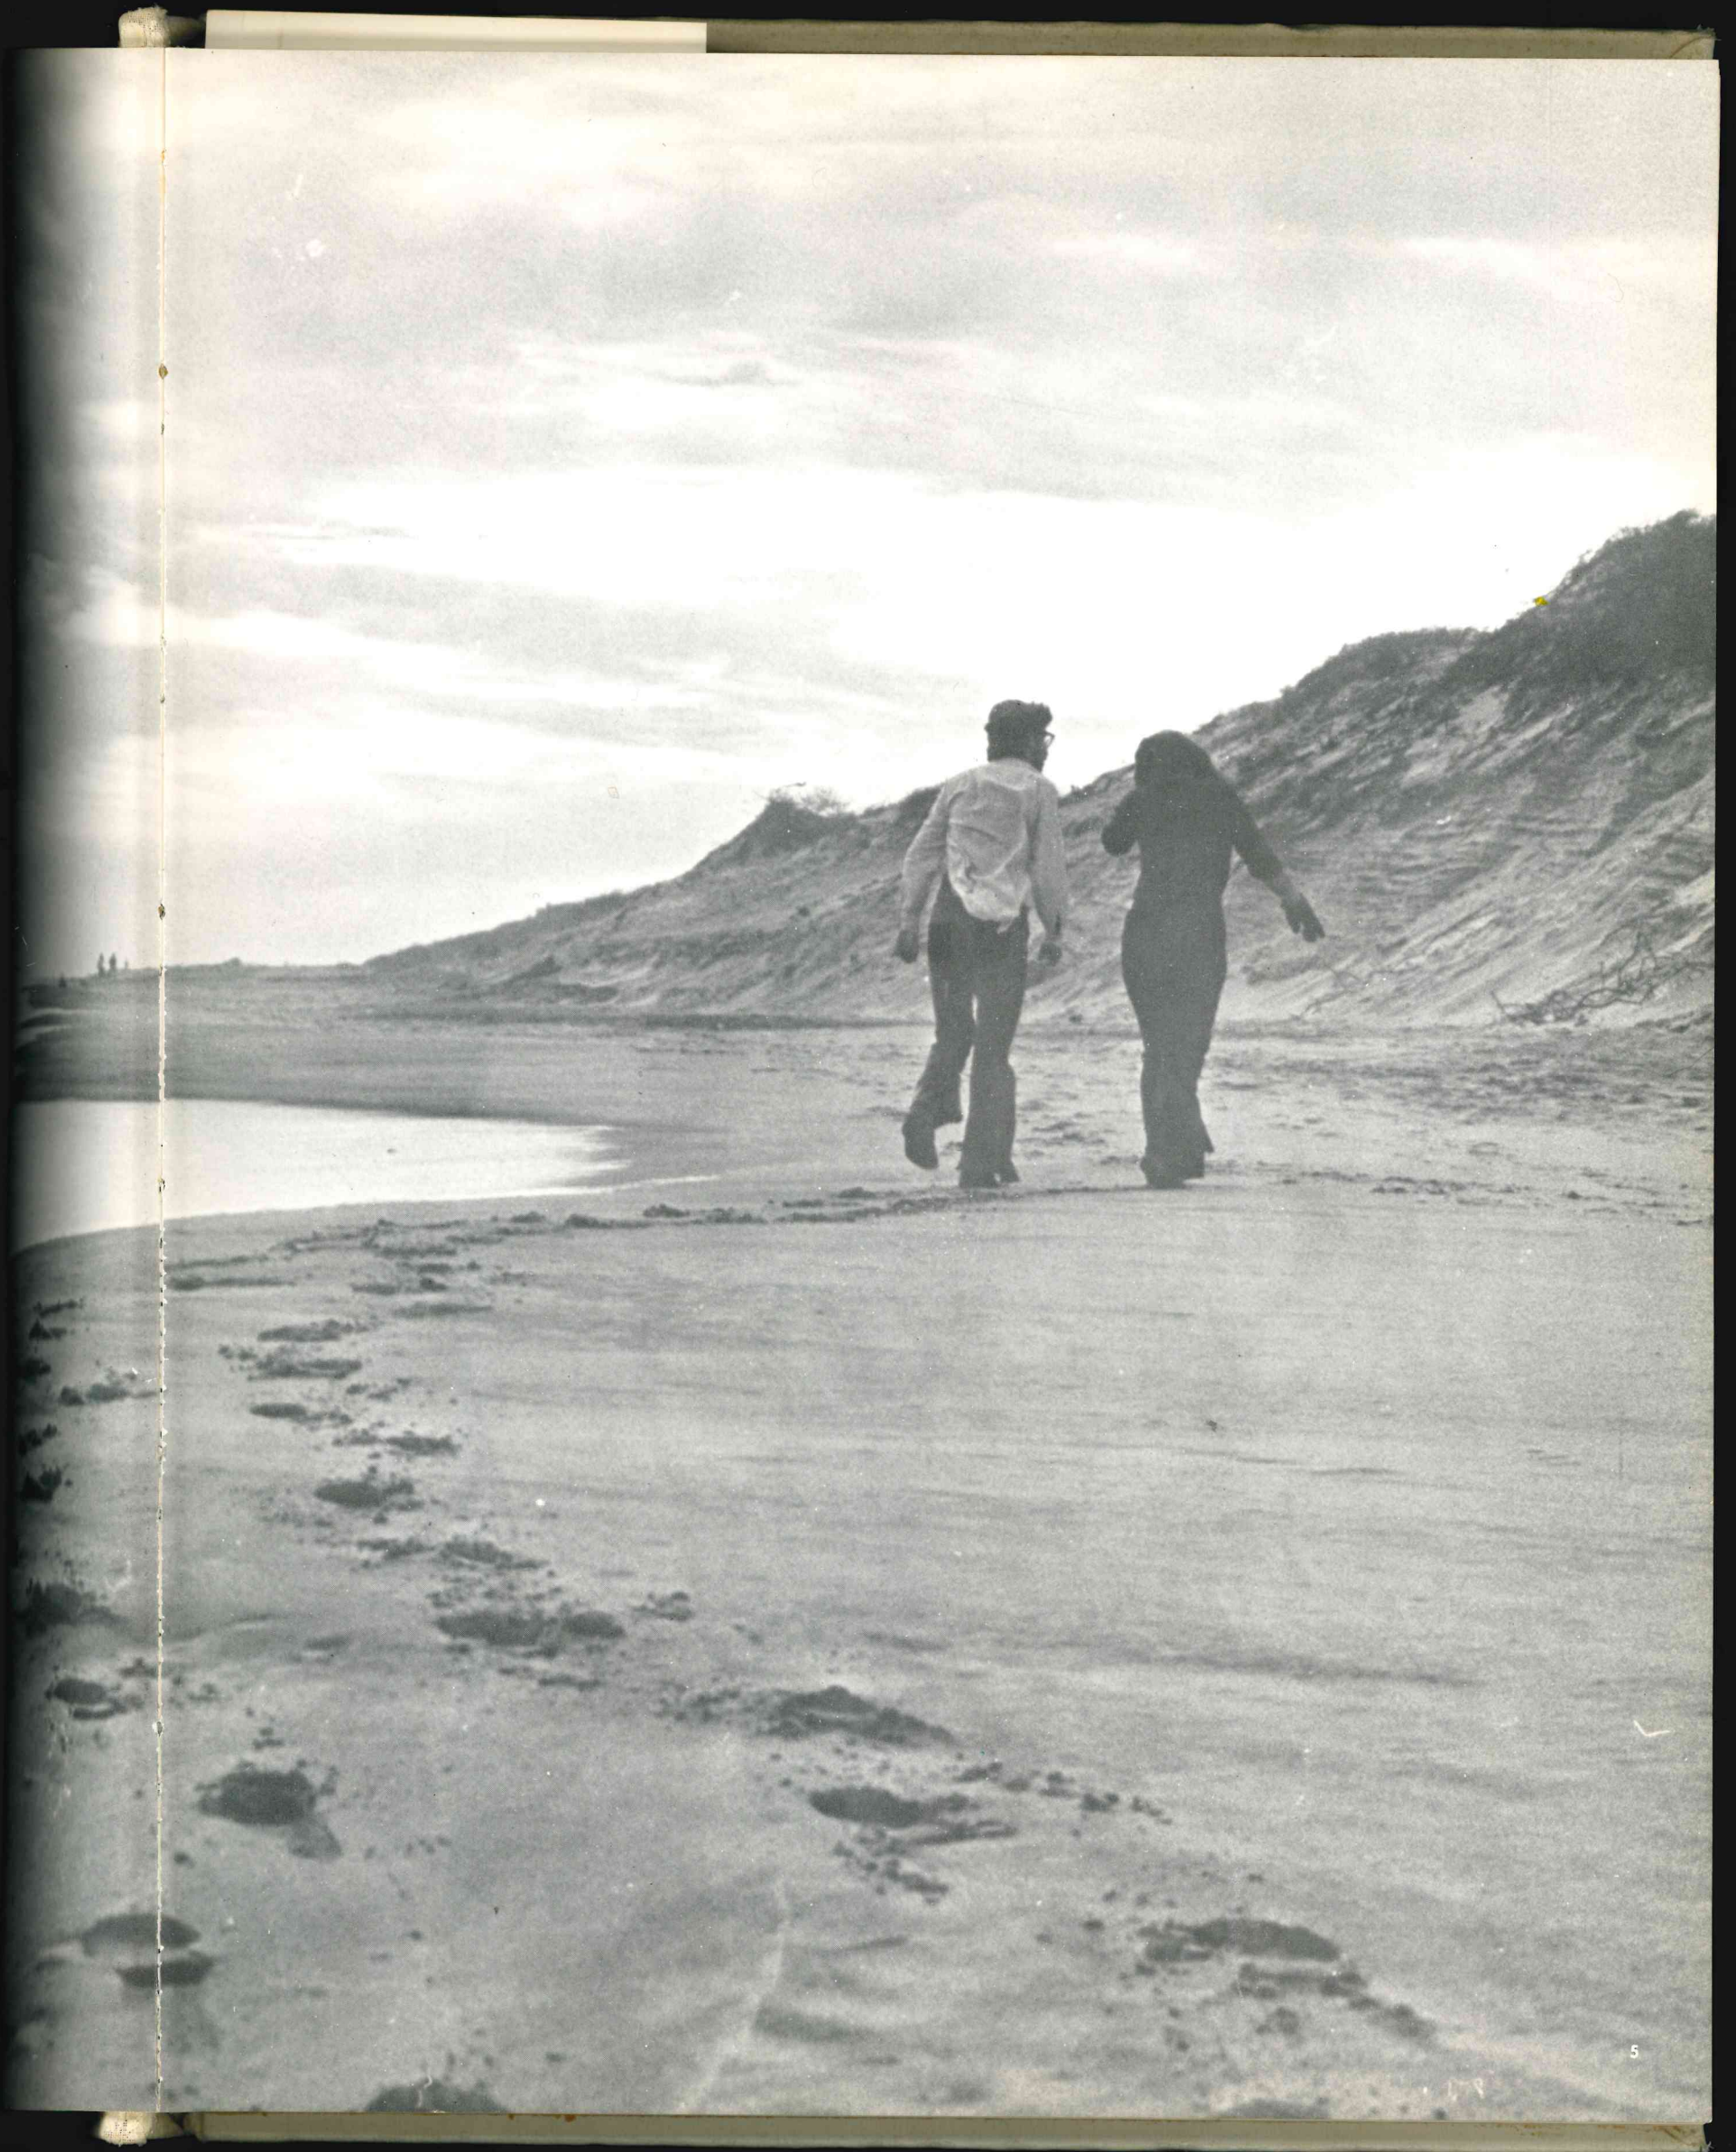

Nations, peoples of nations,

Can we say we have a world,

And not a collection of peoples.

R. DuBois

A great man once said, "True peace is not merely the absence of tension, but it is the presence of justice and brotherhood."

One can say "No man is an island" or "I don't want to get involved." One can say "We can work it out" or "We can fight it out."

It sounds so simple. Let's give peace a chance!

I was hungry and you fed me, thirsty and you gave me drink;
I was a stranger and you received me in your homes, naked and you clothed me;
I was sick and you took care of me, in prison and you visited me.

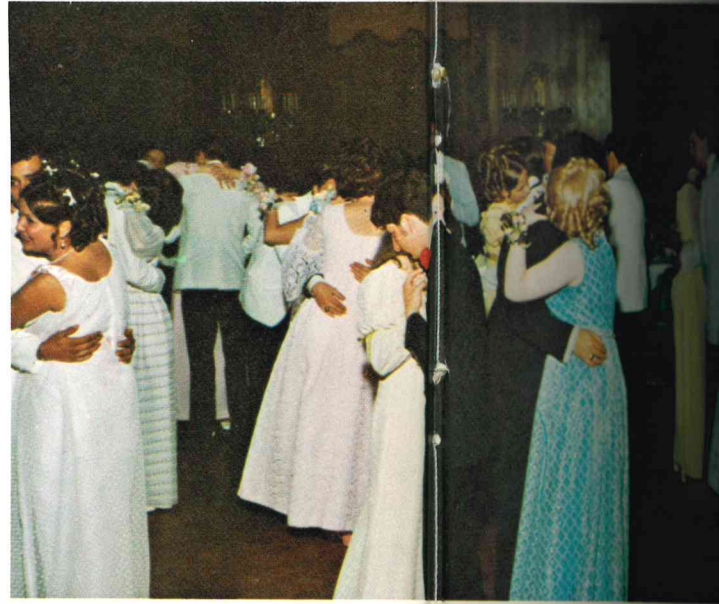

Matthew 25: 35-37

No man is an island;
No man stands alone.
Each man's joy is joy to me;
Each man's grief is my own.
We need one another;
So I will defend
Each man as my brother,
Each man as my friend.

Hey Celine, remember when we couldn't wear rubber bands in our hair? And how many of you St. Johnnies remember how to fold your page in four columns? Don't forget the secret forgings of our parents' signature on those tests. How can we ever forget those glorious beanies the girls had to wear (the ones the boys always threw in the incinerator)! One memory that I'm sure is prominent in all of our minds is the "Good Moooooooooring, Sister" with which we greeted each nun as she entered the room. Oh! Here's a charm for those nightingales of the St. John of God Choir: Remember when Mr. Elliffe played the organ with his shoes off?!!!

And then came that day in June, 1967. We all thought we were grown up and ready to break into that world of tall people. Well, here we are again, four years later, thinking the same thing, anxious to explore a new world of people, places, and experiences.

Primero tuvimos una comida española en que saboreamos exquisitos platos de diferentes países. Luego fuimos a la ciudad de Nueva York para ver en el teatro la obra "Don Quijote de la Mancha."

Ahora en pocos días iremos a ver una exhibición de artistas españoles en la Sociedad Hispanica de Nueva York. En esta exhibición veremos las pinturas y esculturas de famosas artistas de Latino Americana. Algunos de estas famosas pinturas son Goya el Greco, Velasquez, Diega Rivera, etc.

Last spring Joe Feller, John Ursitti, and Jim Phillips finished among the top fifteen in the Port Jeff Marathon. During the summer Feller and Ursitti each ran 1000 miles in training for the fall.

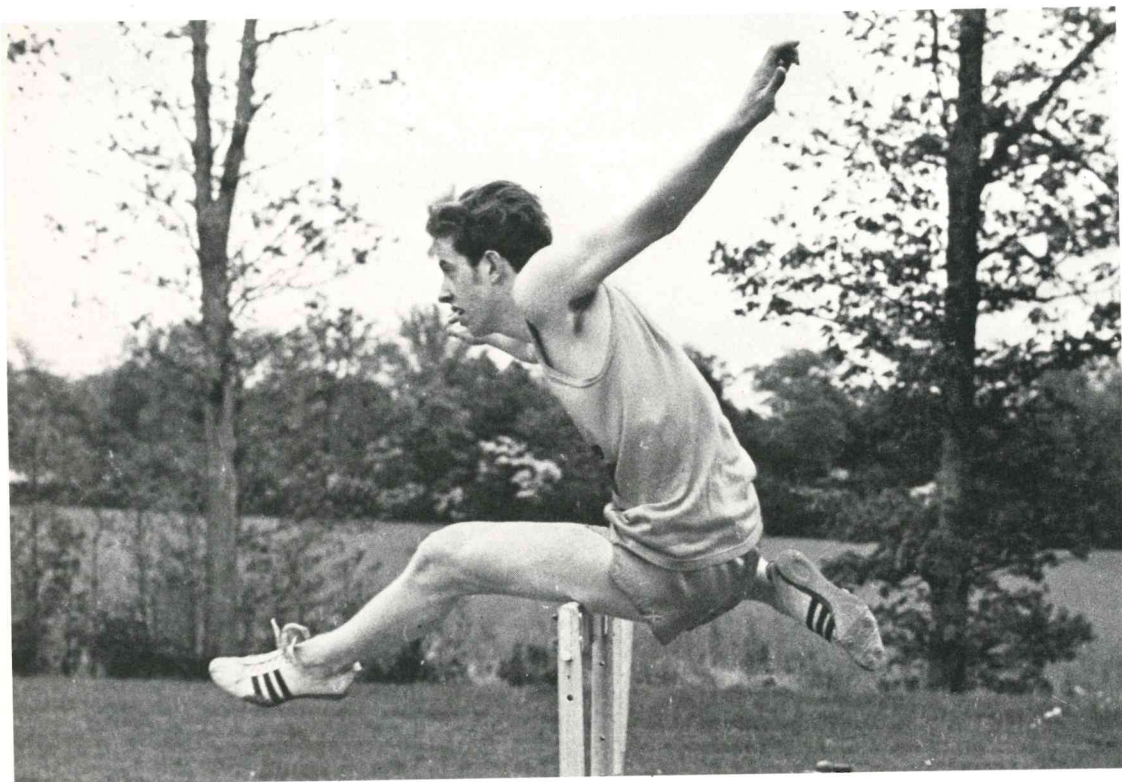

Practice session on a beautiful day. But even on bad days the running goes on.

Feller was undefeated in dual meet competition, won the League III Championship Meet and the George Hull Race, was a Medalist in the Nassau Coaches Invitational Meet and the Hauppauge Invitational. He finished fifth in the County Meet to qualify for the N.Y. Intersectional Meet; his time of 13:09 was third fastest in Suffolk this year.

The 1970 Central Islip Track Team had a fine season finishing third in League II behind strong Bay Shore and Sachem teams. Outstanding performances were contributed by Willie Daniels in the 100 yards, 10.2, and Don-

ald Bachman and Ed Hanna in the pole vault, tying the school record at 11' 3". The team shows promise to be a contender for the League III Track Title this year.

The staff of Treasures 1971 would like to thank its advisors, Mrs. Taylor and Mr. Byrne, for their encouragement and unending good humor. They prodded us when we needed prodding, taught us when we needed to be taught, praised us when we deserved praise. We never could have done it without them!

This year the Treasures sends its farewell and best wishes to Mr. Robert A. Faller, our photographer for 20 years. His friendly face and camera will long be missed in the halls of Central Islip High School.

And last, but not least:
GOOD LUCK TO THE STAFF OF
TREASURES 1972. HAVE FUN!
