The Yearbook Staff
Junior High
Central Islip

We are grateful to all of those who have given their efforts that we may have this record of events of this school year. I am sure that this yearbook will serve as an inspiration to those who will have the same responsibility in the future years.

I would like to express my appreciation and that of the faculty to the students for their splendid and untiring efforts to make ours a great school. I will long remember this as one of our brightest years.

Thanks to each of you for making this possible.

— Dedication —

The graduating class of 1974 is especially honored to dedicate this yearbook to Mr. John B. Roache. Mr. Roache has been a member of the faculty for eight years, and during that time has demonstrated a deep understanding of students, their problems and aspirations. He has given fully of his time in the classroom, and found further time to interest himself personally in all pupils with whom he had contact. A visit to a student's home to help solve a problem was the rule, rather than the exception, with Mr. Roache.

We are proud to have had a teacher of his professional abilities and devotion to pupils as a member of our faculty.

Although he is officially listed as Mr. John B. Roache, faculty colleagues and friends, all of whom hold Mr. Roache in high esteem, refer to him by his nickname, "Ben."

We, the graduating class of 1974, also hold Mr. Roache in such high esteem, and respectfully wish "Ben" continued success in his future life and educational career. We thank him for his unselfish efforts with us, "Good Luck 'Ben'."

Life

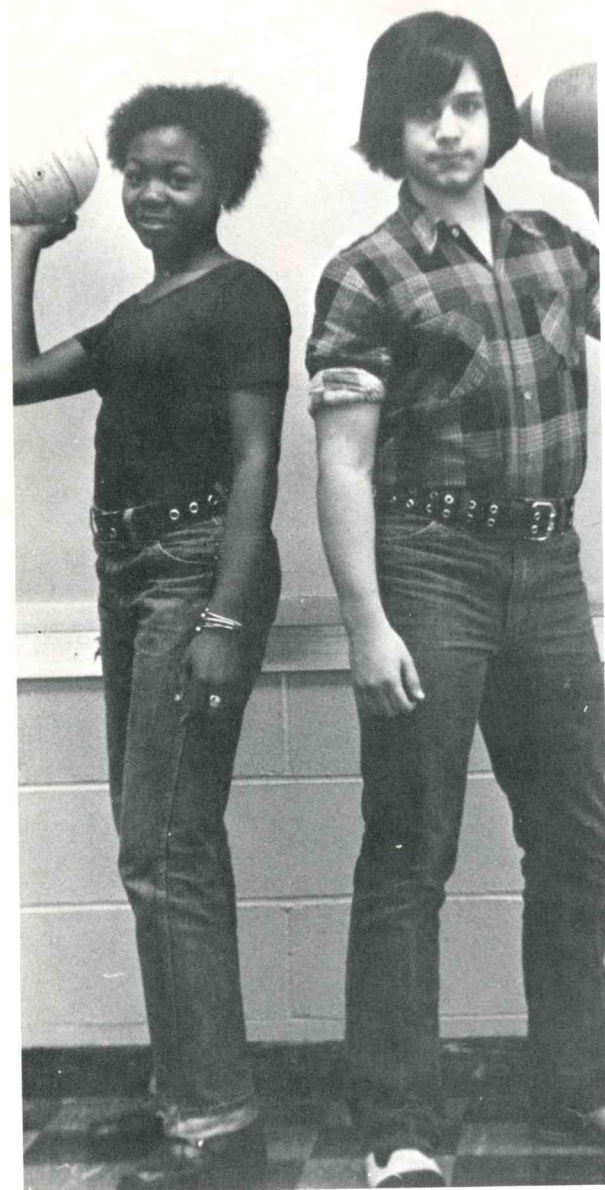

by Debbie Johnson

From the first second we are born we begin to live.
 But the hardships and striving to reach our destiny is life.
 Sorrow, gladness, working, talking that's life.
 The sensation of being is life.
 But what's to say how long we're
 Able to love, feel, touch and reach out.
 Man striving toward perfection,
 Reaching a common goal that's life.
 Through all the heartaches and glad times we live
 Nature and beauty and love is life.
 The sheer sensation of breathing, seeing,
 Touching, feeling, hearing, all this is life.
 So what is life?
 Life is what you make it.
 Life is YOU.
