YESTERDAY . . .

Yesterday, we were just walking on the unfamiliar grounds of Central Islip High School, full of curiosity, energy, and expectations. We had many hopes and dreams yet to be realized. The days were like years and the years seemed as if they would go on forever. The future and our graduation seemed so far away . . .

TODAY . . .

. . . Today, we are the upperclassmen, the seniors at Central Islip High School. We see the shadows of yesterday in this year's freshman class. We have matured and grown wiser as each year has passed. However, as we recollect on these moments, we know how short our time at Central Islip High School is.

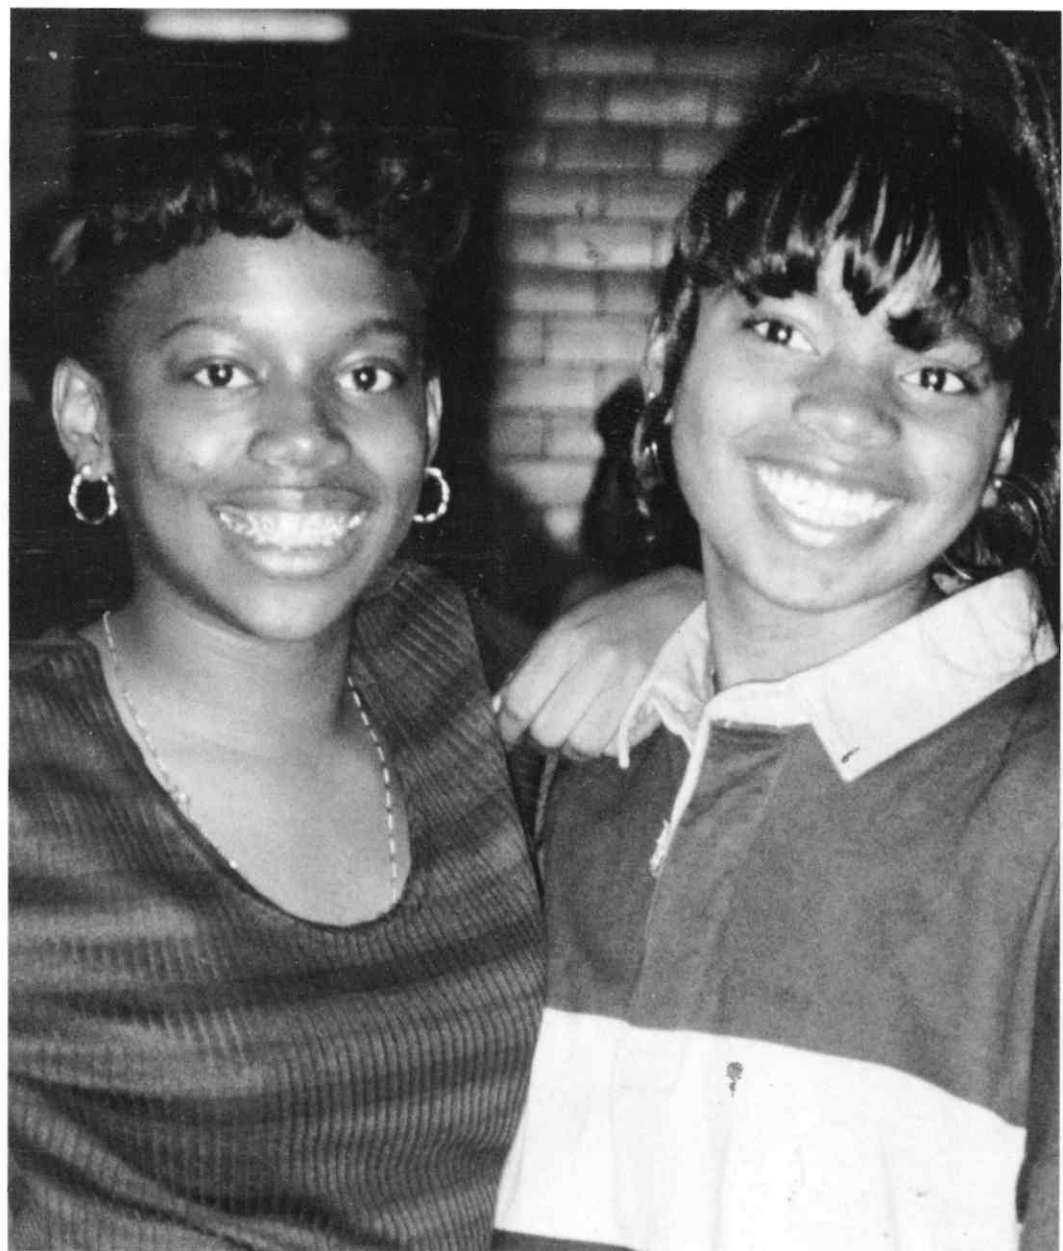

Perhaps this will bring a loud cheer or perhaps it will bring a moment of sadness as we realize this may be the last time we see each other as the Class of 1993. As each grain of sand trickles down the hourglass, let us remember these **TREASURED MOMENTS . . .**

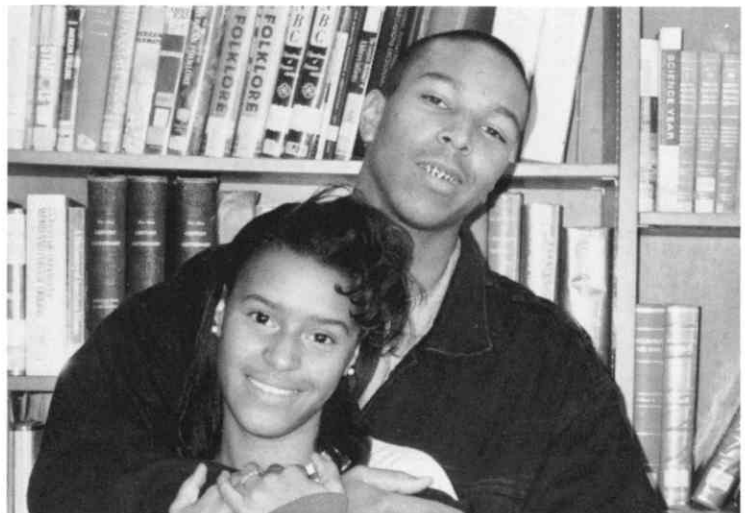

TREASURED MOMENTS . . .

FRIENDS

*I count myself in nothing so happy
As in remembering my good friends.*

-Shakespeare-

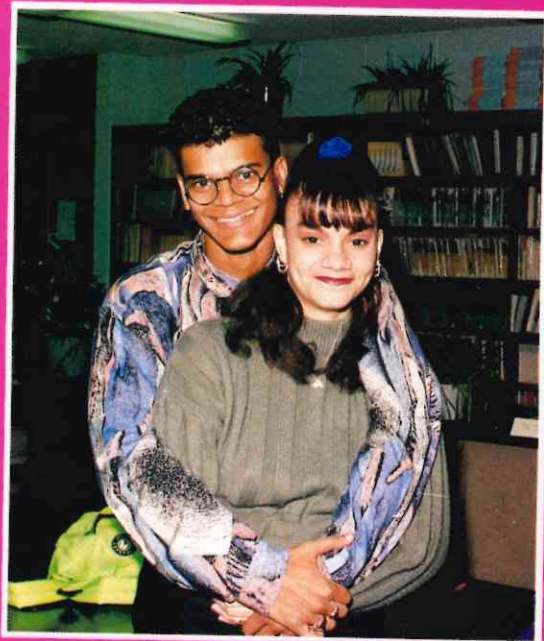

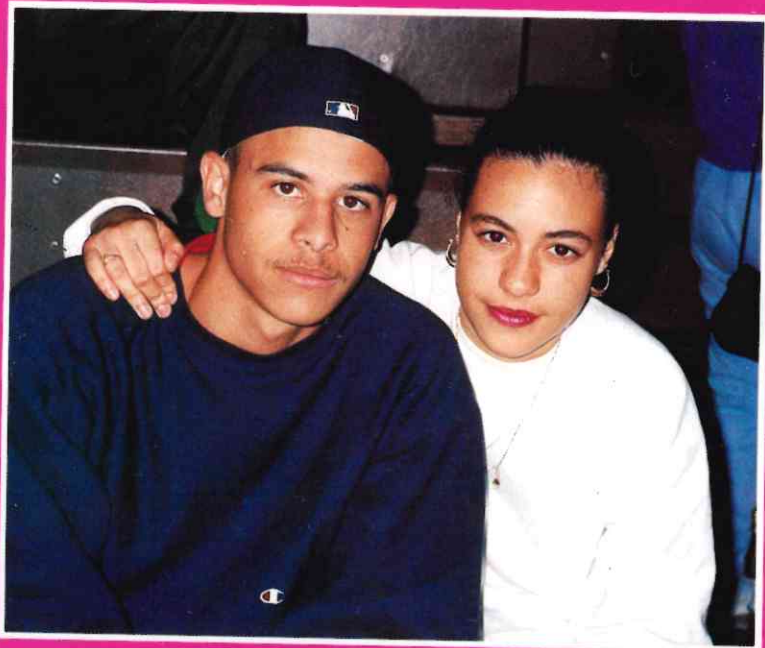

*It was the best of times
It was the worst of times*

-Dickens-

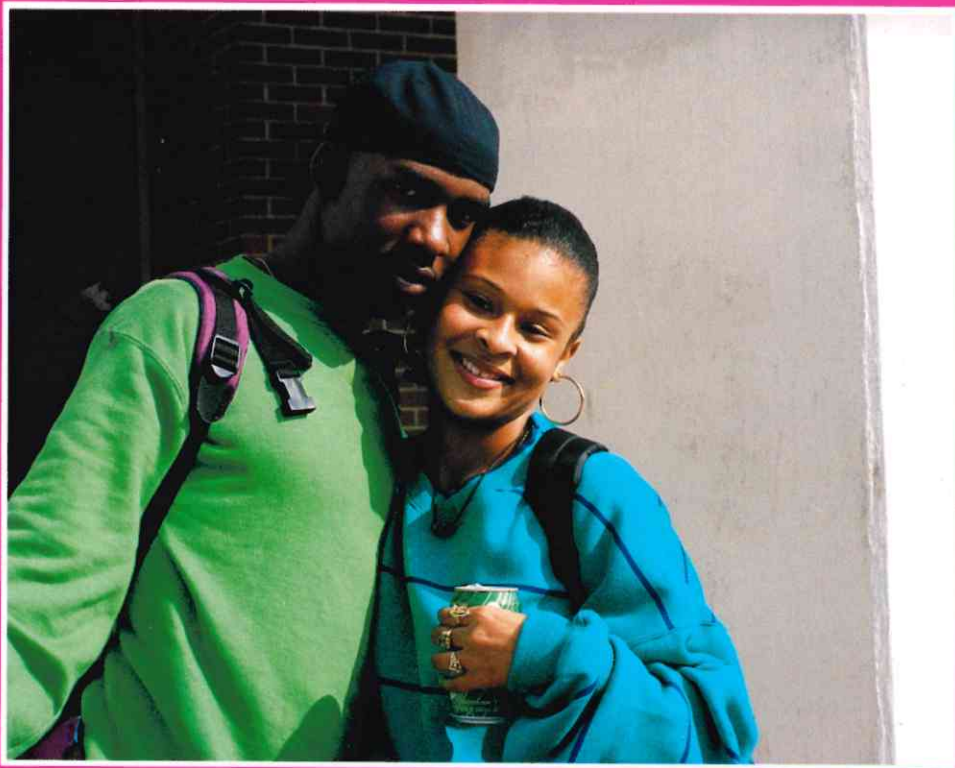

LOVE . . .

*The heart has reasons
of which reasons has
no knowledge.*

-Blaise Pascal-

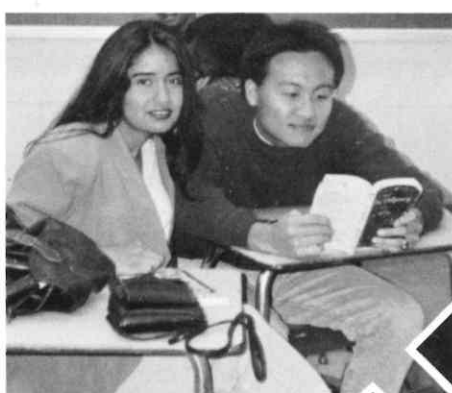

*Sometimes you should see the world
through your heart instead of your eyes.*

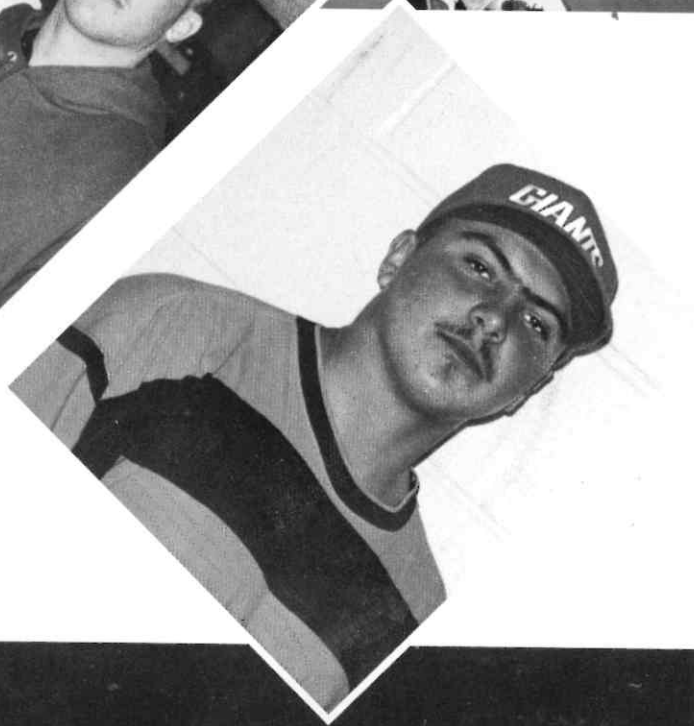

-Unknown-

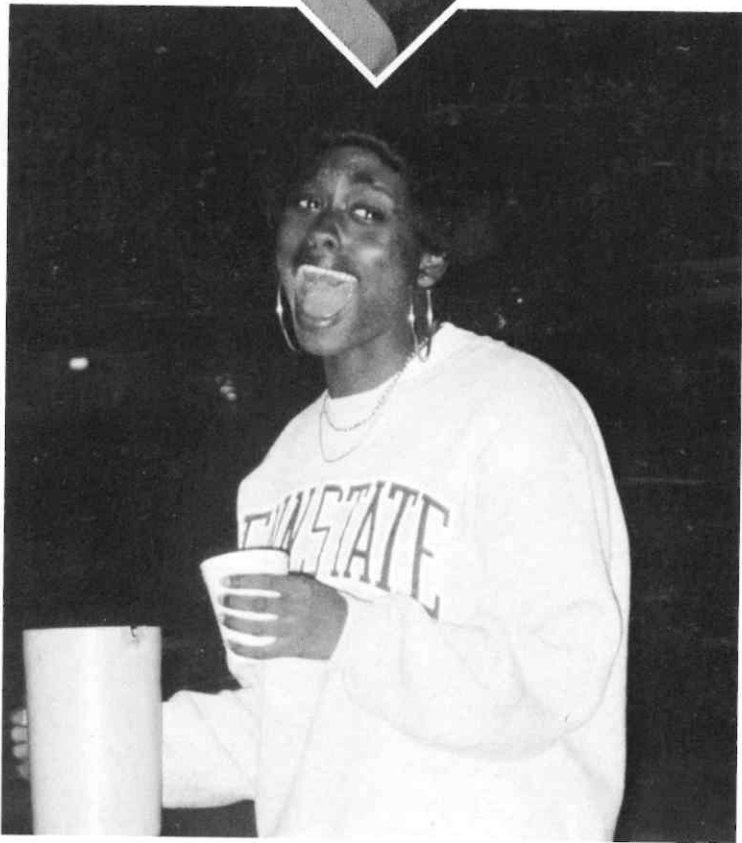

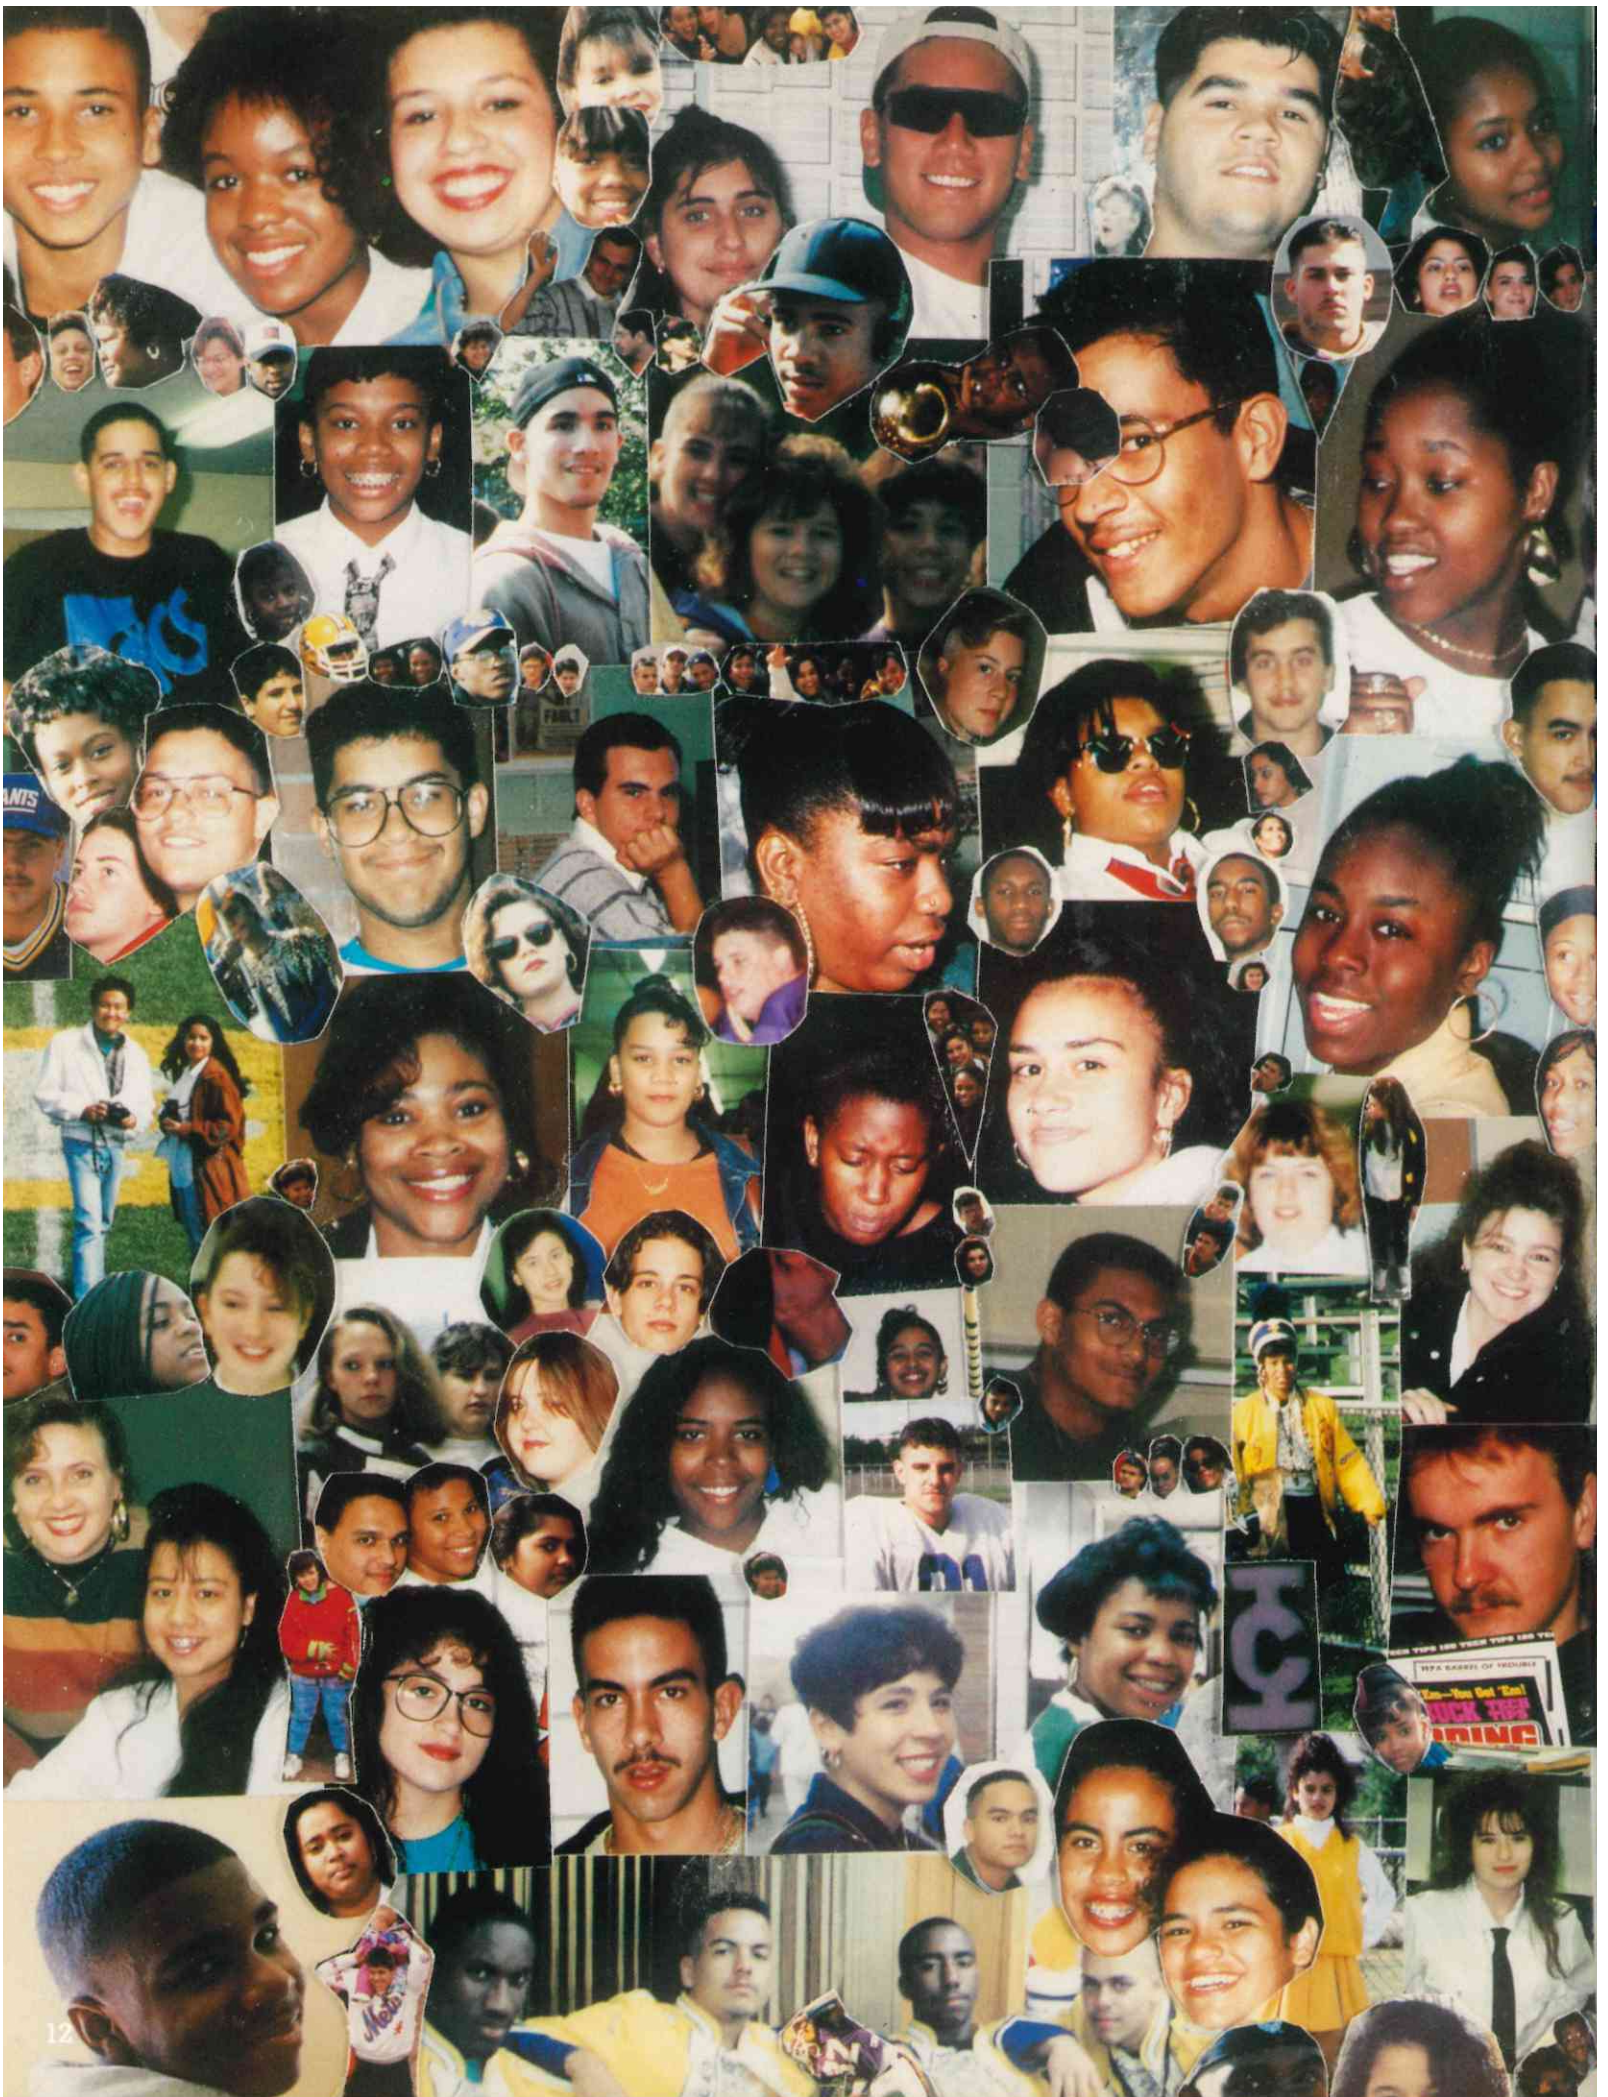

GOOD

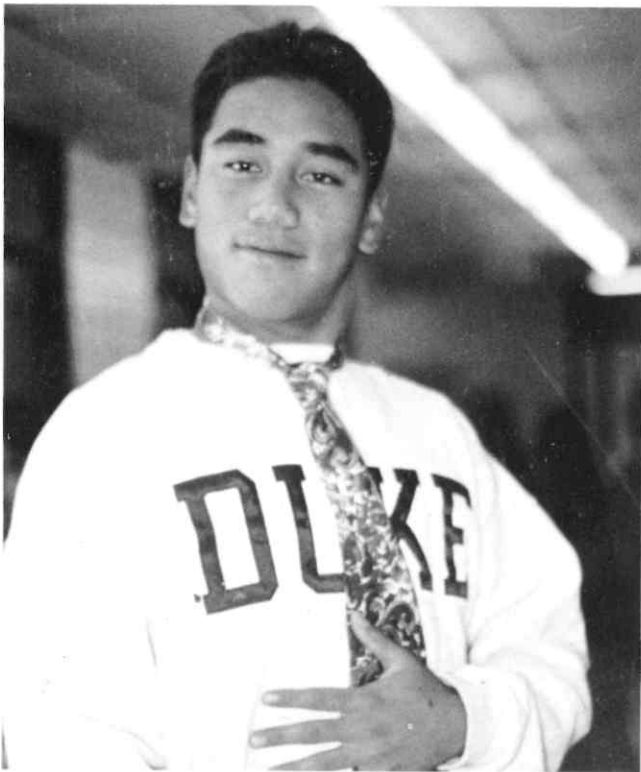

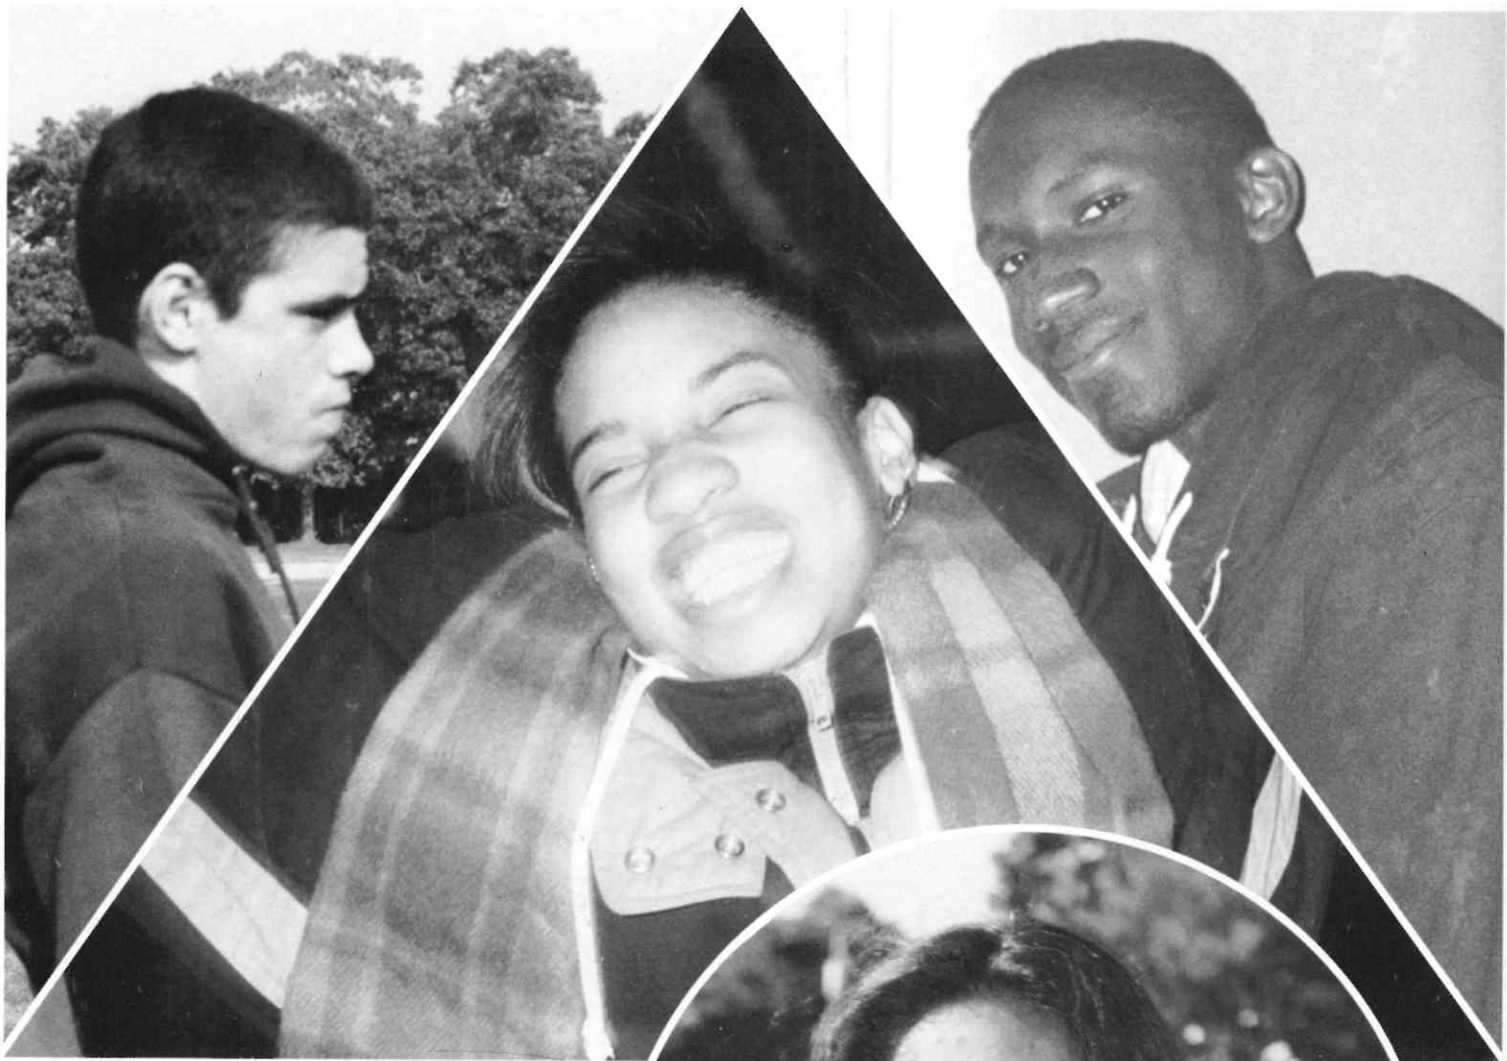

TIMES

*Make the most of yourself,
for that is all there is to you.*

-R. W. Emerson-

*To thine own self be true
And it must follow as the night and day.
Thou canst not then be false to any man.*

DEDICATION

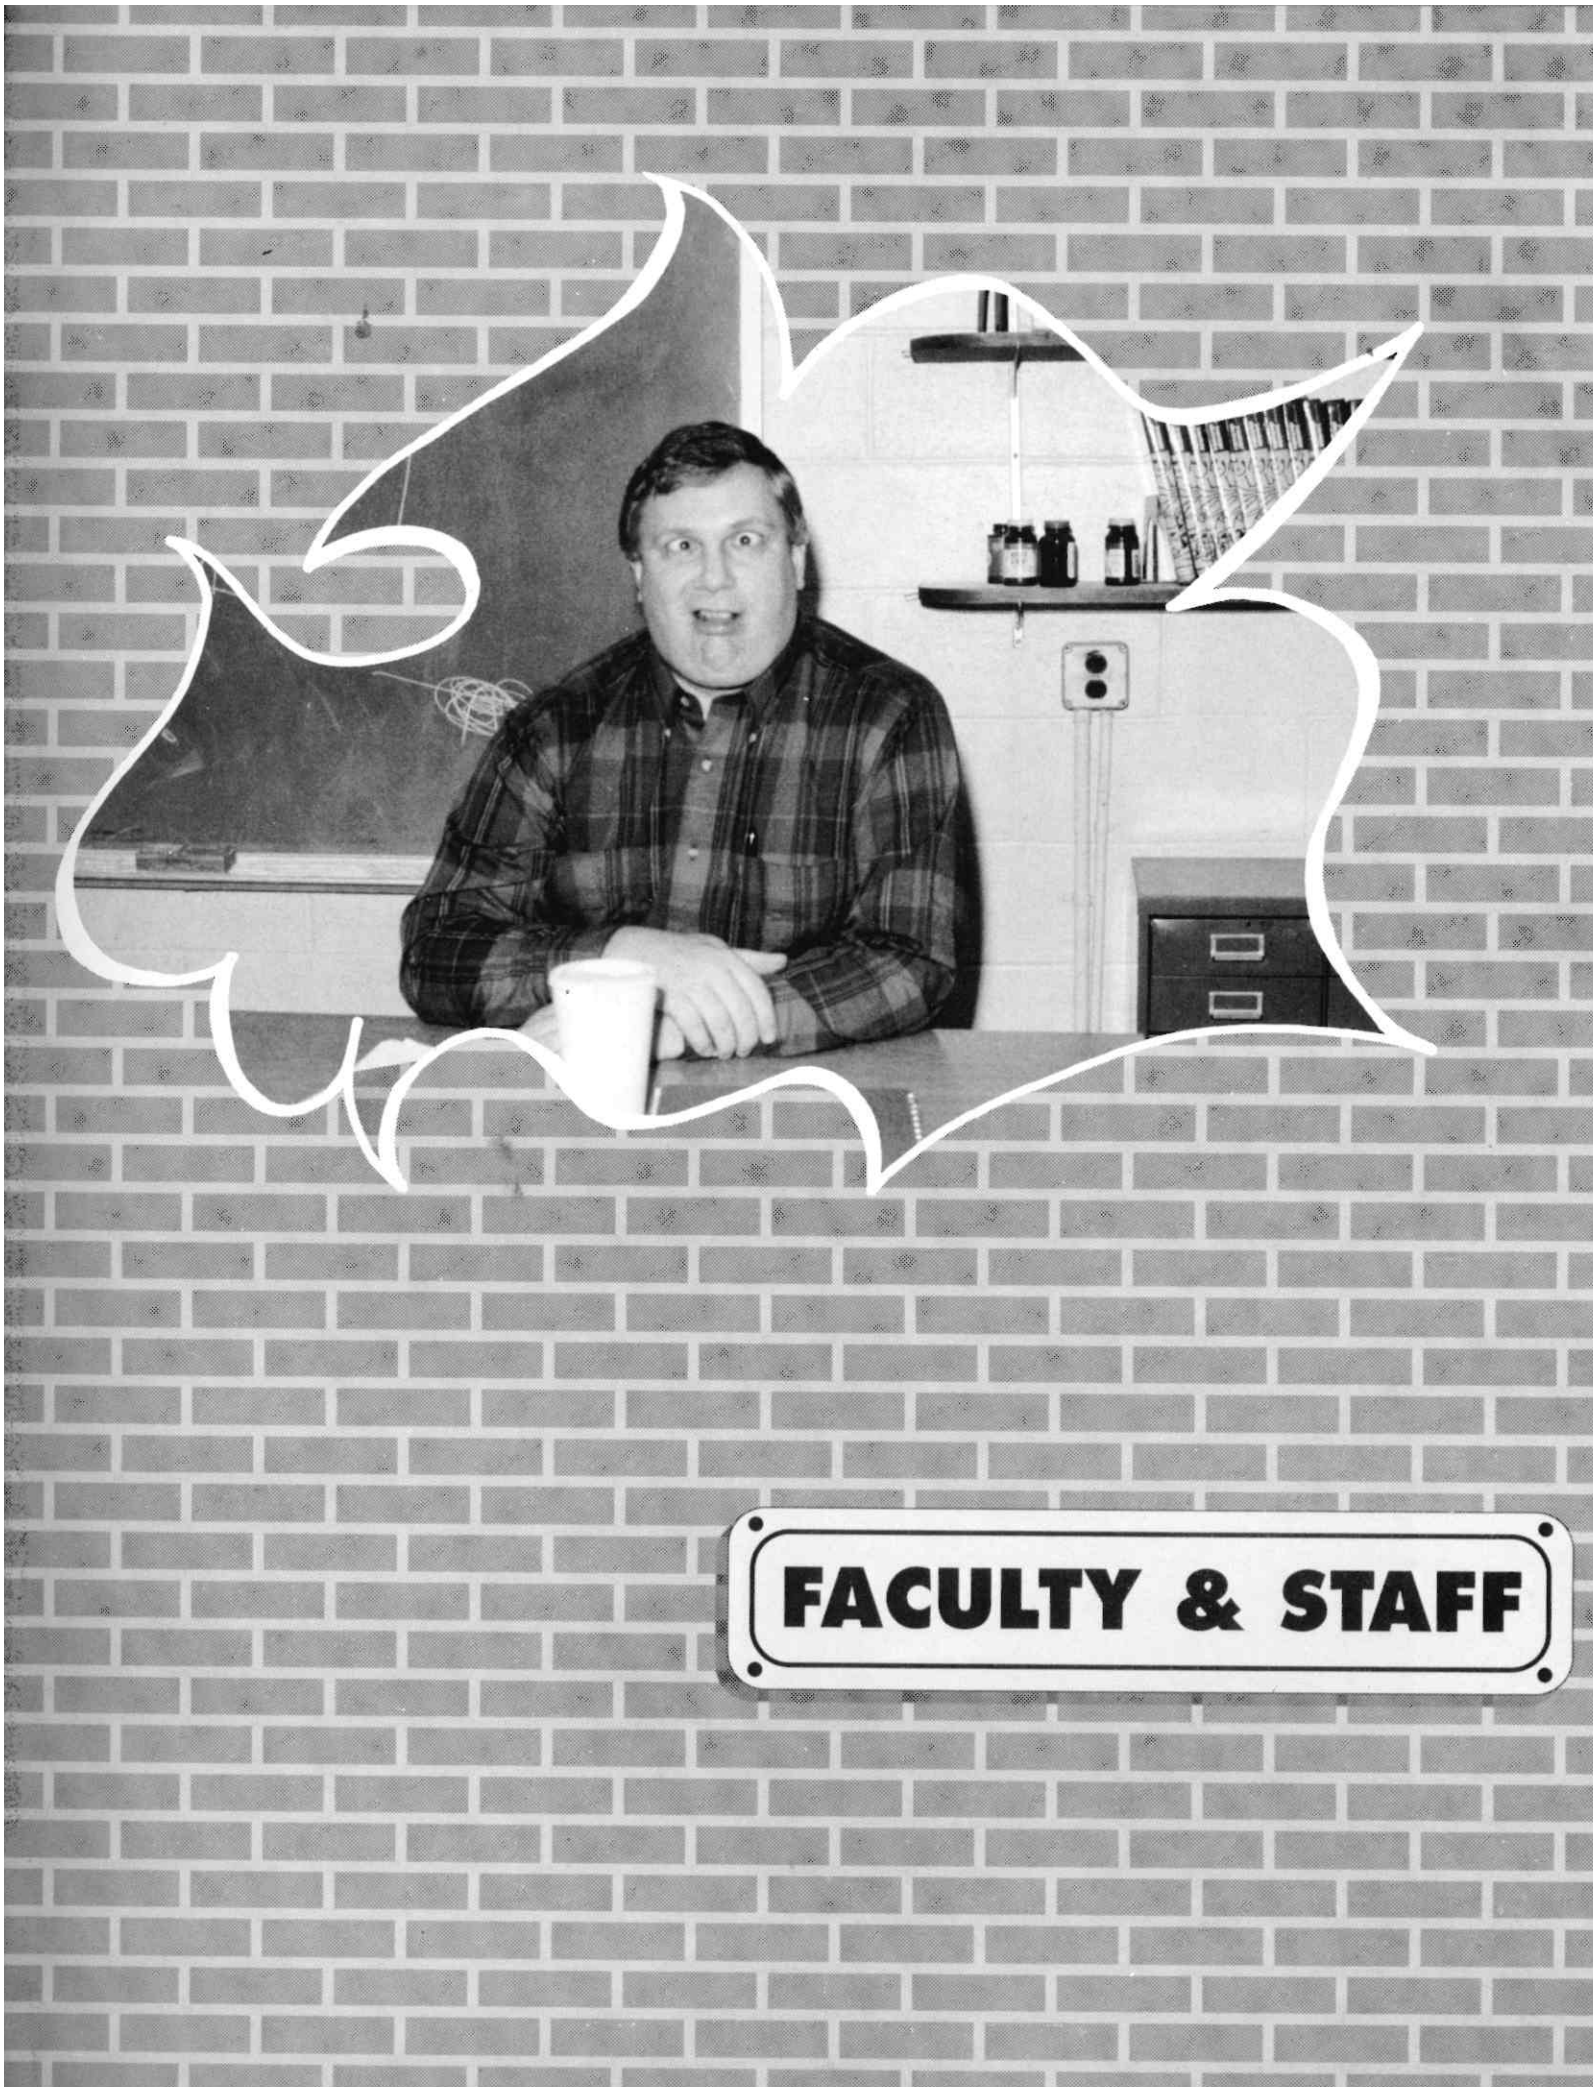

This year, the **1993 TREASURES** has the utmost privilege to dedicate the yearbook to an individual who was a former Central Islip alumni who, in January 1992, desired to return to her alma mater as a student teacher under the tutelage of English teacher, Mr. William Schiavo. During her five months at Central Islip High School, she made more of a profound impact than what other people make in an entire lifetime.

She, like her mentor, taught her students with dignity and pride so that they could become better individuals through the respect of other people. Her selflessness and kindness are two attributes that are too seldom found in people. Her smile could turn despair into joy. Her laughter made us realize that there was no reason to despair. And finally, her friendship made special bonds that can never be broken. In this unpredictable road that we call life, it is a rarity to encounter an individual with qualities like these.

As her five months at the high school concluded, we realized she had the potential to become a great teacher. However, on Thursday, May 14, 1992, she sadly left our lives. On her final day at the high school on May 8, many of us never got to say goodbye to our dear friend, believing that we would see one another again in the near future. Unfortunately, we never got to say that special farewell.

So it is with great respect and privilege that the **1993 TREASURES staff** wishes to dedicate this yearbook in the continuing memory of one, **Ms. Holly Hunt**. The **1993 TREASURES staff** hopes that this dedication is an appropriate way of saying goodbye. We shall always remember her and she will always have a special place in our hearts. "Til we meet again . . . goodbye.

FACULTY & STAFF

HIGH SCHOOL ADMINISTRATION

To the Class of 1993

Congratulations to each and every member of the Class of 1993. As a result of your dedication and hard work, you have reached your goal and will become graduates of the Central Islip High School. I want to thank each and every one of you for the contribution that you have made towards the success of your class and towards the growing traditions of our High School.

This class will long be remembered for its accomplishments in the classroom, in the performing arts, on the athletic fields and for the services that you have provided to the community. But most of all, you will be remembered for the personality of '93' which resulted from your involvement, your caring and your willingness to work in order to reach a goal and to have fun doing it.

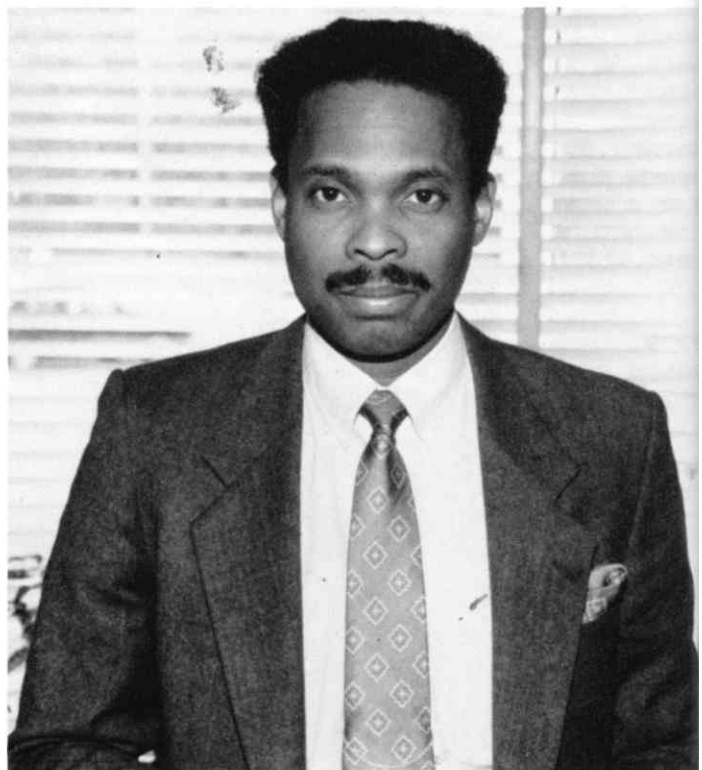

This yearbook is one of your many accomplishments and I just hope that for many years to come, you will have fun recalling the events displayed in the 1993 Treasures. I hope that all the memories of your High School years are as pleasant as the ones we have of the Class of '93.

On behalf of the High School faculty, staff and administration who have assisted you in accomplishing your goals over the past four years, I wish for you the very best of everything in all of your future endeavors.

SENIOR OFFICERS

The Senior Class Officers had a very difficult year trying to get the entire class together, including the officers themselves. At times it seemed like things would never come together, but in the end the officers pulled together and got the job done.

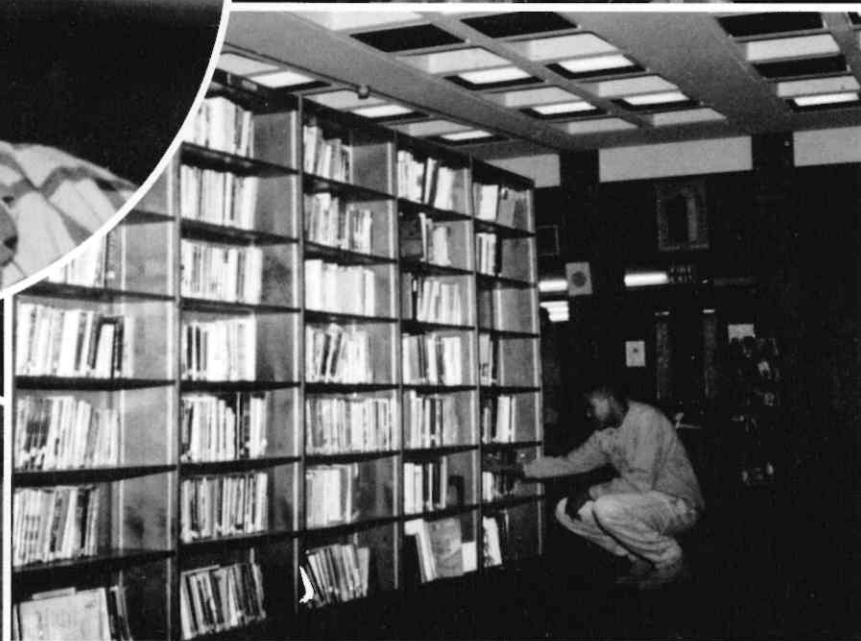

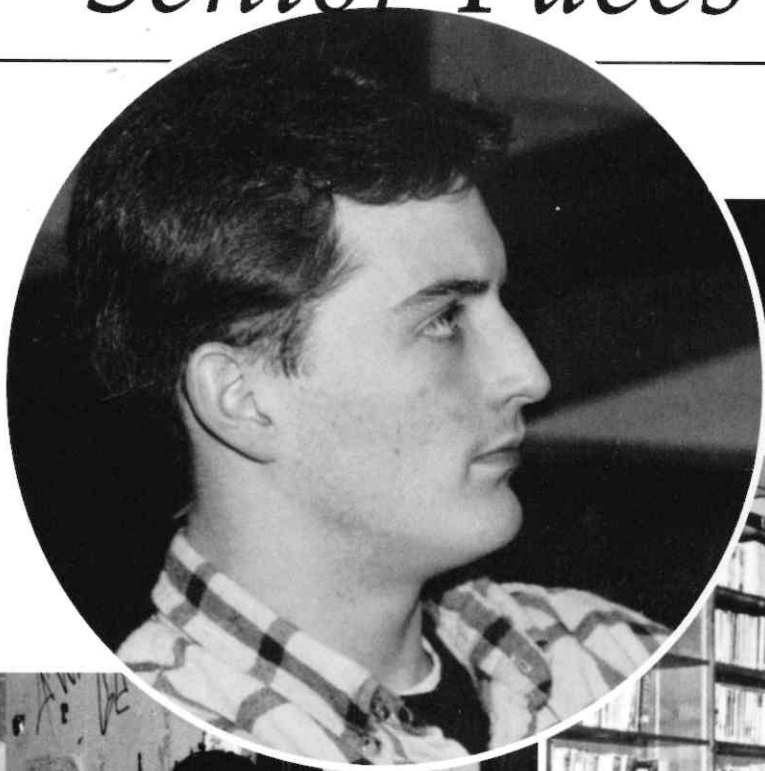

At Homecoming, the Senior Class float was a complete success. A small, yet dedicated group combined their talents and produced a First Place float, making the Senior Class the winners for the third year in a row.

The Senior Class play, "A Christmas Carol," was another success. This year there was a record amount of ticket sales than in any other year from the last 5 years. The cost was small, and at times there were doubts if the show would go off. However, the unique quality of our class of bringing things together at the last minute, shined through.

There were many other events that the officers organized this year, such as decorating the Senior Tree, the Senior Class Picture, the Prom, and of course, our long awaited Graduation!

Even though it was hard to get the whole class involved in participating in our activities, the Senior Class Officers would like to thank all of those who have helped the Senior Class of 1993 the past four years. Thank you.

A Senior Class Hit

The Class of 1993 presented as its Senior Class Play Israel Horovitz's adaptation of Charles Dickens' *A Christmas Carol*. As many people know, the play is about a covetous, old miser, Ebenezer Scrooge, who learns the lesson of kindness through his experiences with Jacob Marley and The Three Spirits. As Scrooge travels through time with the spirits, he learns the folly of his actions in the past. When Scrooge awakens and realizes it is Christmas Day, he has been transformed into a new man: a man of heart and kindness. Scrooge's new personality allows his assistant Bob Cratchit, played by J. J. Fedeles, to get a pay raise, therefore making it possible for Cratchit's son, Tiny Tim to survive a crippling injury.

As Jacob Marley said in his concluding monologue, "Scrooge was better than his word. He did it all and infinitely more. And to Tiny Tim, who did not die, he became a second father. It was always said that he knew how to keep Christmas well, if any man alive possessed the knowledge."

According to Nicole Pena, who played Belie, "Since it is the holiday season, the play takes place at the most perfect time of the year." Stewart Lee, who played Jacob Marley, said, "The play is especially special to me because I get to work in my last show with a lead role and I also get to work with my friends." The cast of *A Christmas Carol* would like to thank director Matt Paduano and assistant director Karen Katz for their patience, time, and effort. Without their guidance, the show would have not been a success. Mr. Paduano, who will be directing his last play at Central Islip High School for a while said, "I would like to take a break at directing in order to relax and continue work on the stage at other theater companies." Stewart Lee said, "It would be difficult to surpass the energy, excitement, and experience of *Little Shop of Horrors*, but the *Christmas Carol* has its own attributes that make the production a memorable one."

Stewart Lee (Right) of Central Islip High School pictured with the Chairman of the President's Foreign Intelligence Advisory Board, Admiral William Crowe during Inauguration Week in Washington, D.C. (January 17-21) Stewart also attended the swearing-in-ceremony of Bill Clinton and met President Clinton and Vice President Al Gore at the Inaugural Ball.

don't stop THINKING ABOUT tomorrow by Stewart Lee

The year was 1992 filled with a myriad of events that was highlighted by the Presidential Election. President George Bush, the Republican incumbent, was thought to be the pre-election favorite after the accolades of the Gulf War. However, Bush never initiated "Operation Domestic Storm" to find a panacea for the problems in the United States, that included the major dilemma of the economy.

With the President's domestic failure, Bill Clinton came to the forefront, with the theme of change, starting with the nation's feeble economy. The Democratic Governor, ironically from Hope, Arkansas, with his youthful vigor and charisma, gave the people of the United States new hope for the future, like that of another former President, John F. Kennedy. Nobody believed Clinton could become President, no less the Democratic nominee for President. Nevertheless, Bill Clinton overcame various controversies, including the scandal with Gennifer Flowers and the situation involving Clinton dodging the draft during Vietnam. Clinton became the "Comeback Kid."

Meanwhile, Independent candidate and business tycoon, H. Ross Perot made a major impact on the political scene by funding his own campaign for the presidency. Millions of

people from all over the United States put Perot on the ballot and the battlelines were drawn for the presidency of the United States.

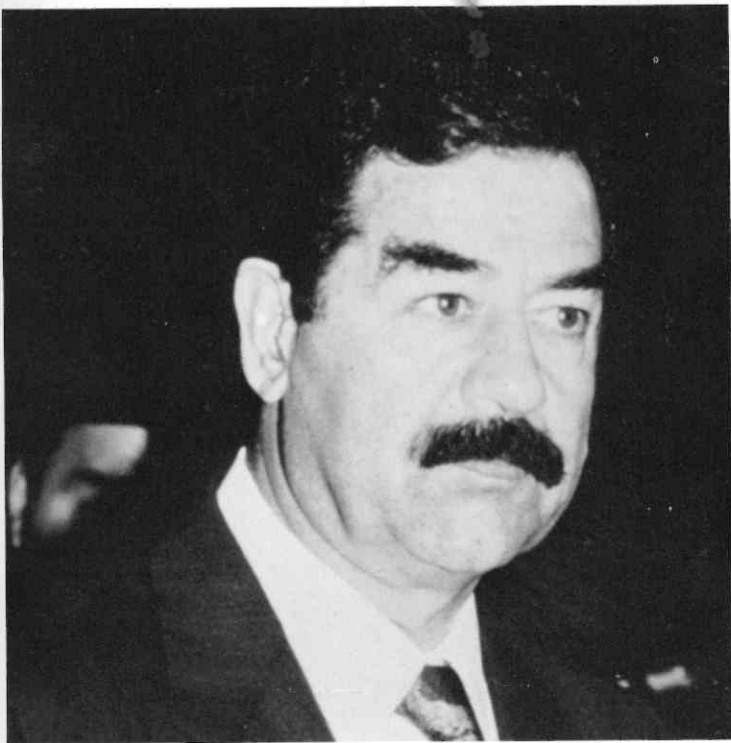

Perot, at one point led the two major party candidates in the polls, however after dropping out of the race and then returning back into the race, Perot-mania began to diminish. After more mudslinging by Bush and Clinton, the Democratic candidate led all of the major polls by a wide margin over the President and a little larger margin over Ross Perot. Election Day finally came and Bill Clinton won less than a majority of the popular vote, but with an overwhelming majority in the electoral college. William Jefferson Clinton became the 42nd President of the United States.

Inauguration Day came on January 20, 1993 and Bill Clinton took the oath of office and became the most powerful man in the country. Millions of people witnessed the peaceful transition of power, one of the attributes that make our country a democracy, a process unique from other countries in the world.

Now, as President of the United States, Bill Clinton will be challenged immediately by the unrest in the Middle East, more specifically Saddam Hussein who has failed to comply with the United Nation's "No Fly Rule." The United States has led air raids into Iraq to try to force Saddam to comply with the "No Fly Rule." Other problems facing President Clinton will be the continued bloodshed in Bosnia, the famine in Somalia, and most importantly the domestic problems.

Looking Back at 1992-93

by Stewart Lee

Other events also took center stage during the year. In April, the acquittal of the policemen involved in the beating of Rodney King led to chaotic riots in Los Angeles and other urban areas in the United States. The riots caused damage that cost \$785 million dollars and resulted in 52 deaths, 2,883 injuries, and 18,807 arrests.

In August, Hurricane Andrew devastated South Florida with a powerhouse intensity before moving into Louisiana. The hurricane's 54-hour rampage was the most expensive natural disaster to hit this country that caused an estimated 180,000 homeless in Florida alone. At least 51 deaths were directly attributed to the storm. The damage cost approximately \$22 billion dollars.

Hurricane Iniki dealt a direct blow to part of the Hawaiian Islands in September. Winds gusting up to 160 mph and torrential rain hit Kauai Island, causing enormous damage. It was the most powerful hurricane to hit the Hawaiian Islands this century. Twenty-foot waves crashed coastal highways and the island lost all power and telephone service even before the worst of the storm hit. Oahu, the state's most populated island with a 800,000 people, is separated from Kauai by a 80-mile channel and was spared the brunt of the storm.

In sports, Larry, Michael, and Magic led the Dream Team to gold during the Summer Olympics in Barcelona. The Olympics marked the end of the careers of Larry Bird and Ervin "Magic" Johnson, who revitalized the NBA 13 years ago. The United States gained 108 medals during the Summer Olympics that were participated by a record 10,000 athletes from a 183 countries.

After a long six months, the Boys of Summer concluded the Major League Baseball season with the World Series. The Atlanta Braves repeated as National League Champions by defeating the Pittsburgh Pirates. The Toronto Blue Jays became the first team from Canada to participate in the World Series by defeating Oakland Athletics in the American League Championship Series. In the World Series, Toronto defeated Atlanta to bring the championship crown north of the border.

Super Bowl XXVII was held in Pasadena, California, and the Dallas Cowboys defeated the Buffalo Bills, ignominiously giving the Bills its third consecutive Super Bowl defeat.

The new members wait anxiously to be inducted.

The Best and The Brightest by Nikol Barber

The National Honor Society is the organization which recognizes exceptional students who excel not only scholastically, but in other areas as well. The organization performs tasks such as tutoring and also raises money for scholarships through selling Blow Pops. The National Honor Society recently inducted 23 new members at the induction ceremony on December 17, 1992. The new inductees in addition to scholarship, must exhibit the characteristics of leadership, service, character, and wisdom.

The Student Organization Lends A Helping Hand by Stewart Lee

The coming of a new school year will always bring changes to groups. The Student Organization is no exception as the new school year brought a new advisor, Mrs. Margaret Harvey and a myriad of new officers with Joy O'Brien and Jennifer Cave as co-presidents, Linda Cheung as vice president, Stewart Lee and Amanda O'Brien as co-secretaries, and Tricia Hicks and Tamisha Bouknight as co-treasurers. The new group brought forth new ideas with energy and vigor and have made great strides to improve conditions in the community and at Central Islip High School.

For example, the S.O. helped raise \$200 for the victims of Hurricane Andrew in the Quarters For Caring program. Also, the S.O. registered over 160 new voters for the November 1992 election. With the assistance of the S.O., there was a record turnout of voters during Election Day in Suffolk County. Thirdly, the S.O. raised a total of \$600 for the Adopt-A-Family program during the Holiday Season. Fourth, the S.O. teamed up with the Spanish Club to collect non-perishable food for the underprivileged during Thanksgiving. Fifth, the S.O. organized its annual Blood Drive and collected 41 pints for the cause. Finally, the S.O. joined Peer Leadership to sing Christmas carols at the Central Islip Hospital and brought a little joy and happiness to the patients at the hospital.

The S.O. also has done a tremendous job for the school as it has raised \$4,000 during the first three months of the opening of the School Store. The money raised by the S.O. will go to scholarships at the end of the year. To lighten up the school store, the store got a new coat of paint to erase the graffiti in the room and also Nicole Pena, Brandy Livesay, and Linda Cheung decorated the room during the holiday season with Holiday ornaments.

During Homecoming Week, the S.O. organized the first Pep Rally in two years and the annual Homecoming Parade. The S.O. capped off the week long celebration with the Homecoming Dance as Robert Green and Joy O'Brien were named Homecoming King and Queen.

For the rest of the year, the S.O. plans to have a Valentine's Day Flower Sale, a second Blood Drive, sports night, another Pep Rally, participate in Walk America, and help the Special Olympics. According to Joy O'Brien, "It's too bad that all the negative news gets publicized because there is a lot of good things that happen in Central Islip as well."

The S.O. sponsors the Homecoming Dance.

Matthew Chulis and Sean Montalvo, the team's co-captains, had productive seasons. Chulis, a sophomore had seven goals and five assists, while Montalvo, a junior, had two goals and three assists. They will be instrumental for the team next year.

High Hopes!

The Boys Varsity Soccer team had a disappointing season with a record of 3-8-2. However, the team accomplished many things. They played very hard in every game, learned how to work together, and had a lot of fun growing up together on the field. Coach Watkins felt that his team had accomplished their goals. He believes that small things will bring on much larger things if you stay focused and said, "Simplicity is the key."

Sean Montalvo and Matt Chulis are the team captains and are both very hard working and skillful players. Victor Leoncavallo and Sean Montalvo are solid defensive and offensive players. Another position on the team is sweeper, played by Matt Chulis. He makes the other players work hard. Curtis Harrison plays goalie for the team and according to Coach Watkins, is learning his skills very nicely. Santos Ayala joined the team late and was a great offensive addition to the team.

The rest of the soccer team included Jose Medrano, Vinnie Nghi, Fabian Sanial, Othniel Francilot, John Hougstatter, Juan Urquilla, Isidro Gonzaloz, and Kurt Wright. They all contributed to the team and show promise for the future. Two young players to look for are Marco Gurraeo and Ali Turay. They are both very skillful and intelligent players. Another important soccer player is senior James Smith, who was hurt in the first game and was out for the rest of the season. It was a big loss to the team because they missed the skill, speed, and experience he brought to the field. Coach Watkins would like to wish James well in the future. Even though the record does not show it, the team's performance this year gave a positive outlook for next year's team.

GIRLS TENNIS

A Promising Season

Although their 3-9 record does not show it, the Central Islip Girls Tennis team played well this season. With two exceptions, all of the losses were close and four of their nine losses were 4-3.

Individual performances were strong this season. Fourth singles player Rosie Novoa, and second doubles team Thi Lang and Donna Kipybida led the team with six victories. Linda Cheung, Nikol Barber, and Diane Nghi each had singles victories and Trang Le and Shannon Brady and Danielle Webster and Lori Mendez had doubles victories.

The team also made a strong showing at the Conference II Individual Tournament held at Connetquot High School as Second Singles Nikol Barber, First Doubles Trang Le and Shannon Brady, and Second Doubles Thi Lang and Donna Kipybida advancing to the second round.

This year's team was experienced and will lose only one player for next season. With the edge in experience over the other teams, next year could be their year to win the League title.

On Tuesday, December 1, at the Fall Sports Award Night, Rosie Novoa, and Co-Captain Nikol Barber, received coaches awards, while the other Co-Captain, Linda Cheung was named MVP.

Nikol Barber, Second Singles player for the Central Islip Girls Tennis team, played her final match for C.I. at the Conferences on Friday, October 16 and ended the season with a dramatic upset victory over the #1 girl from West Islip with a score of 4-6, 6-4, 6-4. Her season record was not very good, but it was not disappointing. "Having fun is more important than winning and I had fun," according to Nikol. Nikol also said, "I hate to see the season end because I will miss the team, but I wish them all the luck for next season."

VARSITY FOOTBALL

A Strong Finish For C.I.

The Central Islip football team had a disappointing beginning to their season by losing three consecutive games, but managed to turn things around with their impressive 22-7 victory over North Babylon on Homecoming Day.

Before their win on Homecoming Day, the Musketeers lost to Newfield, Bellport, and West Islip. However, following their win against North Babylon, the team went on to defeat Half Hollow Hills East 54-22, West Babylon 18-7, and then Walt Whitman 18-9 to end the season with a record of 4-4.

After such a disappointing start it is commendable that they were able to turn the season around. Scott Mallon said, "When you want something bad enough you do whatever you have to do to win. You play through the rough times and the good times."

Football is not just about winning and losing. The players learn about more than just how to play football. "Football teaches you about life. When you get knocked down you get right back up," said Jose Santiago. Essex Brock added, "Football made me see that even if you are down, I mean real down, if you try hard enough you can always come back."

The following players made All-County: Scott Mallon, Charlton Ortega, John Pfaffe, and Anthony Sorrentino. Also, the same players that made All-County including Mike Valazquez made All-League.

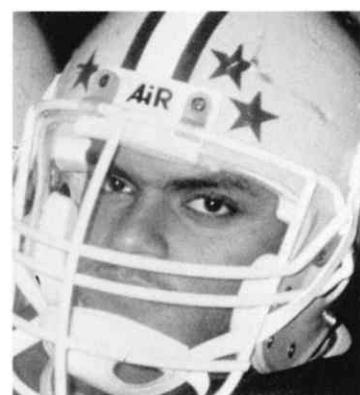

By Nikol Barber

Gahrey Ovalle has contributed a great deal of work to the Central Islip Football team. He feels that Coach Diclemente was everything a coach could be and gives his thanks to him.

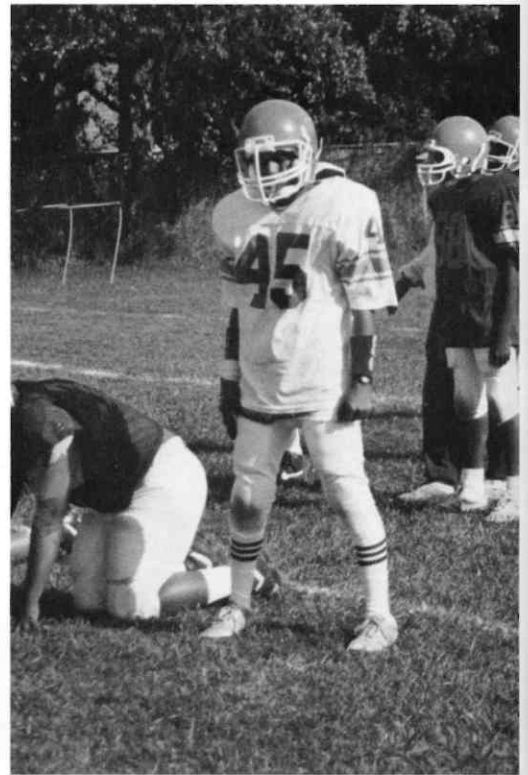

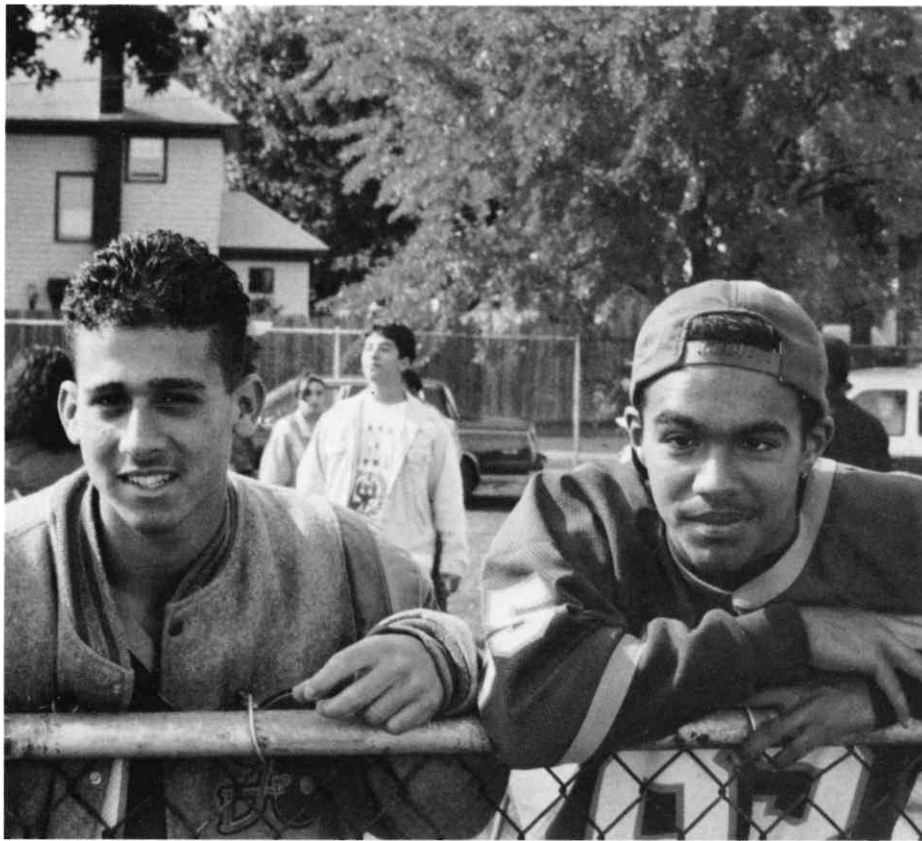

Ovalle has pride in his school and feels that Central Islip does a much better job of controlling racial violence than many other schools. Ovalle not only excels at football, but academically as well as he is in the National Honor Society. His future plans are to become a physical therapist and go to West Point.

Bump, Set, and Spike!

The Central Islip Boys Volleyball team completed its season with a record of 1-13. The team was disappointed by their record, but they were pleased that they played to their utmost limit. Central Islip also faced some of the best teams in Suffolk County, therefore their record does not show their true ability. Brian Story, a senior and co-captain on the team said, "I feel that we had a slightly disappointing season, but we played well for the most part as could be expected." He also felt that because of austerity, there was not enough interest in the sport in prior years.

Even though the team had a disappointing record, there were a couple of players that showed great abilities on the court. Matt Couzo received an All-League nomination, while Brian Story received an honorable mention for All-League. On the court Matt Couzo and Danny Moya led the team in serving points, Brian Story led the team with 14 aces, Craig Sjostrom led the team with 18 solo blocks, and the best ball handler was Danny Moya with an 89.24%. The team hopes that this season will be a foundation for future teams to come.

Focus On . . .

Brian Story, the co-captain on the Central Islip Volleyball team, performed well in his last year of volleyball at Central Islip High School. Besides receiving an honorable All-League mention, Brian led the team in aces with 14, digs with 13, and the most kills with Matt Couzo with 36. Brian is a four year varsity player for Central Islip and played for the team at the Reed School when volleyball first came to Central Islip. He shows outstanding leadership abilities and knows the workings of the volleyball court. Brian hopes one day to play for the U.S. Olympic team.

Working Hard

The Central Islip Girls Swim team had a mediocre season, however, the team had a lot of fun working together. Every single girl worked very hard this season and put plenty of time and effort in improving their talent. Each girl is not measured by who came in first or second, but according to Mr. Shaughnessy, it is measured if the girl can surpass her previous best time. Each time a girl beats her previous best time, she has accomplished something and it should be considered a success. Mr. Shaughnessy is happy to say that each one of his girls shared in a great deal of accomplishment this season. Each time they step into the water, they usually improve their time. Mr. Shaughnessy is proud to say that half of the team made the honor roll, proving that the girls are outstanding students and swimmers.

A great accomplishment during the season was when two of swimmers qualified for the state qualifying meet at Ward Melville High School. The two girls were Helen Martin and Jessica Dawber. Mr. Shaughnessy would like to congratulate the two girls in their accomplishments. He also hopes to see in the future the whole team improve athletically and academically.

Helen Martin who has been on the Varsity Swim team for five years, made the countys all five years she has been on the team. Her best event is in the 50 and 100 meter freestyle. This year Helen made all-league in four events: 50 and 100 meter and two relay teams. According to Helen, she feels that, "The team was great and the best part about the team was winning and the many friendships that are developed during the season." Helen would also like to thank Mr. Shaughnessy who helped her, set things up, and basically did everything.

A Trying Season

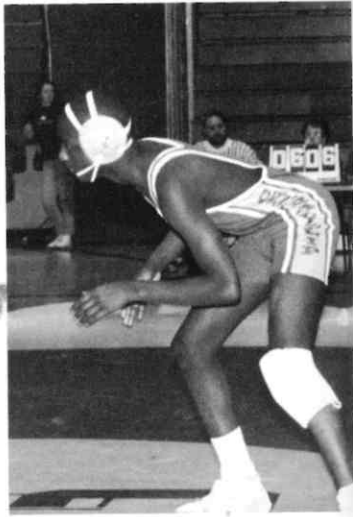

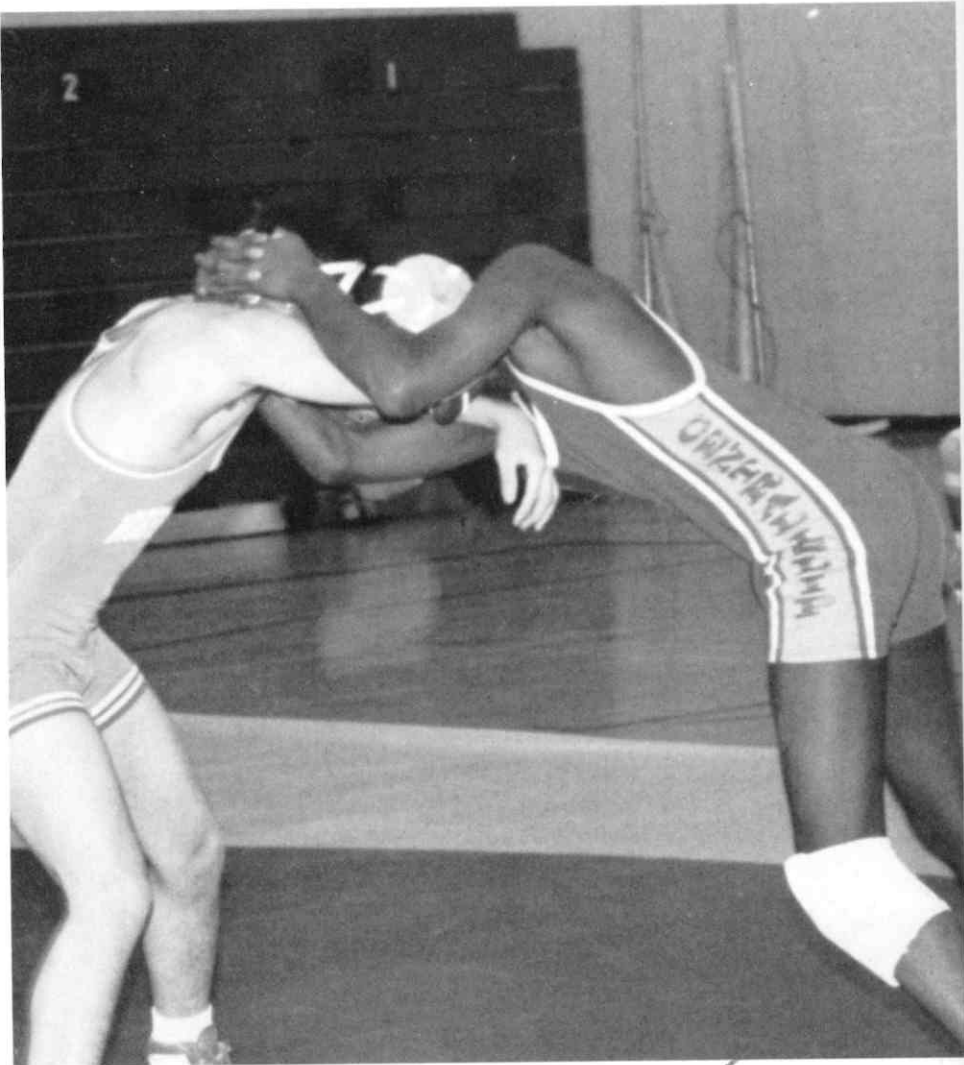

By Trang Le and Rosie Novoa

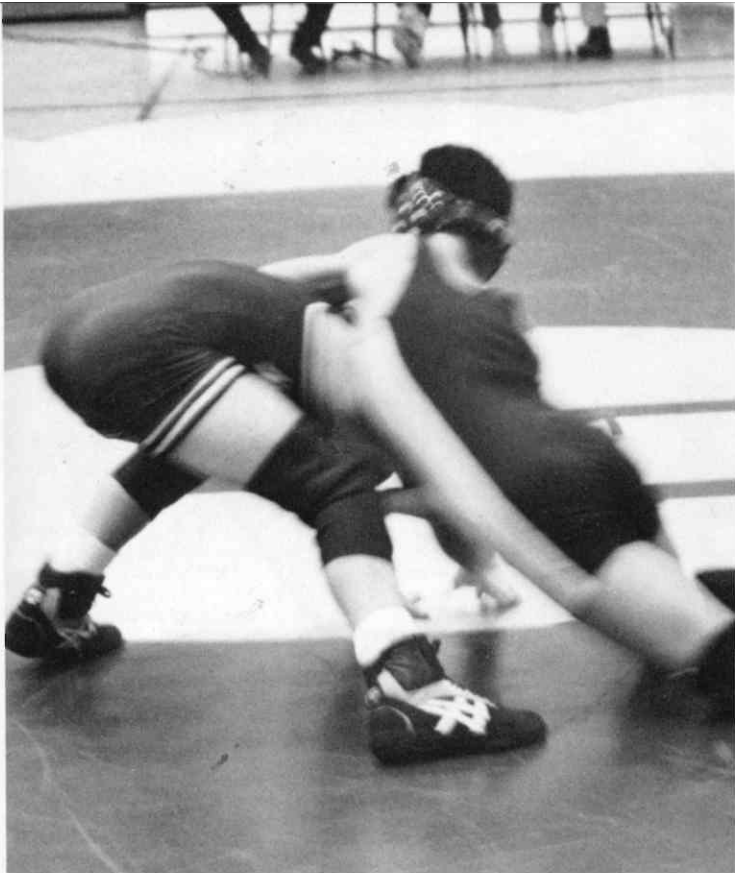

The boys wrestling team had a rough season. The coach's goal for his team was to build a nucleus for future teams in C.I. and to improve the team's skills so that they can be competitive in the coming years. The coach also wanted to see the younger wrestlers get familiar with basic skills so that they can excel in competition and reach their potentials as upperclassmen.

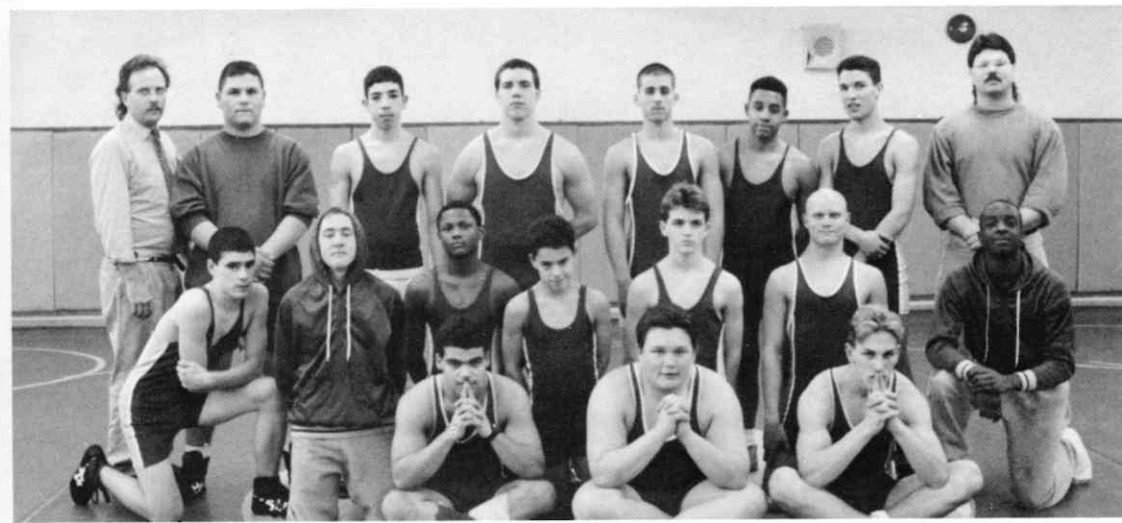

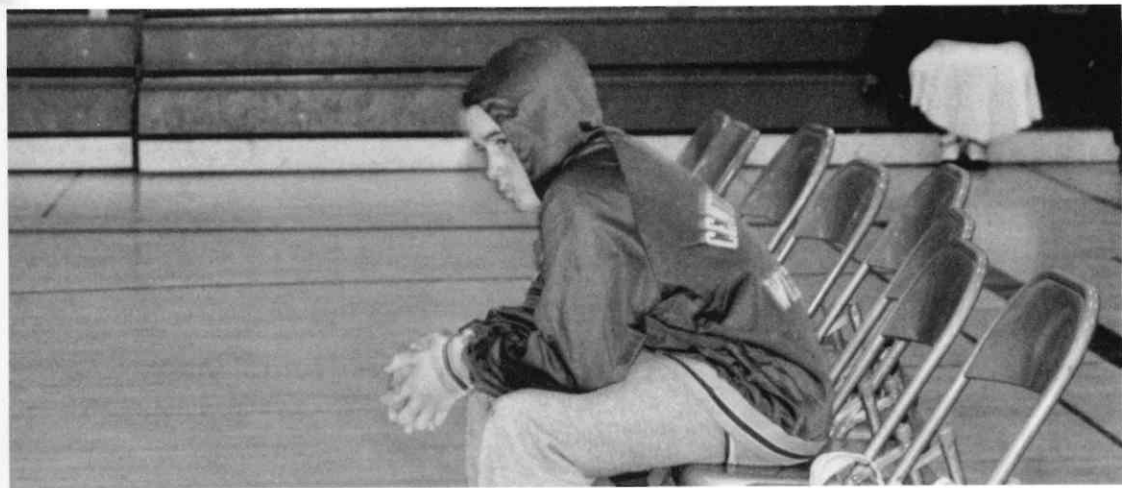

The team had a few strong wrestlers. Derrick Bolster, John Pfaffe, Isaias Rivera, and Misael Rivera. The best all around wrestlers on the team were Derrick Bolster and John Pfaffe. For the other wrestlers on the team, they also deserved credit. They all worked very hard as a team this season as they put in a lot of their time and effort.

Some of their goals that they have accomplished for this season were to rebuild the C.I. wrestling team and get the team familiar with the new coaching staff.

CHEERLEADING

Roughing it out

by: Melissa Gruner

The 1992-1993 Central Islip cheerleaders had a rough year. So many things went wrong and yet the squad was still committed and hopeful that things would work out.

Mrs. Wavey Hull, the coach, became ill at the end of football season. The girls then had no coach and practices were nearly impossible. During this season we lost almost half of the team because of academics, discouragement and dropping out.

When basketball season came, ten girls remained and the team still lacked a coach. Because of this reason the cheerleaders missed a portion of the basketball season.

Miss Amy Morana, a substitute for the high school, applied for the position of intern coach. The girls were lucky to have found her. The squad was able to cheer at games and hold practices.

The remaining ten girls worked very hard. The squad worked together as a team instead of individuals. The cheerleaders were eager to get out there and cheer no matter what the mood was. Our season ended on a positive note and we were proud to be the cheerleaders for our school.

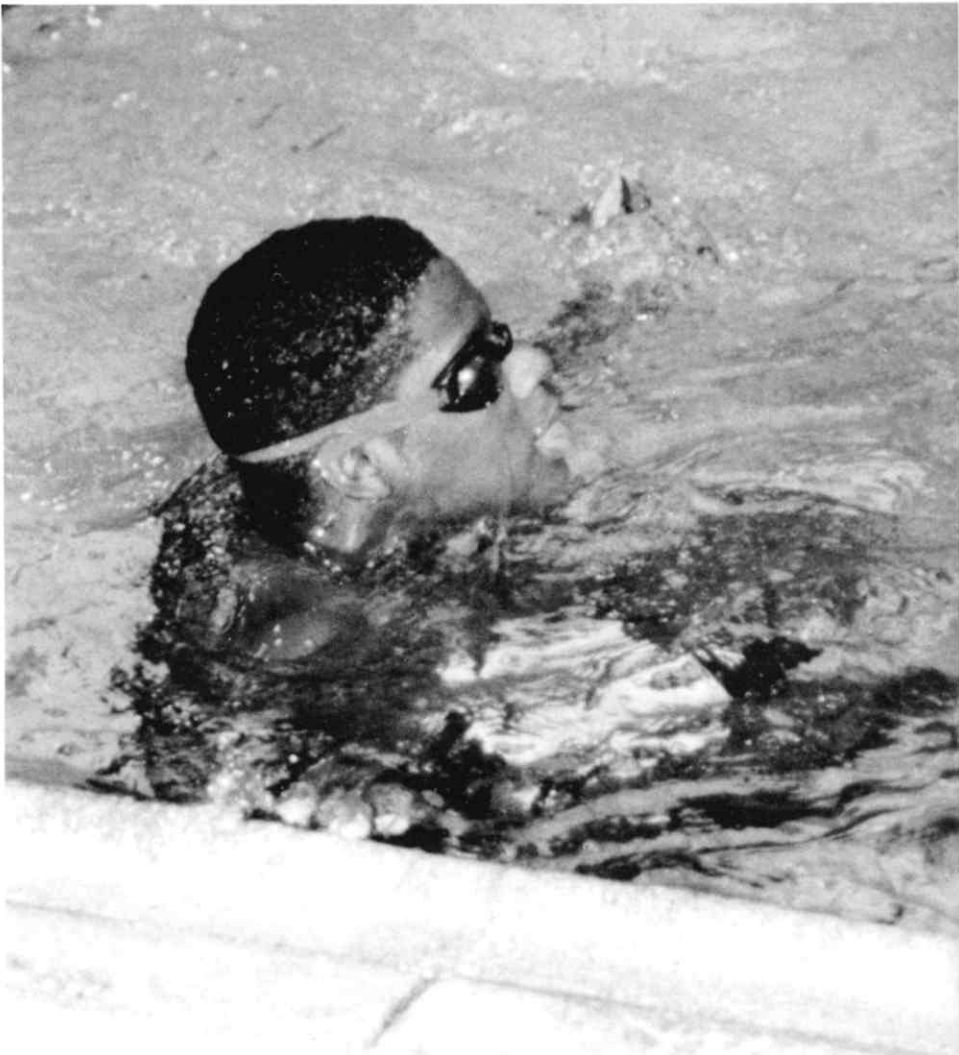

Building Blocks

by Rosie Novoa and Trang Le

The boys showed tremendous effort this season. They displayed great stamina, speed, and determination. The main objective for the swim team this season was to have several swimmers qualify for the State Qualifying Meet. Two exceptional swimmers, Sean Montalvo and George Ortenzi made it possible for the team to achieve this goal. There were nine new additions to the swim team this year from Brentwood, who contributed to the team's successful season.

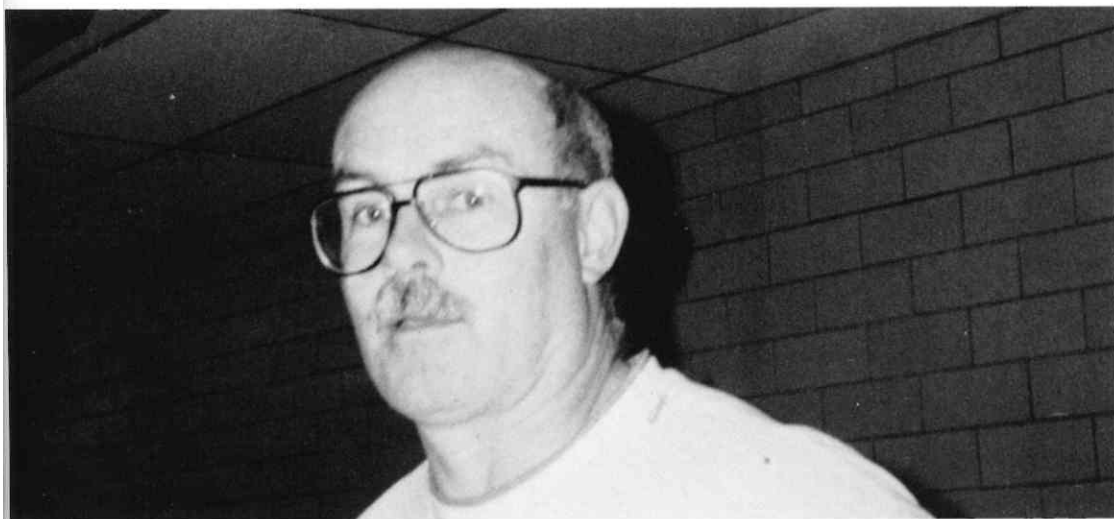

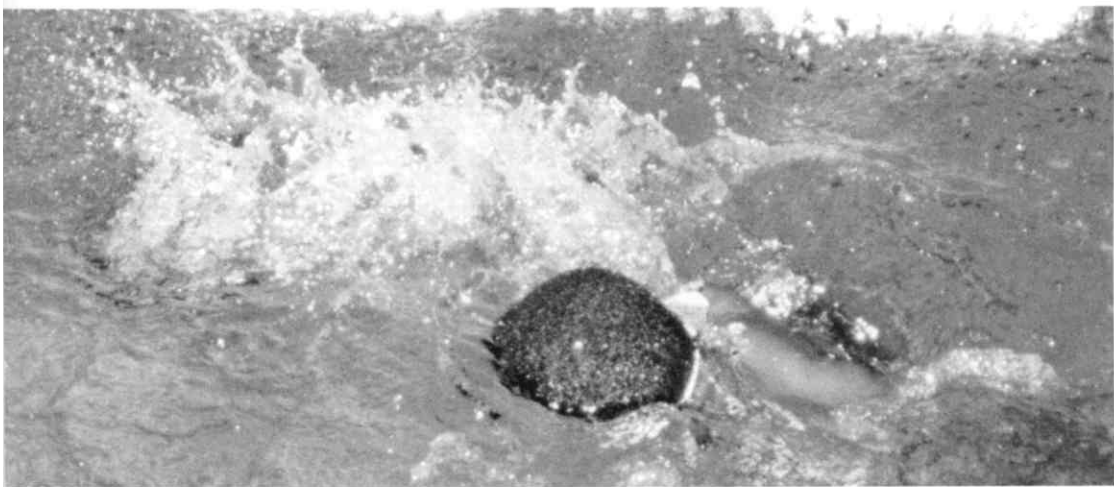

FOCUS ON:

Sean Bontalvo

Sean Montalvo, a third year captain of the Varsity Swim team, has been swimming since he was nine years old. Sean has set new standards this year by breaking three school records in the 100 yard butterfly, the 100 yard backstroke and the 50 yard freestyle. Sean has been in the State Qualifying Meet for 2 years and hopes to become County Champ. Pablo Morales, an Olympic Gold Medal winner, is Sean's inspiration.

Hoops!

The Girls Basketball team was faced with quite an endeavor that they handled to the best of their abilities. Although they finished last in their league, they did manage to win Central Islip's first game in about three years.

The team had spirit, self confidence, and motivation. The two outstanding players were Jennifer Bonilla and Anita. The team consisted of talented girls who were not only athletes, but were scholars as well.

Tamiko Love, Ludell Fils-Aime, and Heather McPhillip, for example, are honor students. The team hopes that they can build a solid foundation from this year's team.

Stepping Up To The Challenge

by Marie Fils-Aime

The Boys Basketball team faced a very tough challenge this season that they handled to the best of their abilities. The team was filled with confident players, albeit they placed sixth in their league with an overall record of 7-11. They were 4-8 in league play. The team owes their accomplishments to two outstanding players: Robert Green and Shamarr James who were both on varsity since their sophomore year. Robert Green made all-league and all-conference, while Shamarr made all-league. The entire team deserves to be congratulated for a commendable season.

FOCUS ON:

Robert Green

Robert Green cannot only play basketball, but he can play baseball and runs track, as well. He has excelled in all three sports. No wonder he was chosen as most athletic by the senior class. Robert broke several records in track and is a well rounded individual, whom, with his warm personality contributed a great deal to the social environment at Central Islip High School. Robert hopes to attend South Hampton University and plans to continue on being an outstanding athlete.

Last Chances

by Stewart Lee

For four seniors, the 1993 Tennis season will mean the last opportunity for them to win the team league title and individual titles as well. Seniors Joseph Merkel, Paul Bandong, Stewart Lee, and Eric Retto will be confronted with the large task of rebounding after a winless season in 1992. However, the potential is there for a great season. Returning on the varsity lineup are Chris Alduino, Glenn Roisman, Anthony Leoncavallo, Patrick Ruiz, and Paul Lazzerino. The team hopes to capture the glory of 1989 when the team won its last league title with an undefeated season.

The future is also rich in talent with the many people in the JV lineup. With new JV Coach, Mr. John Scanlon, C.I. has a strong foundation to replace the departing seniors.

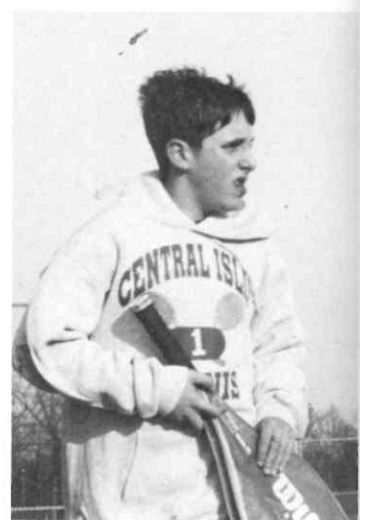

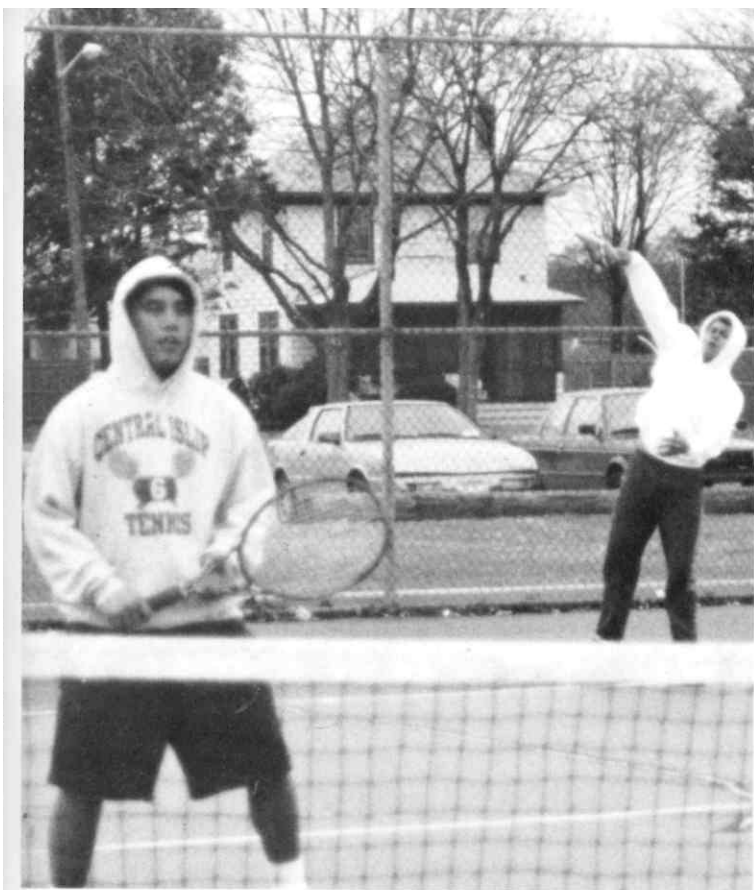

Focus On:

Joseph Merkel

Senior Joseph Merkel has been on the Varsity lineup since he was in the 7th grade. He attributes his enjoyment and his success to his brother, Patrick, who always played with him when he was young. Joe was a member of the 1989 squad that was undefeated and won the league championship. He has been number one on the varsity squad since his sophomore year. Joe hopes to be undefeated during the season and go on to the semis in the county individual tournament.

Taking C.I. Out To The Old Ball Game

by Trang Le

Mr. Carpluk has been coaching the varsity baseball team for about eight years. With the season just starting, Coach Carpluk has high goals for his team. His main goal is to make the playoffs this season and with the 16 players on his roster, he feels the team can accomplish its goals. The Coach is very pleased with the amount of work each player is contributing to the team. The key, according to Coach Carpluk, "is cohesion and team work."

The team also has a solid foundation for a promising future with the J.V. team led by Coach Black. Perhaps a League title is in the future for the Central Islip Baseball team with all the hard work the team is putting in to this season.

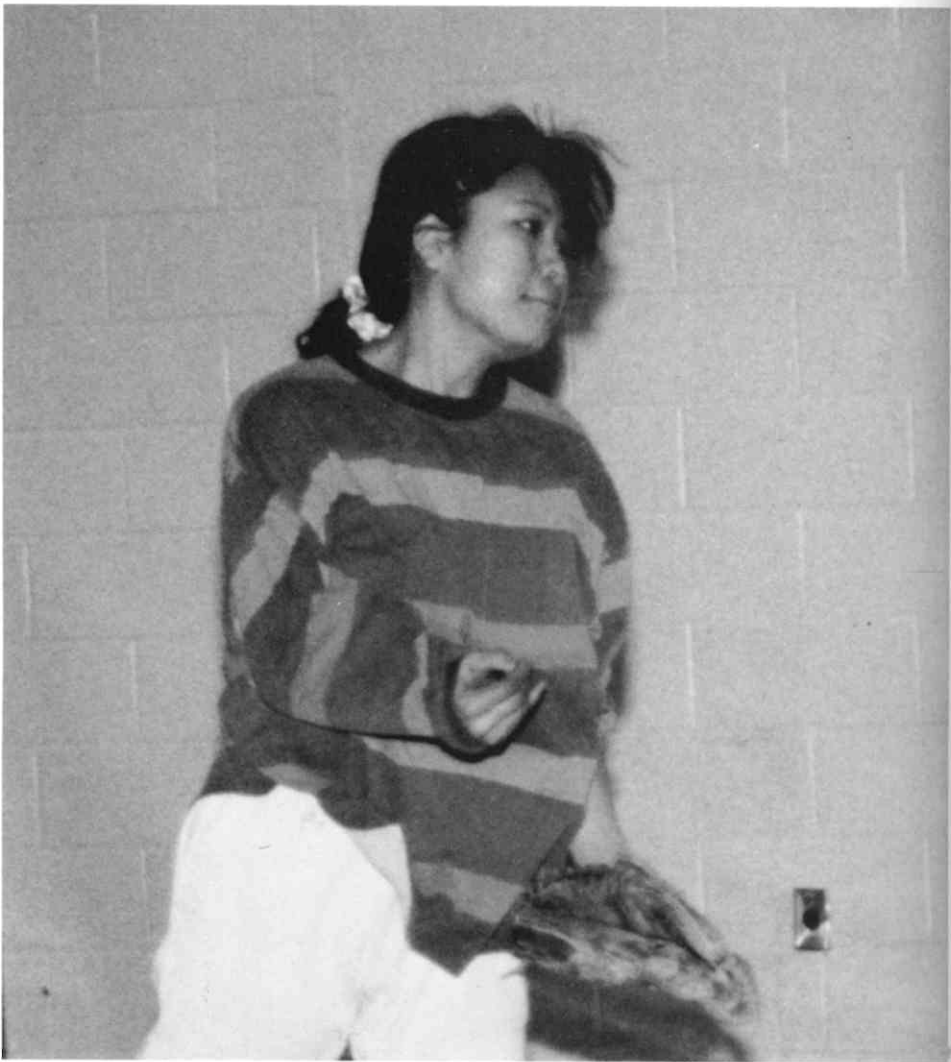

Hopes of the Playoff

by Nikol Barber

The girls varsity softball team has 12 girls this year. Mr. Wolownik is the varsity coach. Coach Wolownik wants the team to work very hard this year and to do their best. The team has a lot of experience and talent with 8 seniors. Coach Wolownik feels that if they try hard and work together they have a good chance of making the playoffs.

This year there is also a girls J.V. softball team. Ms. Rayden is the coach and the team has 16 girls.

Focus on:

Caroline Pena

Senior Caroline Pena has been on the varsity softball team for four years. She has played shortstop and outfield, but her primary position is pitcher. She says that this year she wants to try her best and work on hitting. She hopes that the team will work together and make the playoffs.

A New Beginning

by Rosie Novaa

The Girls Volleyball season began with a descriptive lecture by Coach Everett Melius. He emphasized the necessity of team unity. Coach Melius' primary goal is to have fun and complete a successful season. The volleyball program has already been improved because it is the first year Central Islip has had a Varsity and Junior Varsity squad. A positive outlook and team unity helped make this season a productive one for all its participants.

Focus on:

Kara Yberg

Kara Yberg has been a dedicated volleyball player since the 7th grade. From the beginning she was receiving certificates and awards for all-around best player and sportsmanship. She has been a valuable asset to the Central Islip Volleyball Team. Her passion for the game has inspired her to continue in the future.

On Your Mark, Get Set, Go!

by Marie Fils-Aime

The boys track team are well on their way to a terrific season. Their primary objective is to win as many meets as possible. The team is filled with energetic and competitive players who believe great sportsmanship is the key to every meet. With players like Robert Greene, who broke four school records and Forest Dantzler, it's likely that the team will achieve their goals.

Forest Dantzler is an outgoing individual who contributes a great deal to the track team. He broke the school record in the 110m hurdles by running it in 14.3 sec. He wants to make it to the state competition. Forest plans to attend The University of North Carolina where he will continue running.

Focus on:

ON A MISSION

by Harlee Bonilla

This year's girls track team has the phenomenal opportunity to become League Champions. The team is made of about forty girls who are very ambitious to go all the way for the top. Coach Carl Hawker is enthusiastic about the girls' performance so far and he knows they will try their best. Others are not as optimistic, one athlete said "I hope we do as well as last year." This year the girls track team is on a mission!

Focus On

Ludell Fils-Amie

Ludell Fils-Amie is a talented student who is amongst the best girls track athlete the school has this year. Ludell is an honors student in the 11th grade. This season she will be participating in the 400 meter hurdles, the 4x4 relay, and the high jump. Ludell has been on the track team these past three years. She placed 12th in the county last year.

Grease

Hits the C.I. Stage

by Stewart Lee

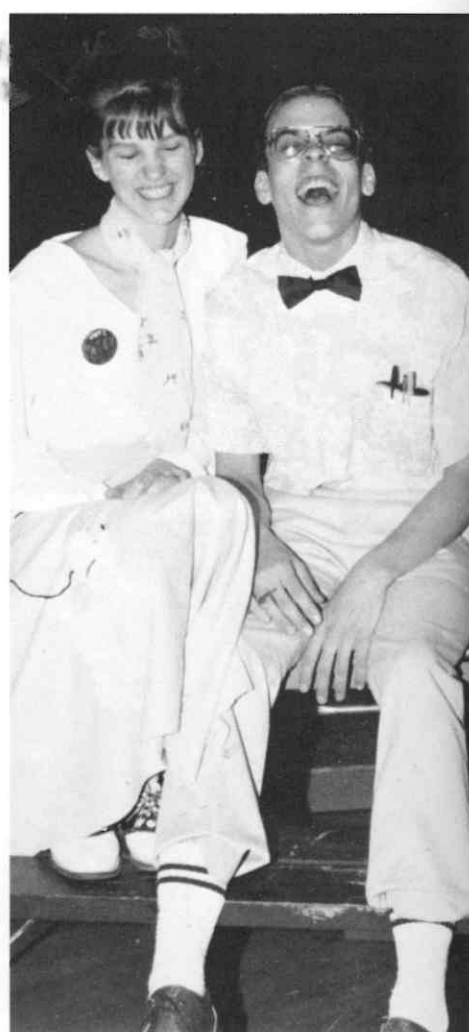

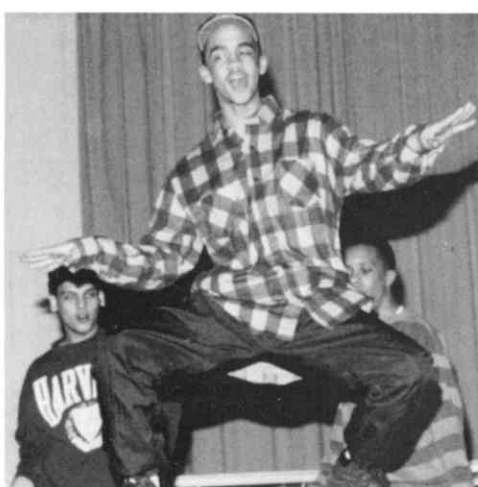

The Central Islip Music Department presented its annual musical on March 26 and 27, 1993. Shown this year was the 1950's musical hit "Grease." C.I. has not presented "Grease" since 1984. This year the show is being directed by English and Drama teacher and former Senior Class Play director, Mr. James Parise. Mr. Parise, who is directing his first musical, feels "if all the aspects of the musical can come together, the show will be a tremendous success. Every aspect of the show, the dramatics, music, choreography, the technical aspects, and scenery, is interdependent, one cannot be successful without the other."

The Central Islip Music Department is once again graced by the presence of its musical director, Mrs. Sue Terrana. Last year, she did a tremendous job as musical director for "Little Shop of Horrors." Fran Harmon is the choreographer for the

show. As in previous shows, look for energy, vigor, and excitement in her choreographic work.

When auditions began in December, over 130 people tried out and after the difficult process of singing, acting, and dancing, only 33 remained. Out of the 33 cast members, Josh Benitez got the part of Danny Zuko and Nicole Pena received the female lead, Sandy. Mr. Parise and Mrs. Terrana both had to make difficult decisions to cut down the cast to 33 people. What made it difficult, according to Mrs. Terrana was the "overwhelming talent that deluged the C.I. stage."

With three months of long rehearsals, the cast had its moments of highs and lows. However, when interviewed with a week to go in the musical, Mike Rodriguez, who plays Kenichie, felt that Grease is going to be spectacular and the best performance C.I. has ever seen. Things may always look bleak, but according to Mr. Parise, "the cast will always come through at the end."

The Cast

What play? Oh, yeah, Grease is going to be spectacular! The best performance C.I. has ever seen. Two thumbs up.

1993 presents

TREASURE D

MOMENTS

Editor's Note:

We have a little over a month remaining in our senior year, the greatest year of our life, and the most exciting part of the year is approaching with Senior Awards Day on May 21, the Senior Prom at the Huntington Townhouse on June 5, and of course Graduation on June 25.

Before we think about the future with graduation and college, let us not forget that today is a special day in which we can remember the times that we had in the past here at Central Islip High School as the Class of 1993. Our senior year finally culminates after four years that were filled with emotions of joy, sadness, nervousness, excitement, anticipation and anger. The memories that we have shared over the last four years will always be a part of us, thus the title of the 1993 Yearbook, **Treasured Moments**. The yearbook staff has worked diligently for over 6 months to publish a yearbook that will keep the memories alive for many years to come.

We could open these yearbooks after college, after marriage, after we have our first children and grandchildren and we could say to ourselves, "This was our yearbook. This was the Yearbook of the Class of 1993. This is what happened when we graduated." The memories will live on forever as long as we never forget.

The 1993 edition of the **Treasures Yearbook** will be characteristically very distinct from previous years and I hope that these changes are to your liking. After you have seen the 1993 Yearbook, **Treasured Moments**, I have no doubt that you will all attest to my notion that this is the best yearbook Central Islip has ever seen. Enjoy these **Treasured Moments** and most importantly, enjoy the remaining month we have left together. Make sure you make it the greatest year of your life.

I would like to thank the following people who made this yearbook possible. To my co-editor **Linda Cheung**, whose artistic skill, creativity, and friendship will never be surpassed. There were criticisms and doubts to whether a junior should be given the position of co-editor and could be responsible enough to take on such an overwhelming task. I believe she has silenced the critics. I wish her the best as she heads **Treasures '94** and I have no doubt that she will surpass her efforts and contributions as this year was a learning year for the both of us. I could not have done it without you.

To the 1993 **Treasures Staff**, whose dedication and effort was yeoman-like and could not have been replaced. To **Ms. Nancy Rucker**, who single-handedly took care of the financial aspects of the yearbook in such short notice with promotion of Mr. Richard Bracco as Social Studies Coordinator. Many thanks to Nick (Class of 1968) and Suzanne Connolly for their assistance on our cover. Without their computers, our cover would have only been a dream. To the **Faculty and Administration** who cooperated with the staff. To the **Class of 1993** and the **entire Student Body** who made these **Treasured Moments** possible.

Last but not least to **Mr. Steve Zagorsky**, whose knowledge, time, and patience were irreplaceable. Thanks for giving me the chance!

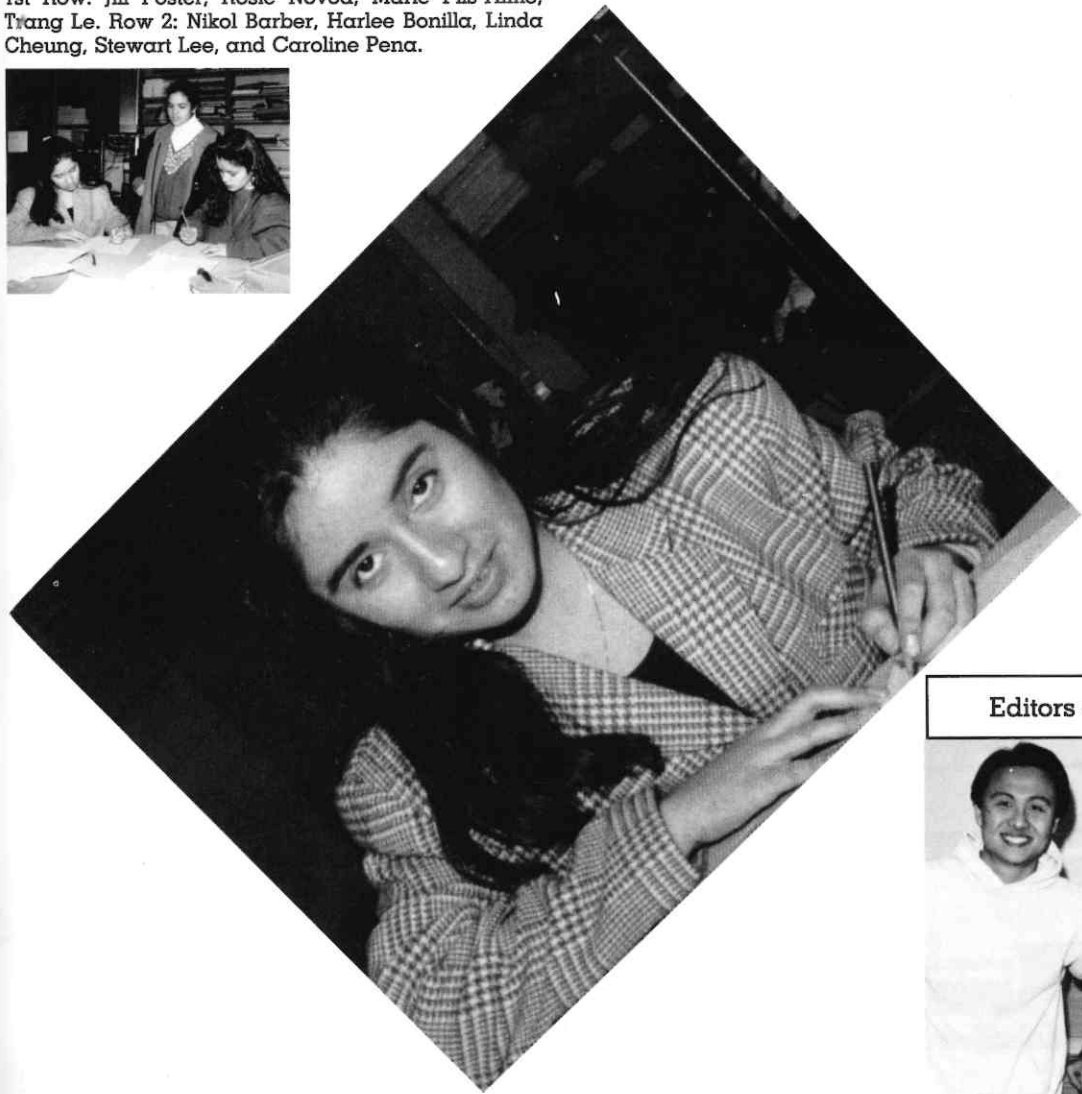

Best wishes,
Stewart S. Lee

MEMO

Take time to enjoy life,
take time to laugh and cry.
Take each day as it comes,
but don't let life pass you by.
Take time to wonder

TOMORROW'S
measured . . .

Tomorrow is a dream that leads
me onward.
Tomorrow is a path I've yet to
choose;
it's a chance I've yet to take,
for it's the person I have yet
to be.

MOMENTS

REFERENCE USE

IN MEMORY OF George Proctor

George "Bernie" Proctor

You rapped for us,
You danced for us,
You made us laugh when times were rough,
Your personality was one of significance,
One that will always be kept in remembrance.
Tears fill our eyes,
and anger in our hearts,
When you were taken from us and we were forced apart,
You were too special to be in such a hateful world,
and although missed very much,
we know you are safer than all of us.
A void fills our senior class,
but the memories will always last.
As we begin to start our future,
you are kept close in our mind,
so maybe we can make a change,
and make the world a bit more kind.

We love you Bernie, but God loved you more.
May you forever rest in his care.
