Pride and spirit is a way of life in C.I. It is found in everyone from the administration to the faculty, faculty to students, coaches to athletes, club presidents to members and even our families. In C.I. we show the best kind of spirit and pride, C.I. Pride!!!

SPIRIT WEEK

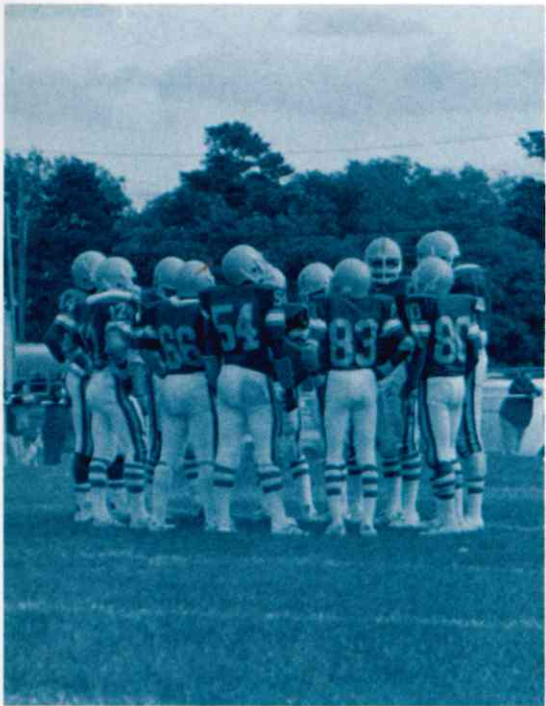

Friends are those people around us that make the good times great, and the bad times seem more bearable. But most of all, friends are the people that make our days here worthwhile.

We are the Musketeers,
The mighty, mighty Musketeers,
And everywhere we go,
People want to know,
Who we are,
So we tell them,
We are the Musketeers,
The mighty, mighty Musketeers!!!

Faculty

Dedication

Every once in a while there is a special kind of person who enters the teaching profession. A person who can and does walk the fine line of being a friend as well as being a teacher. An example of this kind of person is Mrs. Wavey Hull.

In the fourteen years of teaching in the Business Department of Central Islip High School, Mrs. Hull's warm and friendly personality has touched many students and staff members. Her pleasant greetings and warm smile have infected many. Fortunately for us, Mrs. Hull does not limit herself to the classroom, so her warmth and cheerfulness has a chance to spread.

Mrs. Hull's students are and have been very fond of her. They respect her for her firmness when they have needed firmness, her insight when they have needed cheering up. These qualities have not ended with the last bell of the day. As advisor to the Future Business Leaders of America, Mrs. Hull continues her "specialty" after school hours. This year, those hours were extensive because the F.B.L.A. produced a C.I. version of "Fame" and of course Mrs. Hull was there.

Because of her special qualities and contributions over the years, we dedicate the 1985 "Treasures" to Mrs. Wavey Hull.

“Hello World Out There”

Goodbye Seventeen,
and sixth period gym.
And prom dress or tux.
Goodbye circled halls,
And favorite teacher.
And basketball games at night.
Goodbye high school days,
And sophomore delusions
And childish dreams.
Hello World Out There.
And College.
Jobs.
Babies,
And memories in vain.

THE PROM

"Perfect Combination"

May 18, 1984

Romance and Central Islip make a perfect combination at Prom Time. The class of '85' emphasized this fact at their prom with a theme song appropriately named, "Perfect Combination." It was a night which freshman look forward to, sophomores prepare for, and juniors and seniors enjoy. We hope that these few pictures will keep the romance and excitement of that night fresh in our minds.

T-shirt day

Pride in C.I. is a tradition which is enriched yearly by each graduating class. Each class leaves behind its own distinctive qualities including its strong points and its weaker points, its successes and its failures, the good as well as the bad. It is the job of the underclassmen to learn from these mistakes and take from the good. We the class of 85 are proud of our contributions to C.I. and it is our hope that the classes of 86, 87, and 88 will continue the tradition which we have had the pleasure of experiencing. May your memories be as fond as ours. To the underclassmen we say good luck and to C.I. we say good-bye.

Central Islip — 33 E.I. E.I. — 0

On October 13, 1984 the Central Islip Musketeers exhibited the ultimate in C.I. Pride by shutting out the top ranked East Islip Redmen, for the first time in 11 years. The rivalry between the two teams has become part of C.I. tradition. The Musketeers went on to defeat the 1983 Rutgers Cup Champion, the Bay Shore Marauders 12-0. The Musketeers of '84-'85 captured the league championship and were co-ranked number one in the state. This was a tough competitive season for the Musketeers and they ended it with an impressive 7-0 record. Three cheers for the C.I. Musketeers!!!

You've failed
many times,
although you may not
remember.
You fell down
the first time
you tried to walk.
You almost drowned
the first time
you tried to
swim, didn't you?
Did you hit the
ball the first time
you swung a bat?
Heavy hitters,
the ones who hit the
most home runs,
also strike
out a lot.
R. H. Macy
failed seven
times before his
store in New York
caught on.
English novelist
John Creasey got
753 rejection slips
before he published
564 books.
Babe Ruth struck out
1,330 times,
but he also hit
714 home runs.
Don't worry about
failure.
Worry about the
chances you miss
when you don't
even try.
